FROM THE KITCHEN TABLE OF THE PRESIDENT

By Jim Douglass

Well, Orange County has done it again! This year, as in years past, our Round Up has been bigger and better than we could have ever hoped for. I wish to personally congratulate and thank our Round Up Chairman Richard Krist and his many able helpers who worked real hard to make this meet the success that it was. We had alot of compliments on how smooth the meet was run and how well the judging was handled. We had several inquiries about Richard Parrish color code judging system which makes the meet run so well. It seems other Chapters want to install this system of judging at their own meets. A BIG thanks again to Richard Krist and all your helpers on a great Round Up.

It's that time of the year again to select 3 new board members for the coming year. Our nominating Chairman Joe Eatherton has eight well qualified candidates running this year. Your ballots are a part of this paper. detach them and select 3 people and a president (from the three you selected and the three remaining on the board. Bring the ballot to our Nov. meeting. If not brought to the meeting, please mail them to Joe Eatherton before Dec. 1st. Results of the election will be announced at the National Banquet on Dec. 6th

Speaking of elections, Don't forget about the National Board Elections. Our own Larry Boef is running this year. So you all know, Larry is well qualified and it would be an honor to have another Orange County member on the National Board

Our last club outing for the year is Nov. 30th. Jon Heiland has planned another Poker Run for us. See Jon's article for all of the details. From what I hear, Jon is planning a real tough one for us this time. These Poker Runs are alot of fun, so let's all get out and enjoy this one.

Yes, we are going to have our Adult Christmas Party this year. Sandy has been working hard on this party and it should be a great way to end the years activities. As of now, not everyone has their tickots. The price is \$6.50 per person. This includes dinner, door prizes, dancing to a live band, tax and tip. So we are short of what we guaranteed, please see Sandy and get your tickets now before it is too

Our December meeting will be our kiddies Christmas Party, Complete with Santa Claus and all the wrappings. Jo Ellen Elliott has volunteered to be in charge of it, or should I say the board volunteered her! So make sure you bring all the kids to the Dec. meeting.

Next years dues will soon be due and can be paid anytime from now until the Feb. meeting next year. Dues are \$5.00 for local and \$5.00 for National. Avoid the last minute rush and pay them now.

Don't forget to vote for both our Orange County Board and the National Board. See you all at the Nov. meeting on Nov. 13th and the Poker Run on Nov. 30th.

AND AWAY WE GO
by Jon Heiland

Our activity for November will be a poker run. It will be held on Nov. 30th. The starting point will be Bullock's Fashion Square parking lot, in the back. Registration will open at 10:30 a.m. and will be closed at 12:00. The cost will be \$1.00 per poker hand. There will be three prizes for 1st, 2nd, and 3rd place and one hard luck prize. We hope to see a big crowd out for this event because the more people there are the more fun we have. So bring your Model A or your Detroit Iron and your family and come prepared for a day full of fun and good fellowship.

LUCKY "7th" LANDING
By Richard Krist

First off, I would like to thank everyone for their help on the Round Up. All of you worked very hard, we had just a few little problems but as you all know it was one of the greatest.

We had 153 car registrations. We paid out \$832.38 and took in a total of \$1,223.25 giving us a net profit of \$390.87.

Orange County trophy winners were A. Baudino, D. Mc Nabb, M. Grunklee, H. Lambke, A. Saez and myself. Please bring your trophies to our next meeting.

Congratulations to Joe and Betty Eatherton, the lucky winners of the color T.V.

Thanks again to everyone for making the Round Up a success.

NUTS AND BOLTS
by Maynard Grunklee

Here are a few tips that may work for you: Remember the C engine we talked about, had so much trouble with etc? the last problem was a continuing loosening of adjustable tappets. Rather than replacing these affending tappets, our future board member and myself decided one last resort. after removing the side plate we turned crank shaft until we could turn adjustment way out. Then a few good raps with a cold chisel on the threads, then turn down again to the proper clearance. Now that was 300 miles ago and tappet noise is still absent. Understand, this may or may not work but if it doesn't, you were going to replace anyway if noise couldn't be stopped.

Last weekend a trip to Frazier Park shows what we need in our individual cars in way of parts. First of all lets everyone be sure, don't forget the tools. last we could have used a ammeter. I changed a cut out after getting home. It ran down the battery. Points are always good to have as is extra water and oil on high mountain roads we wore on. That's all for now!

HAVE A HAPPY
TURKEY DAY!

BLUE SKIERS OVER FRAIZER PARK
by Sherrie Hemelstrand

The Bakersfield tour was a real big success. Orange County was there with eight Model A's for best participation. The gymnastics events were great with most of the trophies received by who other than Orange County. The children won ribbons in the different relays so the entire tour was just wonderful.

The families who participated were: the Kristos, Elliots, Heilands, Antonaccis, Hemelstrands, Grunkloes, Douglasses, Vaughns, Lee Ashburn, Paytens, and Dick Brennan.

There was a pot luck in the lodge and no one held back in the least for the tables were covered with all kinds of delicious foods.

GOSSIP COLUMN

I don't have any gossip for this issue, I wasn't kept very well informed!!!!!!

FLASH!!!!!! I just got some information: The rumor is going around that Orange County is doing a show for National Banquet. It has been said that they are trying it with a new twist. Go to the National Banquet and see what is in store.

I am looking for an unusual or funny story on how someone acquired their Model A. If you have such a story or know someone who does please get in contact with me. I am also looking for some good suggestions for different articles to add to our club paper to make it more exciting. Have any suggestions? Contact me.

LINES THAT "DO THINGS" FOR LARGE FIGURES

SOFT, LOOSE LINES

You see them here in the bodice, and they actually produce a slimmer effect by keeping the figure lines vague. So you see, you can wear this modified cowl neckline with its jabot arrangement. The interrupted seam at the hip is for slinness, too. For 40, 43/8 yards 29 inch heavy Georgette. Designed for 34 to 44.
