

31 October 1962

Volume 1, Number 6

The Club has done it! I don't know what to think or what to say, but it only goes to show that it can be done. Have you heard? Well really, good news should travel real fast. We now have 38 members in our club. Yes, all you good members real soon to work to help put our club across. I was hoping to get only a total of 35 members by the end of the year.

Welcome to the club, Vernie Morrison, sorry I missed you on the last paper, Bob Pointer, Joe Hall, Phil Johnson, Bob Marshall, Charles Stumpf, Gary Jacobs, Roland Ferris, and Greg Morrison. Vernie joined in September and the rest at our October meeting. Visitors at our last meeting included Mrs. Joe Eatherton, Mrs. Mary McCoy, and Joe Eatherton Jr. I'm sure I have overlooked some visitors at our previous meetings, but I have not omitted you intentionally, they have not been given your names. Please come back and visit us again. Our visitors are always cordially welcome.

Attention, all members. Our general meeting on November 8th is election of officers for next year. We should have a quorum at this meeting. If for any reason, you cannot attend please mail the ballot enclosed with this news letter back to M. E. Smith, 105 South Douglas St., Santa Ana by Tuesday, 6 November. Your letter will only be opened at the meeting when elections are held.

Nominations for President are I. Van Gundy and Joe Eatherton; for Secretary: George McDougall and Doris McCoy; for Treasurer: Gene Robinson and DeForest Pepper. Nominations can still come in or you can write-in

favorites for next year. Please vote for your club.

The time is 8 P.M., the place is near the In, the address is 1 block east of Grand Ave. on East 1st Street, Santa Ana, the date is Sunday, 4 November. In case you have not guessed, it's our get together for the trip to Fallbrook as a group. We should have a good turnout so bring the A, some lunch and hats on. Oh yes, don't forget the wife and children. Here's an excellent chance to get some good color snap shots of some beautiful cars, so don't forget the camera. If you want to contact us thru at the office, there is a telephone booth handy, the number is KI 2-9279.

XXXX

-----See you at Fallbrook - - - See you at the next meeting - - - - -

At our September meeting, Mr. Bob Bain presented an interesting talk on parts and prices of the Model A with bringing in some of his personal copies of Ford Manuals. Par books for us to see. Mr. Pointer is well versed in the parts and he has worked for one of Orange County's Ford dealers for quite a number of years. He joined the club at this meeting. Glad to have a well liked man in the club. Thanks for the nice talk, Bob.

To the new members of the club and a reminder to our old members, the club has many book and publications, parts, tips on restoring, parts available and where to get them, and some special tools to use. These are available to club members. If you wanted to buy the same books the club now has for your own use, it would cost you at least \$20. The same amount of money will buy you membership dues for quite a few years.

What would you like to see the club do this year? Do you have any special projects you would like to see us start on? Do you need help on fixing your A? All it takes is a word at the club meetings or drop me a note so I can put it in the plans for next year. Lets get started and

See you at Fallbrook, but if we can't see you there, be sure to be at 1714 West Santa Clara St., Inglewood on our House, 7:30 P.M., 8 November for our next meeting. Electric motor for next year. Happy restoring!
