Board Meeting Minutes 11-23-71

The meeting was called to order by President Larry Boef. The minutes were read. Treasurer Vivian Payton reported a balance on hand of \$1752.08.

Pam Heiland, editor, made a motion the club have a teenage Christmas party for ages 12-19.. The motion included spending \$75 on a band and \$75 on a hall, food and decorations. The motion was seconded and passed.

Pam and Joan Krist are the chairmen for the teen party. They set Dec. 17 as the date. All club members will be free, but \$1.00 will be charged for each guest.

Bill Vaughn, activities chairman gave us the following dates: Nov. 27-8, National Banquet in Stockton; Dec. 5, our Poker Run; Dec. 9, children's Christmas party; Dec. 11, adult Christmas party; and Dec. 17, teenage Christmas party.

Bill also said that Hal Martin is the tour chairman for the trip to Seattle in '72.

Bobbie Roggenbuck reported on the possible meeting ^{place} at the City, but was disappointed they couldn't guarantee Thursdays year after year.

It was decided to forget this place but to check further into other possible locations.

There being no further business, the meeting was adjourned.

Respectfully submitted,
Karl Elliott, Secretary

BOEF FEET FORWARD
by Larry Boef

It's Swan Song time so here it is. There have been so many good things this year I can't begin to thank everyone who has helped to make our Club bigger and better. I do appreciate personally all the help and suggestions that everyone put forth. In fact, we were so lucky we outgrew our meeting place. We think we have a new place in Anaheim that we can go to in January. Be sure to read your January "Distributor" for a new location. It is a school cafeteria that holds 250 people. There will probably be an announcement at the December meeting re. location, etc.

The November Tour to Doc Sale's in Anza was just about the best tour ever. Many thanks

COMING EVENTS

December 5: Poker Run, Pot Luck and Picnic
Don't miss this one. Poker runs are always great fun, especially when they end with a pot luck and picnic!!! Entry time is 11 AM to 1 PM at the Tastee Freeze Parking Lot at Ball Rd. and State College in Anaheim, and the entry fee is one new Model A part or tool not to exceed \$2.00 in value. Each family is to bring a main dish to serve 10. All single entrants to bring rolls and butter. Also A-H bring salad and I-Z bring dessert. BYOB and table service. Wood stoves, (like Orange City Park) to warm food if you wish, but be sure your dish is oven proof.

A fire will be started in one of the wood stoves so it will be ready for us when we get there.

December 11: Adult Christmas Party. For details see the article by Bev Marsh in this paper.

December 17: Teenagers Christmas Party. Hillcrest Center, Hillcrest Park in Fullerton. See details in this paper.

December 25: For Christmas and the New Year, Peace and Joy and Love to you all!!!

December 28: Joint Board meeting (old and new Board) at Mo-N-R's in La Habra (See Larry's article).

(Beef Feet, Continued)

to our very gracious Host and Hostess. We had 10 Model A's that made the 200 mile round trip with no serious problems. That's how nice a day it was.

It was brought to my attention at the November Board Meeting that our hard working and often unrewarded group of teenagers would appreciate an Xmas party of their own. There are plans under way for such an event, if you haven't been contacted please call Joan Krist or Pam Heiland for time and place, etc. Remember our December meeting is Santa Clause night. Thanks again for making my job so easy and so much fun.

P.S. The joint Board Meeting for Club officers, old and new will be December 28, 1971 at Me and Ed's in La Habra.

AND "A"-WAY WE GO-----

by Bill Vaughn

Our next event will be on Sunday, Dec. 5th --the last Poker Run of the year. Registration will be from 11 a.m. to 1 p.m. at the Taste Freeze parking lot, Ball Road and State College, Anaheim. Let's all turn out and join in the fun and give a vote of thanks to Pete and Sue Peterson for planning this event.

This past weekend the National Banquet was held in Stockton. Several of our Orange County members attended. We hope to have a report of this event at the next meeting.

