MEETING MINUTES

June 11, 1970

Meeting was called to order by President Richard Krist.

Treasurer Maynard Grunklee was absent, his report was dispensed with.

Board Meeting minutes were read and approved.

It was reported Beth Sale is doing fine, following her surgery, and she appreciated the flowers sent by the Club.

Activity Director Larry Boef announced dates of future activities. A beach party has been set up for August 2 and the Poker Run will be the evening of Sept. 13.

Pres. Richard Krist announced that all members are expected to get stuffers for the "goody Bags" for Knotts; we plan to prepare 200 bags.

Dan Gale of Pomona Chapter discussed and answered questions about a 1974 National Meet in Southern California. The membership indicated they would support such a venture. Betty Eatherton also spoke of what has been done so far to organize such a meet.

The Parrish's thanked the Club for the gift sent to Mark at the hospital and said he is slowing recovering.

All members and guests introduced themselves, followed by the raffle.

Jon Heiland showed films from the Bakersfield meet and of the fire at Vintage Auto Parts. There being no further business the meeting was adjourned. Respectfully submitted Lu Saez

PRESIDENTS POL

By Richard Krist

I hear the June campout was a real humdinger and Alice Dixon had her electric organ going for several hours. Sure am sorry we missed it and you can bet your sweet bippy we won't miss any more events in the future.

The Paradise Valley Bar-b-que is on Sunday, July 19th. Anyone wanting to tour there, contact Joh Heiland. You do not need a Model 'a' to go on tours.

And away we go, to Milwaukee. A few of us are leaving (have left or whatever) on July 2nd or 3rd, for the National Convention, of course chicken Grunklee and Marsh are driving their modern cars with air conditioning. Hope they make it!! Leo Ashbourne and us are traveling in style, MODEL A's.

Board Meeting, July 30th, will be at the Boef's add: 13221 Ranchwood S. A.

Onery Pol of the month: Jim Marsholewicz

See all of your nice people in a few weeks.

Aloha!

Do yourself a favor
 and drive your "A"
 more and come to
 more events. There
 are people watching
 each member to see
 who really does
 more than his share.
 It means a very
 good honor to - ?

Larry Doef says

"Gentlemen Start Your Motors"

We have a full schedule of events planned for "Summer Fun". July 19th we will have a club tour to the Paradise Valley Bar-b-que. We will be leaving as usual from the Colony Kitchen at Tustin and Katella at 9:00 a.m.

August 14,15,16- Idyllwild Campout in the mountains. Touss will be leaving Friday night. Time will be announced later.

Our Orange County Beach party will be on Aug. 30th at Doheny State Park(Same place as last year) Come as early as you want and plan to stay late. Hot dogs and buns, and corn on the cob, watermelon will be furnished. Bring your own drinks, sweets and sun tan lotion.

Also in the mill- Sept. 13th Poker run, Sept. 19th and 20th Rim of the world, Sept. 27th pancake Breakfast, and maybe a progressive dinner. We're also going to have some local Sunday afternoon tours to be announced from time to time. So.....if the old "A" isn't running- get busy or you'll be missing all the fun

See you there

Technically Speaking

Karl Elliott

Taken from Ford Service Bulletins

To secure maximum ventilation in lower part of front compartment the windshield should be opened 1½" measured from the knurled nut on the swing arm bracket to the slotted screw.

When changing a speedometer or speedometer cable time will be saved by removing the distributor from the cylinder head. This permits pulling the instrument panel back sufficiently to allow easy access to speedometer or cable.

Always make sure when fitting or indicating surfaces that the surfaces are absolutely free from dirt or foreign matter-even a small particle of dirt destroys alignment.

Instead of screwing out both clutch housing hand hole cover screws to remove the cover, remove only one screw and loosen the other, cover then can be swung to one side.

When lubricating the clutch release bearing hold the clutch pedal all the way down. This prevents the bearing turning while lubricating.

We're going to play Bingo at the next meeting. Instead of our regular gifts, Lu Saez thought it would be fun to have each family bring a "White Elephant" gift to be given as presents.

So dig in your garage and find something and wrap it up and bring it.

Thanks to Jon we'll have a lamp to bring! Happy Birthday to Dawn Elliott- July 23rd ad and Jo Ellen- 25th!

FALLBROOK

Lu Saez

June 14 dawned sunny and clear and three families met at the Colony Kitchen about 6:45 for a small tour to Fallbrook. Grunklees, Krist's and Saez's had clear driving that early on the freeway. By the time we got to San Juan Capistrano we needed a breather so stopped for breakfast(if you can call a hamburger breakfast, some do) Soon we were on the road again and arrived at the Fallbrook Meet about 10:00. After registering and parking we surveyed the Swap Meet and found other Orange Countians also there- the Paul Kagles, Mayfields, Lee Ashburn, and later on came Vivian Mayton, Dunlap and Mc Nabbs.

There were about 25-30 "A"s and 20-25 various other classic and vintage cars including some beautiful Continentals, and an outstanding Rolls Royce-about 1931. It was hot-hot-hot so after browsing there of our members enjoyed a pot luck lunch then we all sort of Siesta'd till the awards were given

Following that the meet dispersed and some of our members scattered while the tour group and Lee Ashburn proceeded slowly home, due to ~~two~~ two tight motors (not drivers). We unwound at Grunklee's and finished up the after a refreshing stop at Ice Cream Lan.
