COMING EVENTS

August 6, 7, 8: Idyllwild Campout sponsored Sept. 26:  
 by Jewel City Chapter. A great campout you won't want to miss!!!!

August 22: THE BIG ONE!!!! Our 10 year reunion family picnic at Cabrillo Park (See the enclosed flyer). Come on out and meet old and new members alike. Bring your picnic lunch and enjoy the great outdoors with everyone!!!!

Also on Aug. 22 is the Long Beach Model T Club swap meet. This is one of the better swap meets and it starts early so you'll have plenty of time to go to it before our picnic so you see, you have no excuse for missing the picnic!!!!

Sept. 12: Orange County Chapter's annual beach party. This is one of our most fun events of the year and you won't want to miss it. More details next month.

Sept. 19: Pomona Chapter's swap meet and car show. This is another good one that you won't want to miss.

Sept. 19: Here's another double date. If you don't want to go to the swap meet there is a really important car show you can go to and really

do someone a lot of good. Diamond Tread Chapter is sponsoring a Charity Car Show for the Services for the Blind right here in Santa Ana. This is a real good cause for a car show and I hope you'll all go out and support Diamond Tread members in their effort to do a little good in this mixed up old world of ours. Bless you Diamond Tread for such a good idea!!!!!!!!!!!!!!!!!!!!!!!!!!!! (We'll have flyers at the meeting with all the details for this event).

We have had a lot of requests for another winery tour like we took a couple of years ago so our Activities Chairman has set up the 26th for another one. Please remember when you go on this outing though that it is a TOUR so please don't overdo it when you visit the tasting rooms on the tour. He! He!

Oct. 2 and 3: Whittier's Rim of the World Tour. This year the tour is going to be held at the Apple Valley Inn and it sounds like it's going to be the best one they ever had so try to be there if you can!!!!

Oct. 10: OOPS! I goofed. Oct. 10 is the Pomona Swap Meet and Car Show instead of Sept. 19. Sept. 19 is the date of the Corona Swap Meet. Sorry folks. I'll try not to let that happen again!!!!

Oct. 16; ORANGE COUNTY ROUND-UP!!!! More about this later.

November?: No date has been set as yet, but sometime in Nov. we would like to have a joint tour with the brand new Golden Empire Chapter of Bakersfield.

I guess that's about it for awhile. If that's not enough to make your head spin, I don't know what is!!!!

Words of Wisdom: "He who laughs, lasts."

Board Meeting Minutes, July 29

The meeting was called to order by President Larry Boef. The minutes were read. Treasurer Vivian Payton reported a balance on hand of \$1335.31.

Iu Saez, Round-up Chairman said plans for the Round-up were progressing steadily. She said the entrance into the parking lot will be the same as last years. Iu also said the trophies are being made.

Pam Heiland, editor said she will run off 2500 copies of a flyer on the Round-up.

Activities Chairman, Bill Vaughn said he had been contacted by the Orange County Publications because they are interested in publishing articles about our club's activities and members. These articles would be free of charge to us providing we allow them all rights to reprint them, etc. A motion was made and seconded to contact the Orange County Publications and proceed with getting some articles published. The motion passed. Bill also gave us these dates to remember:

- Aug. 6,7,8 Idyllwild
- Aug. 22 Model T Swap Meet
- Aug. 22 Orange County 10th reunion picnic
- Sept. 12: Orange County beach party
- Sept. 19: Corona Swap Meet
- Sept. 26: Orange County winery tour near Fontana
- Oct. 10: Pomona Swap Meet and Car Show
- Oct. 16: Knott's Berry Farm Round-up.

Bill also had plans for a joint meet with the newly formed Golden Empire Chapter of Bakersfield. This meet might be a picnic and ball game at Frazier Park.

The motion was made and seconded to cancel our fall breakfast due to crowded schedules and not being able to obtain our city park on our scheduled date. The motion passed (with some reservations - Ed.).

Stew Sale, Technical Advisor, has plans for members of the Whittier Chapter to come to our August meeting to show films of past, and to promote this years's Rim of the World Tour at Apple Valley on Oct. 2 and 3. Stew also said he ran across a larger club house we might possibly be interested in. The board decided to have Stew check farther into the details but no decision will be made at this time.

The next board meeting will be at the Sale's. There being no further business, the meeting was adjourned.

Respectfully submitted,  
Karl Elliott, Secretary

And "A"-Way We Go . . . .  
By Bill Vaughn

First off this month, I would like to thank my wife for writing my article last month. Our Fall breakfast this year has been cancelled due to various other activities going on in Hart Park.

