CALENDAR POSTSCRIPTS

The May meeting will be preceded by a potluck dinner. Come early (things will be rolling by 6:30), and bring your favorite dish (food, that is!)

JUNE 6 is the big one -- our own club Swap Meet at the Santa Ana Bowl. Get busy now and start shining up those goodies that are cluttering up the garage.

LAST YEAR we won a prize at the Strawberry Festival Parade. So-o-o, let's shine 'em up pretty for this one.

THE PREZ SAYS.... by Gene Robinson

Once Again our capable Activities Chairmen Sally Lindman did a bang-up job on our first breakfast of the year. See Rosemary Baudino's article in this paper for all the details.

I attended the first Roundup Committee meeting at Richard and Jeannie Parrish's home the other night. Plans for the Roundup are off to a good start. Richard has been in contact with the Head Honcho at Knott's, getting the date and location in the Farm fixed.

 NOTE  If you are unable to attend our monthly meetings, or know someone who is tied up on that Thursday night, but is still interested in keeping up with Model A activities, here's a deal. We will mail any interested non-member a copy of The Distributor every month for a year - the low, low, price (to cover postage) of \$2. Checks should be payable to Orange County Model A Ford Club.

The May board meeting is at Bob and Peggy Tryman's, 10001 Sophia Circle, Cypress.

Planning to make the Yuma Tour? There will be a planning meeting for the tour at our house, 291 N. Maplewood, Orange, on April 15 at 8:00 p.m. If you haven't made up your mind yet, come and let us persuade you! Jack Dierberger is handling reservations.

Welcome to our newest Model A members, Chuck and Gail Hammell, Anheim, and Gary and Sheri Yost, of Stanton.

This month we're going to cover the Judging Sheet for a fashion contest. The Yuma Meet will probably use this same system. I hope we can have a good turnout of costumes this year at Yuma, and perhaps even bring home a trophy!

1. Fashions are judged on authenticity, condition, effectiveness, tasteful coordination.
2. Completeness of costume is a prime factor.
3. Judges may question participant, ask for a closer look, or rejudge in case of tie.
4. The judges' decisions are final.

CATEGORIES TO BE JUDGED	HIGHEST POSSIBLE SCORE
A. MAJOR GARMENTS Women - dress, suit, etc. Men - suit, sports outfit, etc.	30
B. CO-ORDINATED APPAREL Women - coat, fur scarf, etc. Men - shirt, tie, topcoat, etc.	15
C. HEADGEAR OR HAIRDO	10
D. FOOTGEAR	10
E. ACCESSORIES Women - purse, gloves, jewelry, eyeglasses, etc. Men - cane, gloves, eyeglasses, watch, etc.	15
F. OVERALL APPEARANCE	15
G. HISTORICAL INTEREST History of authenticity, comments on acquisition, etc.	5

TOTAL SCORE 100

HOMESICK?

If you are homesick (home and sick of it!) how about joining the Yuma, Arizona Tour May first and second? The weather down there is guaranteed to cure what's left of your (or the ones you acquired) after that long ride in your A. So far, the Robinsons, the Twymans, the Dierbergers, the Peddicords, the Pittmans, the Eathertons, the McClintocks, Stu and Beth Sales, Steve Kannard, and the Boefs are scheduled to head off into the Mojave toward Arizona. It sounds like a real fun week-end, so we hope to have a big turnout. Check Gene Robinson's column for more information.

LARRY'S COLUMN by Larry Boef

The Board of Directors wish to thank all the members who turned in so many fine designs for our club badge. While no winner has been chosen yet, the badges ought to be ready for sale in another couple of months. Several members are now investigating the best source for them.

How many noticed that our club Prez isn't on the Roster? Didn't you pay your dues, Gene, or are you just bashful?
(PRINTER'S NOTE: We paid, axreddy!)

Recently I got a peek at Andy Baudino's '28. The paint is done, and by press time it will be at Earl Mitchell's for upholstering. Believe me, this is going to be a tough one to beat. I hear tell Andy even has some new fenders lined up. Maybe Sally Lindan can give him a hand removing his old left rear fender?

Covered or not covered? that is the question. At last report the club liability policy is in effect. Remember, this does not take the place of individual liability policies which each member must have on his own car before he can participate in club activities.

OH, THOSE EATHERTONS

Joe Sr.: If an athlete gets athlete's foot what does an astronaut get?

Joe Jr.: Missile-toe.

FLAPJACK FACTS

APRIL TOUR

The March 21st breakfast was a real smash. Chief Cook Hasenphlaugh put out a real good meal. The rest of the crew were kept busy most of the time. A big "thanks" to Sally, for she did all the hardwork. Thanks also to the rest of the Kitchen Krew, consisting of myself, Andy, Beverlee and Ed Bond, Betty Eatherton, Roland Ferris, Gayle and Dorothy H., Peggy Tryman, Chuck and Gail Hammell, Bill Vaughn, Jeremy and Andy Janss. We even had baby-sitters, huh, Parrish?

We were glad to see members of other clubs come. We hope to see them next time, and to see others in their club.

Not as many of our own club members attended this time as usual. Those of you who missed it lost out on a good breakfast and lots of fun!

P.S. The Club Coffers were enhanced to the tune of \$59.99 (give or take a penny), revenue from the breakfast. We are planning another breakfast on September 19. This time tickets will be sold in advance, as this will be our last fund-raising campaign before the Roundup.

WANT TO WIN \$1 MILLION?

Well, you won't win it in this contest. But we are giving away a fine reproduction of an original sales catalog, by Paul Peterson, as first prize. What's the contest? A gigantic membership drive, to fatten our Roster. The winner? The winner? The person who brings in the most new members during the drive. Now, isn't a sales catalog almost as good as \$1 million?

THE TREASURER REPORTS

Gayle Hasenphlaugh reports that all the memberships are apparently straightened out with National. If anybody hasn't yet received his Restorer, please let Gayle know at the April meeting.

Last meeting John McCarthy gave us a real fine pitch on the Cavalcade of Wheels at Newport Dunes on April 11. We've decided to make this the official club tour for April. The entry fee is \$2.00 for the family.

We'll see you there, everybody.
P.S.: Don't forget to shine your spokes!

NOTICE WIFE TRADERS

Or Model A swappers. We need classified ads. The ads are free -- what could be cheaper than that? If you have everything you need, or need everything you have, how about that fellow up the street with parts for sale? Or the one who's looking for an A? Get all itads in to Editor Larry Boef or Publisher Mary Robinson at least a week before the meeting, and you'll have the thrill of seeing your name in print (or your wife's, if you really plan to trade her!)
