BABY WENDY

Yes, folks, she made it at last! Little Wendy Lindman is our youngest member, and it's high time she got here, too! Congratulations Sally and Rags.

THANK YOU

Thanks to everyone in the club for the shower given for me and Carolyn D. recently by Rosemary Baudino and Myrtle Ferris. A special thanks for the lovely gifts for baby Wendy presented by the members.

Sincerely,
 Sally Lindman

THE PREZ SAYS.....

by Gene Robinson

Half of the year is gone already. I feel that we have had a very successful first six months -- let's all do what we can to make the rest of the year even better.

My continuing thanks (and that of the whole club) for the very good refreshments lined up by Beverlee Bond, and served at our Thursday meetings by Helen Downs and crew.

If you or anyone you know has special knowledge on any aspect of the Model A, from re-building water pumps to joining the club, please talk to Andy Baudino. We would like to hear about how you found your car, problems in restoring, before-during-after pictures, etc.

Speaking of photos, our historians, Stew and Beth Sale, need pictures and articles from the newspapers of any of our past activities. And please pass along anything about the club you might read in your local paper. And have you any spare photos of club members and/or events we might put in our book?

The Orange County Chapter has been steadily growing all year. There are 45 families on the new Roster in the back of this issue. Also a warm welcome to the following brand new members:

Bob and Rosemary McDaniels, 1302 N. Sacramento Orange

Bob and Betty Graves, 7761 11th, Westminster,
 Joey Balthazar, 105 Wilkin Way, Anaheim.

The next Board Meeting will be held at Larry Boef's on July 23rd.

NEW FEATURE ! !

We are beginning a series of "Tom Swifties" this month. Can you contribute any?

"I'm just not used to driving a Model A," said Tom Swift automatically.

"I have a perfect safety record with my Model A," said Tom Swift recklessly.

DYNAMIC DIRECTORS IN ACTION

The last month's Board of Directors meeting began at the Dierbergers, with Prez Gene explaining to a traffic officer outside just why he doesn't have a '65 sticker on his license plate. When we finally got down to business, these were the major topics:

1. We plan to get out an information sheet for new members, to help them get acquainted with the club aims and projects.
2. The badges have arrived and all members and their families can purchase them for 75¢ each. Anyone not wearing one will be charged 25¢ per meeting.
3. Our treasury stands at a fat \$553.53, and would be even fatter I understand, if somebody hadn't dumped a wiener into the coffeepot at the Swap Meet.
(--NOTE--There were not wieners in the coffee! Somebody just said it tasted that way!)
4. The rest of the Happy Hour was spent feeding Sally's baby and discussing the upcoming club events.
5. P.S. The Board wishes to thank Mary Robinson for re-painting our club banner.

ANYONE FOR THE BLOODMOBILE ?

If you have a pint or so of blood you're not using this month, Carolyn Dierberger could use it!! Actually, Carolyn was given considerable blood during her last hospital stay, and this must be replaced in the Orange County Bloodbank. If you would like to donate, the Red Cross Bloodmobile will be at:

Anaheim V.F.W. Hall

805 E. Sycamore, Anaheim, on

FRIDAY, JULY 9, from 1:00 pm to 5:30 pm.

You can't buy this blood, it must be replaced. Don't forget to tell the ladies in white in whose name you are donating.

TURN TO THE LEFT, TURN TO THE RIGHT

Then turn to the last page of the Distributor this month, and see our brand new Roster. Save this, as it comes in mighty handy when you need a club member in a hurry.

SO SAYS SALLY.....

A Monthly Activities Report by
Sally Lindman

Here we go again! I'm pretty tired of being an unactive Activities Chairman, so get out your calendars and check these dates:

Saturday, July 17, the club will tour to the Pan Pacific Auditorium to view the Antique Auto Show to be presented by the Horseless Carriage Club of Southern California. We will leave from Fashion Square about 10 am. Theme for the event is Milestones in Motor Cars. Following the show we will gather for something to eat at a nearby restaurant. If we get 25 or more of you to bring your money to the meeting this Thursday, we can get tickets at a discount. Please bring your money -- it's \$1.50 for adults, 75¢ for kids from 6 to 12, under 6 free. Prices at the door will be \$1.75 and 90¢.

Sunday, August 1st the whole family will gather for a tour to the Arboretum in Arcadia. Children will love this place, and Gayle Hasenphlaugh tells us to take lots of pennies for the kids so they can feed corn to the animals. We will leave from Fashion Square at 11 am and have lunch there. BRING YOUR A!

Idyllwild, here we come! Let's make this year the biggest club turnout yet for the campout Saturday and Sunday, August 28-29.

Sunday, September 19 is our next yummy Pancake Breakfast, to be held again at Orange City Park. The menu is eggs, sausage, pancakes, coffee, juice, and old-fashioned maple syrup. If you're new to the club, or just haven't made it to any of our past breakfasts, this one is a must -- never such delicious food at such reasonable prices, or with such pleasant people.

SETTLED AT LAST

In their new home are Joe and Betty Eather-ton and family, at 1923 W. St. Gertrude in Santa Ana. Altho it took longer than they had hoped, Joe Jr. reports that the new home is a big success -- there's room for THREE Model A's in the garage!

THE WESTMINSTER PARADE

or

Orange County Does it Again ! ! !
by Steve Twyman

With the heaviest competition the club has seen this year, we came away from the June 19th Westminster Parade with first prize in our division. Nine cars participated.

The Ferris twins, Connie and Ronnie, carried the club banner, and did a fine job.

Svend and Jean Engedal had Pat Peddicord's beautiful A 400, and led our group. Next came Stew and Beth Sale in their coupe, beside Jim Dalton's '29 roadster. Following were Joe Eatherton Jr. with his sedan and Brian Lynn and his victoria. Next came the Robinson's town sedan and Gene Howell in his coupe. Bringing up the rear were Peggy Twyman in their green pickup, and Pat and Larry Beef's coupe.

The parade raced down Westminster Blvd. at a blistering pace of 5 miles per hour or less, mostly less. Most of us assumed that Brian Lynn was just trying to save his gasoline, as he had Gene Robinson push him the whole length of the parade. We later discovered that he had actually had mechanical difficulties.

Traveling through shouting and applauding crowds, Jim Dalton was backfiring his engine, all our horns were blaring, and the Twyman's explosion whistle was exploding and whistling. Larry Beef complained his ears hurt.

In spite of sore left legs and sore ears, we all made it successfully to the end of the parade route. Our thanks to Stew and Beth Sale for heading the parade committee, and all who participated.

WHOOPS ! !

New member Bob McDaniels snapped a fan blade the other day as he was driving the freeway. One blade broke off, and put a crease in his hood, fortunately missing the radiator.
MORAL: Check those fans! If they're cracked, repair or replace them. Play it safe!

SOMETHING OLD, SOMETHING NEW

Gene Robinson's battered and blue -- or almost. It seems that our club prez recently acquired a '29 closed cab pickup, without the blessings of his better half. Mary assures me that Gene will be out of the dog house in time for Thursday's meeting!

* * * * *

"Do you think that's really a rod knocking?" asked Tom Swift internally.

"Well, I've rubbed out all the Paint," said Tom Swift barely.
