YOUR POLAK PREZ

Richard Krist. (RAK)

It is an honor to be chosen your president for 1970. You sure are taking your chances having a pol. as your leader. I promise there will be no tours to Warsaw.

I want to welcome all the new members who have joined the club this coming year. There are going to be alot of outings and tours this year. Hope you-all can make them.

Speaking of joining the club, your 1970 dues should be paid no later than our Feb. meeting. Only paid up members will appear on the club roster and receive the club paper. See our Treasurer, Maynard Grunklee at the Jan. meeting-"Be a first."

The Christmas party for the kiddies went very well. There were cup-cakes, punch, ice cream, oranges, candy and of course, the man in red, Santa Claus. Very good. Thank you Jo Ellen. Just before the adult Christmas party, the Marshes had a cocktail hour and a half or more. There were plenty of goodies to nibble on and drinks, you wouldn't beleive.

Jim and Bev we thank you

Talking about Christmas parties, Sandy Antonacci, as usual, in her well organized manner had the Adult party at the Jolly Roger Inn. The three piece bank that Sandy got was great. the food was excellent and we all had a blast.

Job Well Done, Sandy

WHAT A WAY TO END THE YEAR  
by the Ed.

Well to start the night of the Adult Christmas party off right Jim and Bev Marsh invited everyone to their house for a cocktail hour before going on to the Jolly Roger Inn. The drinks were plentiful and the snacks that Bev whipped up were very delicious. Everyone enjoyed your hospitality thanks very much Jim and Bev.

Then everyone got in their cars and were on their way to the Jolly Roger Inn. It seems that they know Orange County pretty well over at The Jolly Roger, we were welcomed by very friendly hostesses. Everyon had a chance to get a drink and go around and mingle with the others and then we were served our salad and Sandy raffeled off some gifts. Then we were served our dinner. And beleive me the food was terrific. Just as everyon was finishing the three piece band that Sandy hired came in and began to set up. And before we knew it they had really got things rolling. Everyone was dancing up a good thirst and just having a goo time.

Then the outgoing President Jim Douglass had everyone sit down and take a rest while he gave some awards to the members of his board of 1969. He also read an altered story of the Night Before Christmas. After the awards were given out, Sandy took over and gave out some awards to the incoming officers, which the awards were candy bars with names that would suit the office held, like for the Treasurer-Jaynard Grunklee she gave a Payday candy bar. Very clever Sandy. Here raffle prizes were given away and we all danced some more. Then it was time to hand out the gifts that everyone brought. I understand that there were some pretty good ones. All I know is that I got gipped because some idiot wrapped a bottle of scope mouthwash and signed it the green phantom, I think that I'm being told something!!!!!! Oh! I forgot when Jim was giving the awards out there was a very particular award for Richard Krist the incoming President, which was a Polish shooting target gun, but it seems that the barrel was turned so it aimed at the person sheeting it now is that any way to treat a Polak, you bet it is!!!!!! We all received a free drink ticket and made a mad dash for the bar. Of course just because it was free didn't make too much difference, everyone was enjoying themselves anyway. The rest of the night was filled with merriment (?) and joy!!!! And we danced until our feet couldn't take it anymore. Everyone had alot of fun and we thank

you Sandy for such a good job on the adult Christmas party. THANKS ALOT SANDY.

## TECHNICALLY SPEAKING

By Karl Elliot

The Restorer often runs into a major problem when installing the rear spring. This can be done with little effort by inserting the spring into the rear frame member and installing one shackle complete.

Place a 2"x4" block under both ends of the spring. Use a hydraulic floor jack under center section of the rear end. Lace a chain over the top of the rear frame member and under the jack. Then bolt ends of chain together. As you jack the rear end up, the chain prohibits the frame from rising. The spring will spread to a place where the other shackle can be inserted and hooked up. Remove the chain and jack. By rocking the body on the top of the spring the center bolt head will drop into place in the rear member. Attach the "U" bolts and tighten securely. I hope you will enjoy this column every month during the coming year.

Here is a poem that I found in an old edition of our DISTRIBUTOR from 1964.

## SONNET TO A MODEL 'A' WIFE

Arise you model 'A' wives  
Give yourselves a rousing ovation  
We are the unsung heroes in the war of  
restoration!  
As we sit alone each night  
The end never seems in sight  
But when the final battle's won  
And your shiny Model 'A' is done  
Who sits proudly by her husband's side  
All thoughts are gone of patience tired  
We may not know a nut from a bolt  
But as we ride we take pride in every jolt  
So keep up the battle you Model 'A' men  
You'll find us waiting in the den.
