There we can enjoy our purchased box lunches in a park-like setting and visit his Fords from Model As to 2020's Shelby's and automobilia collection.

Tour 4- Music Box Collection- Saturday

Who knew a first class antique music box collection is hidden away at a private residence in Old Orcutt? Quite close to the hotel, this is a great opportunity to visit a private collection of home entertainment from an age gone by. After the tour, we will drive to the home of SM As member John Humann. There we can enjoy our purchased box lunches in a park-like setting and visit his Fords from Model As to 2020's Shelby's and automobilia collection.

SEMINARS

All Seminars are Saturday Afternoon

Burtz Engine

After many years of development, the new Model A Engine is finally here. Listen to this informative talk to learn all about this new engine and its benefits.

Restorers Class Evaluation

This seminar will be presented by Dave Vestal, MAFCA Past-President, Life Member and one of the originators of the Restorers Class. As we all know, a car cannot be competitive in high point judging if it is driven regularly, so the Restorers class was created. The purpose of the Restorers class is to recognize those owners and cars that are driven to meets and around home while still being basically stock. Cars are not judged against one another, but rather evaluated for originality.

Putting the Fun in Era Fashions

Think that Era Fashions are just a bunch of stuffy old clothes? Hopefully this seminar will dispel that myth and make you appreciate another aspect to the hobby.
