

2024 CCRG JAMBOREE

WELCOME LETTER

March 8-9, 2024

The Sierra A's welcome all our Model A friends to the 2024 CCRG Jamboree. The very first CCRG Jamboree was held just a couple of miles from here 32 years ago and attended by about 100 people. Every year since then, the host clubs in Central California have continued to "raise the bar," making the Jamborees the most anticipated event of the year. We hope to continue this history of excellence by making your stay in Clovis very memorable and enjoyable.

You will find your **2024 CCRG Jamboree Registration Packet** on the pages that follow. It contains your **Registration Form** and the **MAFCA Waiver and Indemnification Release Agreement**. To successfully register for the Jamboree, **both** must be filled out and returned with your check.

Also in the packet for your reference is the **Hotel Information Sheet**, a **Map** showing the suggested hotel locations, a tentative **Jamboree Schedule**, the **Tour Description Sheet**, the **Merchandise Description Sheet**, and a **List of Local Sites** to visit for those of you who arrive early.

Please note that **all** of the Jamboree activities will be held at the **Clovis Rodeo Grounds** (748 Rodeo Dr, Clovis, CA 93612) and not at any particular hotel.

On Friday Morning, please check in at the Jamboree Registration Desk to receive your registration documents, enjoy the hospitality room, and check out the raffle prizes. You are welcome Friday afternoon to participate in the **Gymkhana Car Games** or visit the local attractions. On Friday evening, enjoy the free **CCRG sponsored BBQ**. Live entertainment will be provided by country singer John Pemberton. John performed during Sierra Chapter's last Jamboree in 2016 and is back by popular demand.

Our tour committee has planned several great **Saturday Tours** for you to select from. The tours will all leave at the same time on Saturday morning from different areas of the Rodeo Grounds parking lot. They will also end up at the same location where you will receive your box lunch if you ordered one. *The size of each tour group is limited.* Therefore, we suggest that you register early if you really want your first tour choice. Otherwise, you may be assigned your second tour choice.

We have planned a great buffet style **Banquet** for Saturday night. Dinner will include both beef and chicken with delicious sides. Dessert and coffee are also included. We encourage you to wear your period clothing for some good photo ops. The **Great Raffle** will follow the dinner.

A **Repair Tent** will be set up in the Rodeo Grounds parking lot during the event with a truck and trailer on call for any breakdowns. Please call **John Hulstrom at 559-682-7114** if you need assistance.

Note that free trailer and RV parking is available at the Rodeo Grounds parking lot. There are no RV hookups.

We would like to thank the **Blossom Trail A's** of Reedley for their valuable help this year. We also thank all of the clubs, businesses, individuals, and the CCRG Committee who have donated the great raffle prizes for our event. They are very much appreciated.

If we can be of any assistance to make your stay with us more enjoyable, please be sure to let us know!

The **Beekman's Estate** is a gorgeous property full of antiques that took three generations of their family to put together. The Beekman's have been creating this estate while at the same time operating one of the largest honey bee business's on the West Coast. When you enter the property you will see their retail honey store and then cruise down a long winding road to their antique warehouse. You will see an amazing collection of old cars and trucks, five full sized gas stations from the 1940's and 1950's, along with advertising signs along the way. The collection of oil and gas memorabilia will blow your mind. The Beekman's have vintage cars, bicycles, motorcycles, gas pumps, and even a 1960's aluminum camping trailer inside the amazing barn. Plan on having your box lunch at this scenic estate while enjoying the Beekman property. *This location is included in all four of the tours.*

Commercial Neon Description

Commercial Neon has an outstanding collection of historic neon signs and lights from all over the San Joaquin Valley. This family business started in 1974 and has amazing signs from years gone by. The company is still operating today as a leader providing neon signs all over the West Coast. Their 15,000 square feet facility is designed specifically for the production of state-of-the-art signs! We are looking forward to a great time at the museum. *This location is only included in Tour #2.*

Flat Track Museum Description

The Flat Track Museum invites you to visit this one of a kind museum in Clovis. It is the only museum in the world dedicated to flat track and speedway racing motorcycles. The collection was started in the 1960's. Dan and Kathy Rouit decided to build a museum in 1991 and the racing community showed the couple great support. In 2000, the museum was expanded, increasing the size to 3000 square feet of historic bikes. In 2005, shelves were added to accommodate the ever expanding collection of bikes. In 2009, another 30' x 60' room was added, increasing the museum size to 4,800 square feet. This collection is truly incredible. *This location is only included in Tours #3 and #4.*

Hillcrest Farms Description

Hillcrest Farms was started by Ed and Bonnie Toews. Now, in 2024, the farm is celebrating its 30th anniversary and they are going to put on an incredible display to celebrate. This farm has year around fun with an awesome railroad workshop and you will see where they are building trains for companies such as Disneyland. The Pumpkin patch is always a huge hit for all of the locals along with their beautiful Christmas Tree Farm! Get ready to board a train and take a ride around the farm. The \$5 tour fee covers the entrance and train ride at Hillcrest Farms. *This location is included in all four of the tours.*

Kallas Ranch Description

While touring the Chuck Kallas' Ranch, you will walk through an amazing car museum of cars from various periods. Mr. Kallas will give a tour of his expansive shop and work area used by many Model A members from our club. Next, you will be able to spend some time in the 125 year old bar that survived the San Francisco earthquake. It was moved to San Jose in 1928 and used for 60 years in the oldest bar in San Jose. The Kallas Family purchased the entire bar, named it the Cantina, and relocated it to his ranch in Clovis. The Kallas Ranch is a hidden treat to see. *This location is only included in Tour #4.*

Mark Baskins Buildings Description

The Mark Baskins Buildings Tour is a combination of 4 buildings from the early 1900's in downtown Fresno. There is a vintage Rio Bravo Gas Station on one corner and an old Boxing Gym on another corner. Mark has restored a building that was the 1924 Murray Ice Cream Factory, including a basement. Mark has been compiling advertising memorabilia for years and bringing these buildings back to their original state to create a fun atmosphere. Come see his car collection and some of the historic buildings in downtown Fresno. *This location is only included in Tours #1, #2 and #3.*

1950's House Description

A visit to the **1950's House** is like stepping back to 1950 and walking into your childhood home. You will be amazed at the attention to detail the owners have taken for your enjoyment. This incredible property has the "period correct" furniture, appliances, televisions, all the way down to the decorative items on their coffee table. The fascinating thing is that the couple actually lives there everyday! Look forward to seeing their beautiful cars in the vintage garage and large antique filled barn. And, definitely don't miss the authentic Tiki Bar! You'll think you are in '50's Hawaii. *This location is only included in Tour #1.*
