Gary Bond, 897-9462.

THE PREZ SAYS.... by Gene Robinson

Many thanks to Richard Parrish for organizing that enjoyable tour to Cal Poly on February 21st. Check Harriett Green's article in another part of the paper for details.

Bad news: our liability insurance has been cancelled. I phoned Lambert Dial, National President, and he explained that when the National Board first looked into this, they were assured that every chapter in the U.S. would receive the same coverage. Varying insurance laws thruout the country made it impossible to meet our needs, so the policy was cancelled. They do have other iron in the fire, however, and I hope we can have something else soon.

Good news: our big Swap Meet is firmly scheduled for June 6th, at the Santa Ana Civic Center where we had it last year.

The night Poker Run has been postponed till later in the year when it's warmer.

Any more entries for the new club badge? Bring them to the March meeting. Remember, a prize will be awarded.

Bring your dollar this meeting for the Condenser -- you don't want to miss tour and swap meet dates of other clubs this summer.

A special welcome to our newest members, Steve Kannard and Stu and Beth Sales.

Next Board Meeting is scheduled for **March 25** at the Baudino's, 926 N. Bewley, Santa Ana.

LARRY'S COLUMN

Our February 14th swap meet at Downs's was a big success. Yours truly arrived just in time to see Prez Gene leaving for a second load. When John Shattuck arrived, sales were so brisk he could hardly unload his goodies before they were snapped up. Jim Dalton even snapped up the replica 1899 Packard.

Joe Batherton Sr. and Gene Howell, over in one corner, did a real tremendous business. Sample: GENE: Joe, how much for those springs?
 JOE: Shucks, take 'em, I'm going right from here to the dump anyhow.

We even saw Harold Looney from Vintage Auto Parts buying goodies. P.S. Don't forget club members get a 10% discount at Vintage, in Santa Ana.

FOR SALE

- 1928 pickup cab, \$12.00
 - 1928-29 commercial spoke wheels (5), with tires, \$12.00
 - 1929 commercial rear end, \$15.00
 - 1925 front fenders, fair, \$5.00
- Ragnar Lindman, 500 S. Illinois, Anaheim,
 776-7588.

SO SAYS SALLY....
 A Report on Activities
 by Sally Lindman

The Pancake Breakfast will be held Sunday morning, March 21, from 7 a.m. to noon at the Orange City Park in Orange. Gayle Hasenphlaugh and Roland Ferris will be flipping the cakes, with Bill Vaughn and Andy Baudino turning the sausage. Invite your friends and neighbors. Charge is 75¢ for adults and 50¢ for children under 12. Be sure and come in your A, as there will be ample time for tire kicking.

A flyer will be coming your way soon with all the details.

Bernice Howell was honored on February 12th at a personal bridal shower given by Vina Howell and myself. Welcoming her to Model A activities were Mrs. Harry Metcalf, Rosemary Baudino, Louisa and Pat Pepper, Penny Vaughn and Carolyn Dierberger.

UP AND AWAY IN OUR MODEL A
 by Harriett Green

Six brave Model A's took off for our February tour to Cal Poly's Horse Show in Pomona, and it was really a "Grand Tour".

Dick Parrish found some back roads up, down, around, and thru some pretty canyons that even I didn't know about. We had to give Dick a push to get him out of the parking lot, and it must have been a good one, as we had quite a time keeping up with him. There was little traffic and no confusion.

The Horse Show was really swell; everyone sitting in the grandstand munching popcorn and drinking coffee. There was a sulky race, and after the time was given, I overheard from the popcorn gallery that a Model A could make better time than that, and that it sure would be fun to get two or three A's on that track for a race! Dreamers!

The participants of our 53 mile tour were Dick and Judy Parrish, DeForrest and Louisa Pepper and their family, Gene and Bernice Howell, Bob Pittman and his girls, Gene and Mary Robinson and family, Andy Baudino and Cary, and the Greens, Herb and myself, bringing up the rear (as usual).

We went over La Habra Heights to Pomona Valley, and came home via the Pomona-Chino cutoff. And that ended the hill climb for this season.

GET WELL!!!

Lyrtle Ferris is home again after surgery. Flowers were sent from the club. We sure hope she's up and around again soon. With all their family, Roland's probably hoping the same thing!

NOTED AUTHOR IN THE NEWS

Carolyn Dierberger, wife of our club secretary, and author of our monthly fashion column, is home again after two visits to the hospital. The first visit produced Timothy Allen, and the second produced a sore leg. Later surgery may be necessary, but we all hope not. Congratulations on your husky new arrival, Jack and Carolyn.

THE WELL-DRESSED
BACK SEAT DRIVER
by
Carolyn Dierberger

Co-ordinated apparel in clothing includes coats, fur scarves, gloves, and such for women, and shirts, ties and topcoats for men. Wearing such accessories generally causes a high score in fashion judgments because it usually completes the costume.

Women's coats had minimal or no fastenings and often had to be held in a wrap-around position. They were often furred, the fur being of short hair, and raccoon was not much used except for college sports. Fur scarves were good, especially luxurious fox with head and tails, and even paws.

Men's topcoats were straight. They might boast velvet or even fur at the collar. Shirts were inclined to have pointed collars and for evening, stiffened bosoms with studs and wing-spread collars were worn. Bow ties for tuxedos were black and rather large, for tails were white.

Next month we will cover the judging sheet for a fashion contest. This should be of special interest to those who are planning the Yuma trip, since it will give you some idea of the way your clothing will be judged.