Coming up on the 7th and 8th of August is the Idyllwild camp out sponsored by the Jewel City Chapter. This is really a fun week-end for all.

With our 10th anniversary picnic on the 22nd of August, I hope any of you present members that know any past members of the Orange County Chapter will be sure and mention it to them and they are more than welcome.

Be sure and save the Sunday of September 12th for our beach party. Until you have been to one of these events and taken part in the digging, you have really missed alot of fun.

Our Round-up Chairman has good reports on our 9th Annual Round-up, everything is going along fine. If she asks for your help be sure and give her a hand, and remember to sell all of your T.V. raffle tickets and turn your money in to Betty Eatherton.

We have other events coming up for the rest of the year that we hope you will enjoy. See you at the meeting Thur., August 12th.

Paradise Valley Bar B-Q  
By Joan Krist

The trip to the Bar B-Q started from Odie's Restuarant where a few met for breakfast. The other half of us met the group as they were coming down the Riverside freeway and we all went on to the meet. The Model A drivers were the Douglass', Heilands, Marsh's, Martin's, Nelson's Roggenbuck's and Vaughn's (except Bill. Penhy left him behind). We met Boef's and Vivian

Payton, Slawsons and Dick Brennen and his new wife and Pemberton's at the meet. Al drove his Woddy from Bakersfield. Hope he made it home ok. He was having some trouble with his lights. We lost Warren Schmidt along about Riverside, when he decided to turn and go back cause his A kept overheating. Sorry to have lost him, as he missed a good time. Hope he can make it next trip.

They had lots of games for all and I guess O, C. took their share of trophies and ribbons. Kristy Martin got a 1st plee trophy in her age group, Sue Grunklee took a 1st place trophy in her age group, Pam Pemberton a 2nd pl. ribbon for her age group and Judy Clisby a 2nd place ribbon in her age group. Pam Pemberton and Kim

Krist won 1st place in the egg toss for the kids. Judy Clisby and Rick Krist won 1st place in the egg toss for the adults. Best of all was little Greg Hofstetter got a special award for entering all the events for young and old and coming in last place in all. Keep up the good work, Greg, (at least that will keep him out of the water).

The dinner was just great, we had Bar B-Q beef, cole slaw, baked beans, rolls and all kinds of deserts, coffee and punch. I think every one had plenty-- except maybe tiny. His plate got away from him for awhile, but he finally found it and got down to the business of eating. After dinner the trophies were awarded. Tiny Clark got a 2nd Place for (I forgot, Sorry Tiny), Jon Heiland received a 1st place in the dinner bell event, Rick Krist took a 2nd in the Bull Doggin event and I took 1st place for overall for women drivers. Also, O. C. took a few of the door prizes.

Then it was finally time to gather things up and head for home. I guess all made it home ok except for Rick. He burned out a rod in the Coupe. Luckily we were almost home, just at the Riverside and Newport Freeways. So we towed the Coupe from there on to the shpp with the Sedan. After we finally made it home we grabbed our swim suits and met a few of the others over to the Roggenbuck's for swimming to cool off. Thanks again Bobbie and Jack, that pool sure has been getting alot of use. Well for all of youse that didn't make it, it sure was a nice day-- hot -- but nice so try to make it next time. P.S. If I forgot anybody or anything I am sorry, I lost my notes I had taken.

(Thanks much, Joan, for a very nice article)!!!

Here's a good one from the Heart of America Chapter. A recipe for . . . . .

HOW TO PRESERVE A HUSBAND

First, use care; get one who is not too young, but one who is tender and has a healthy growth. Make your selection carefully, and let it be final. Otherwise, he will not keep. Like wine, a husband improves with age. Do not pickle or put in hot water; that only makes him sour. Prepare as follows: Sweeten with smiles, according to variety. The sour, bitter kind is improved with a pinch of the salt of common sense. Spice with patience. Wrap well in a mantle of charity. Preserve over a good fire of steady devotion. Serve with peaches and cream. Even the poorest varieties may be improved with this process and may be kept for years in any climate.

The watchbird is watching you. so don't forget your money and your tickets. Be sure to bring them to our next meeting!

Thanks!

I'm afraid you'll all have to pardon my spelling, typing and other errors this month. It's entirely too hot to be sitting over a typewrit er so I hurried too much!!!!

Please add the names at the bottom of this page to your roster of our members. Sorry I didn't have all of the phone numbers and types of cars.
