

ORANGE COUNTY CHAPTER  
MODEL A FORD CLUB OF AMERICA

There is no #4

Volume 1, Number 5

8 October 1962

First of all I would like to apologize for the last edition of the paper. We couldn't get the edition out in time to reach you in time for the meeting so we cancelled it out.

Next meeting is 11 October, Izack Walton Club House, 1714 West Santa Clara St. Santa Ana. Time, 7:30 P.M.

We had 5 Model ~~KKE~~ A's and 10 people at the Lan: Beach Straw Hat Day event. Gene Howell and Larry Hall won first place in the wheel changing contest and were awarded the "Crooked Crank Award" for the remainder of the year.

At Idillywild, Melvin Howell and his wife took first and second place respectfully in the "Blind Driving Contest". Orange County was well represented by people but few cars.

Our fashion show which was presented by Goodwill Industries was very well received by 120 or more people who attended. We had many compliments on it and also the fine group who furnished the music for the song fest. Mrs. Corvin opened the show with a talk on "Serving the Handicapped" and the background and purpose of Goodwill Industries. I can't begin to name all the models and all the others who gave so freely of their time and really helped to put this show across but the club does wish to say, "Thanks so very much".

Welcome to the club, new members, Art Gertz, Larry Hall and John Tullius. Can we get 35 members by the end of the year? We can if everyone tries to get a new member.

This meeting will be our nominating meeting for officers for next year. We will vote at the November meeting. Be sure to be present at both of these meetings.

Mr. Bob Painter will give us a talk on parts and catalogs on Ford Automobiles at this meeting. Here is the chance to get in your questions to a person who has many years of experience in automotive parts. Also we should have slides to show of the Idillywild and the Long Beach events.

The big Auto Show at Fallbrook is scheduled for November. Are you going? This is a real event to see. You can really see some sharp "A's" as well as classic cars at this meet. We should have a grand turn-out for this. Can we get a group participation to make the trip together on this day? Make plans now to see it and pack a picnic lunch.

See you at the meeting, 7:30 P.M., 11 October at Frank Walton's.

H. W. SMITTY Smith  
Publicity Chairman
