FROM THE KITCHEN TABLE
by Pres. Jim Douglass

Well, here it is the first of July, and half of the year is past, but not forgotten. We have had very good turn outs on all of our activiters so far this year and there still are alot more planned for the rest of the year. If there are any other activities that you would like to see our club have, let any of the board members know and we will try and arrange them for you. Remember, this is your club, join in on the fun.

The date of the Round-up is only three and a half months away and Richard Krist is busy planning for the big day. This year it is going to be bigger and better than ever. We can always use more items for our goodie bags, so if you have or can get anything be sure and let Richard or Joan know. We already have had between \$80.00 and \$100.00 turned into Betty Eatherton on T.V. raffle. How are you doing on selling your tickets?? Now is the time to start selling them, so lets get busy. You can turn the money and ticket stubs into Betty at the meeting.

Our club tour rules should be ready to havd out at our July meeting. Jim Buford did a lot of checking and has come up with a set of rules that best suits our club. Jim and Claudia have just recently moved up to Auburn, Calif., but they promised that they are going to keep in touch with us and will be dropping in on us from time to time. Thanks again Jim.

Board meeting this month is on July 31st at the home of the Eathertons.

Don't miss any of the fun. Come to the meetings, join in on the activities. See you all at the meeting July 10th.

Paradise Valloy is having their 3rd annual Bar-b-que at Lytle Creek Park in San Bernardino on Sunday July 20th. In the past it has been a lot of fun. If you missed this one you still have a chance to get in on the fun. From Good Housekeeping-
January, 1930

"Evening clothes offer a wide selection to choose from. Some are excessively long; others are more conservative, as shown in the Doeillet-Doucet model of *les surs marocain* above, which is short in front + back with long panels at the side draped at hip giving a more formal appearance. The square decolletage is low back and front."

RELAXING WEEKEND?
by Bev. Marsh

The camp-out at Fisherman's Retreat was a fun time for all the seventeen families in attendance. There were: the Heilands, Vaughns and Janey, Douglassos, Karen's friends Marlene and Gary, Antonaccis, Earlys, Boefs, Eathertons, Kristis, Parrishes, Baudinos, Grunklees, Marshes, with Alexanders and Zaleskis, Lee Ashborn and his friends Woodie and Jack, Saezs and our new members the Stevens family. Lee, Maynard and Andy Saez had the only "A"s in attendance.

The camp grounds were very nice and weather was comfortable. Friday was camp-setting up time for most, and later on a good time was enjoyed around the campfire. Saturday morning saw some of the members going horse-back riding and later, many of us went cherry picking in Beaumont. Many fished, some played volleyball and the rest "just loafed" the afternoon away. The evening once more found us around the "old campfire". Special entertainment was provided by Larry's dance demonstration and refreshments were made and served by "Dom- the Popcorn Man". Sunday found us all tired but happy, heading home from our weekend in the wilds.
