It was about one year ago that Stew S Sale received his greetings from the President and was called into the Army. After spending the past year in North Carolina (and learning that Southern Drawl real well I understand) he, Beth and Kids are home now and getting resettled in good ole Orange county. Stew is on leave now, before reporting to be reassigned in Vietnam for the remainder of his tour. They plan to be at our meeting this month and at the Idyllwild Campout and I am sure that they are looking forward to seeing all you Orange County Model Aers again.

Well, the month of July was sure a busy one. We had a couple of good tours even though we didn't get the turn out that we had expected due to vacations and etc. But the ones that turned out had a really good time, even in all the heat. The Paradise Valley Bar-b-Que and the Baldy Hill climb were better than ever. Remember you don't have to have your Model A running to go on any of these tours. Bring your Detroit Iron and come along. But if you do have an A running we want and encourage you to drive it. Come on you all and join in on the fun!!

If you weren't at our July meeting and haven't heard the news, Orange County has been honored again. Richard Parrish has been named chairman of National Nominating committee for the National Board. We have received in the mail from Richard, applications for those who feel qualified and want to run for the national board. For any of you who wish to be nominated we will have the applications at our August meeting. These applications must be filled out and returned by Sept. 19, 1969. It would be nice to see another Orange County member on the national board.

We still have two large events left yet to put on this last half of the year, our Fall pancake breakfast, and of course the BIG ONE, the Round-up at Knotts Berry Farm. As in the past to make these meets successful, we will need a lot of help from all of you members. So don't be afraid to raise your hand. By the way, have you sold all of your tickets on the color T. V.

set to be raffoled off at the round-up?? You say you haven't!!!! You best get busy. Remember these tickets WILL NOT be sold on the day of the round-up. You can turn in your money and ticket stubs to Betty Eatherton at our meeting this month. Let's get busy now!!

Board meeting this month is on Aug. 28th at the home of the Vaughn's 1419 E. Oakmont in Orange. Be sure and let the host know if you plan to attend.

Remember, don't miss any of the fun. Try and make all of our outings and meetings. See you all at the meeting on Aug. 14th.

I would like to thank everyone who went to the Paradise Valley Bar- B-Que on July 20. We had a real good turn out and everyone really seemed to enjoy themselves. Also a big thanks to all of you who went on the Pomona Valley Mt. Baldy Hill Climb. We had five, almost six, Model A's, with Richard Krist taking first place trophy for the driving events.

PARADISE VALLEY BAR-B-QUE
by Pam Heiland

It was a warm day in July when a happy group of 1000's took off from the Hyatt Coffee shoppe for the 4th annual Paradise Valley Bar-B-Que, after watching Suzie Vaughn eat her Hot Fudge Sundae for breakfast. We were ready for anything!!!!

We all got to Lyttle Crook Park in San Bernardino (starved to death as usual) with no mishaps.

The first activity of the day was the gymkhana which had a very definite western theme, what with calf roping, horse shoeing, and branding irons. Next we all enjoyed the most delicious western Bar-B-Que this side of New York. After stuffing ourselves till our eyes bugged out, we all watched the foot races, wheel barrow races and egg throwings. About this time the clouds opened up and graciously bestowed a rain storm on us so we were all nice and sticky.

At the awards presentations we found out we had lots of hidden talent. Shelly and Kelly Antonacci won second place in the egg throwing contest. By the time they were through we were all swearing the eggs were either hard boiled or made out of rubber, but they weren't! Kelly also won first place in the kids foot race (ages 3 to 5 years).

We had three third places in the gymkhana and one fourth place. Third place ribbons went to Don Antonacci for the "calf roping", Jim Douglass for the "Branding Iron", and Jon Heiland for the Horse shoe Event". Don also won the fourth place for the "Dinner Bell" event in which he displayed his fantastic grace and unbelievable speed.

We had the biggest group in attendance which is par for the course for Orange County. And, as usual, we probably had more fun than anyone else there. If you missed it this year, don't be left out. Plan to go next year and have the time of your life!!
