## MEETING

It's meeting time again everybody.

TIME: 7:30 P.M.  
DATE: Thursday, January 9th, 1964  
PLACE: Izaak Walton Club House

\*\*\*\*\*

## ECHOES OF DEC. 12TH MEETING

Yes, it's official, your officers for the coming year have been selected, and the selection seems to have been performed with obvious concern on the part of our voting members. You'll see what we mean as we introduce:

- President----- Joe Eatherton Sr.
  - Vice Pres.----- Les Scott
  - Secretary ----- Gene Robinson
  - Treasurer----- Rosemary Baudino
  - Activities----- Roland Ferris
  - Tech. Advisor-- Mel Howell
  - Editor----- Your's truly Mr.Tulip
- with a special thanks to Tillie Jones, Publisher.

GOOD LUCK GANG.

One chuckler of that meeting was this, the "Henry Ford Reject" of the previous meeting arrived under it's own power (remarkable) and sans deck lid, but it's owner, friendly but contrite Mike Pickett quickly defended his "Old Faithful" by saying he had fixed the notorious duo-lamp.

\*\*\*\*\*

## ATTENTION CHEAPSKATES

Dues were upped a wee bit to \$8.00 per year, but good grief, look what you get out of this paltry sum, \$3.00 goes to our local chapter, while the remaining \$5.00 goes to our national club. This means you will receive your Restorer Magazine bi-monthly. Some of us have advocated this move for sometime now, since we felt it would bring us all into our national club, to whom we owe so much.

\*\*\*\*\*

SHORTEST DISTANCE OF TIME  
THE TIME BETWEEN WHEN A  
SIGNAL TURNS GREEN AND THE  
FELLOW BEHIND YOU HONKS...

MR. TULIP

\*\*\*\*\*

## SCOOP! GOOD NEWS; SWAPMEET

Remember the great swapmeet we had about a year ago at Chief Charley Downs place? Well this little ditty is to be repeated Jan. 19th, 1964 at the Chief's place, 12552 Josephine, Garden Grove. According to Charley, the only difference will be the added attraction of hot coffee. So bring your junk (oops) 'A' parts, arrive about 10, and leave when ready.

\*\*\*\*\*

## CONDENSER

I've written the following lines, for those of you who are not familiar with the work of the condenser. The condenser is a newsletter for the specific purpose of informing all So. Calif. subscribers of coming events, swapmeets, etc.

It's communication between clubs creates a network of information which brings all of us and our activities closer together. So why not try it out this year. It's only a dollar per year.

For information call or write:  
Jack Hilton, 1018 W. 20th St.,  
Santa Ana, Calif. - KI 7-1829.

\*\*\*\*\*

## THANKS TO BILL VAUGHN

A full year has elapsed and to my knowledge not word one has been emitted about our past president.

Congenial Bill Vaughn is a native of Oklahoma and came to Orange County 15 years ago, where he lives with his wife and two daughters.

His handling of club business and various other extra curricular activities should not pass without some high praise.

One more thing being a true lover of the Model A, Bill drives his own little dandy, a black '30 coupe every day.

to and from work. An ideal president was Bill.

Thanks and good luck from all of us.
