MEETING MINUTES

July 9, 1970

Meeting was called to order by Karl Elliott Tech. Chairman. President Richard Krist was in Milwaukee for the National Meet.

Richard Krist and several of the members called from the National Meet. They were all having fun and a wonderful time.

Lu Saez was ill so Betty Eatherton was acting as Secretary.

Board Meeting minutes were read and approved as read.

Treas. report was read and the balance on hand was \$821.56. Treas. Maynard Grunklee was absent being in Milwaukee for the National meet also.

Robin and Doris Dunlap reported on the Fallbrook Meet. Maynard Grunklee won 2nd place in the Modified class.

Tam Heiland reported on the campout at Fishermans retreat. A wonderful time was had by all.

Coming Events:

July 19th-Paradise Valley 4th annual Bar-b-que tour will leave from Colony Kitchen at 9 A.M. at Tustin and Katella in Orange.

Aug. 14-15-16-Idyllwild Campout.

Aug. 30- Beach Party

Oct. 11-12-Bomona Swap Meet.

Board Meeting will be July 30th at Larry and Pat Boef's.

See Karen Douglass if you have any ads you want put in the paper.

Bill Vaughn made a motion to publish the Izaak Walton phone number in the club paper. Motion was seconded and carried.

Visitors were introduced and welcomed.

Entertainment for the evening was Bingo.

Robin Dunlap brought before the club about Checking into buying the color TV set at sears when they have the 2 for 1 sale.

Chris Welton and Van Currie made a hard luck trophy to be passed on each month.

CALENDAR

FISHERMAN'S RETREAT CALL OUT

By Betty Eatherton

I guess by now most of you have heard of the
wonderful time we had at Fisherman's Retreat.
If you missed the campout this year make your
plans now to be sure and go next year.

The following families wernt down Friday:Dunlap
Grunklees, Boefs, Douglassos,Saez, Early's,
Antonaccis, Vaughn's, Marsh's,Alexander's,
Arnolds,Eatherton Srs,and Eatherton Jr. Sat.
we were joined by the heilands, Dixons, Donna
Saez and Karen Douglass,Sunday morning Vivian
Tayton joined us.

Friday evening we had a bab fest around a
wonderful camp fire.

Sometime during Friday night or Early Sat.
morning a mysterious wind came up and the
Antonaccis now camper tilted.

Sat. we really didn't do anything but try to
keep cool. Man was it HOT!

You have heard the old saying "table hopping;
well we all changed it to "camp site hopping"
bringing our own dishes for home made ice
cream. Mmmmm good.

i won't mention any names but, one family even
brought an electric ice cream maker.

Another wonderful time was had by all Sat.
evening. Alice Dixon entertained us by playing
the organ and we all had a song fest. Thanks
again Alice.

Sunday morning we broke camp and started home
looking forward to the campout next year.

PARADISE VALLEY BAR-B-QUE

By Doris Dunlap

July 19th- The tour left Colony Kitchen with
six A's and 31 people. The Antonaccis,Douglass
Vaughns, Eathertons,Heilands, and the Mc Nabbs

Duke Early's A through a rod in Riverside and
was left to be picked up on the way back.The
food was delicious-Rodeo and games very enter-
taining.

Orange County walked away with 5 raffle winners
4 trophies, 3 of which Dom Antonacci won-It
might have been a slight compensation since he
threw a rod in Corona on the way home.

Sue Graves won 3rd place womens over-all
trophy which was really an accomplishment for
she only been driving the A for a week.

Bill Vaughn got the Jack of Diamonds prize-
which was a lube chart.

Jim and Pat Douglass had a lesson in Geography
when they stopped to tow Duke Early's car home
from Riverside. Duke should definately be nomi-
nated for the hard luck trophy since all
this happened on his birthday.

It was a good turn out for a vacation season
event and other than the bad luck and the

Dunlaps high water bill, every one had a good time.

THANKS DORIS FOR THE ARTICLE-ED.

Technically Speaking
By Karl Elliott

Taken from Ford service bulletins:

Sometimes owners experience difficulty in releasing the emergency brake lever after the emergency brake has been tightly applied. This is caused by failure to first pull the lever back slightly before pressing down on the release button.

The speed of the vacuum type windshield wiper blade can be regulated by means of the operating switch rod. For example, pushing the switch rod all the way in gives the maximum wiping speed to the wiper blade. Pushing the rod only part way in cuts down the speed of the blade so that it gives a slower wiping action.

The size of the crankshaft rear bearing cap oil pipe has been changed from 5/16" to 3/8". Increasing the size of the oil pipe allows the oil to drain more quickly from the main bearing into the oil pan tray especially in cold weather.