A Great big "THANK YOU" to Stew and Beth Sale for their wonderful hospitality at their ranch at Anza. We had an excellent tour (in spite of the usual little side tours), and an excellent turnout and an excellent time! I, for one, really enjoyed the tour because I got to drive a Vickie, even though it was Vivian Payton's instead of mine.

If you do not have your Orange County Christmas party tickets-- shame on you! You can still squeak by the deadline by calling Bev Marsh or getting them at the next meeting. Don't forget!! This is always a winner.

This being my last article, I wish to thank everyone for helping make this an enjoyable year. Hope I have fulfilled the requirements of V.P. and Activities Chairman.

The Tour to Sale's Steak 'N Stein

or

Who Leads the Next Tour?

by Pat Beef

Bright and early Sunday morning all the wide awake? members met for breakfast and the tour to the Sale's ranch at Anza. (We did notice Jean Griffin being propped up a bit - it seems she doesn't care for our early morning tours). The group left Vince Mariola, his family hadn't eaten yet, and headed up the road.

Our tour leader, Larry Doef, led 10 Model A's and assorted modern wheels until Corona when 8 of the Model A's thought the tour was too slow and took off. Ray Griffin and his map (we only had three) was then drafted as our new leader and led the modern cars and 2 Model A's until Temecula, when Bill Vaughn, driving Vivian Payton's Victoria took over. After all the different leaders and several stops we finally made it to the Sale's ranch. There were no breakdowns except for Vince Mariola's car which got too warm.

There were several tours of the neat ranch, 160 acres, and we all had to see the infamous "Big Max", Their huge bull (Richard Krist is convinced the bull is a buffalo and not a bull). All the kids old enough had a great time riding the mini bike and some of the "older" kids as well.

Stew set up a shooting range for all interested and quite a few shot at clay pigeons. (Even my son, Trent, who shot one his first try). We seem to have quite a few good shots in the club if you ever need protection.

Pretty soon the smells of barbecuing meat began to tempt our noses as Stew and Beth's brother, Tom Boyer barbecued enough steaks and hamburgers for 98 people. We had quite a feast with food the club members brought plus the steaks, hamburgers Beth and Stew supplied, (thank you Beth and Stew - it was delicious) and beer the club supplied. Quite a few went back for seconds everything was so good and the weather helped our appetites.

Before heading home, Beth headed a hike to show where their lake will be.

I know I speak for everyone in thanking Beth and Stew for a most enjoyable day and one that will be remembered for quite a long time.

The members that were there were: Beefs, Joe Dixon and his son, Douglasses, Eathertons, Gardners, Griffins, Heilands, Hofstatters, Kristis, Marins, Mariolas, Marshes, Mattheys, Payton, Pearmans, Neil Parkers, Petersons, Popelys, Roggenbucks, Saezs, Sales, Warron Schmidt, and Vaughns. If I forgot someone I'm sorry.

(Thanks so much for the fine article, Pat. It's greatly appreciated!!!! - Pam.)

Don't miss our classified ads this month - RAK has held to get together in Alt Model A paint colors & Ron Clark needs some help! Thanks!

NEWS OF OUR MEMBERS

I'm very happy to report to you this month that Jim Buford is doing just great and has been able to go back to work on a limited basis as of last week. Take good care of yourself, Jim and let us hear continuing good reports on you!!!!

Alas, along with the good news comes some bad. I'm very sorry to have to report that Ginger Pemberton had to be hospitalized for an ulcer operation. By the time this paper comes out she will probably be home again but I know she will enjoy hearing from all of you. We send our love to you, Ginger, and want you to know we are thinking of you.

Congratulations to Julie McNabb (Dick and Dione's daughter) who was one of the lucky few to join the ranks of Home Coming Princess for Newport Harbor High School. We think they have very good taste!!!

Did you know that you have to have special instruction to drive a Victoria? Well, Bill Vaughn got the best instructor in town! Our own Vivian Payton. Bill drove her Vicky to Stew and Beth's ranch in Anza. Not to imply that he was excited or anything, but he reminded me of a little kid on Christmas morning!!!!

And speaking of the Anza tour, Stew had his own infirmary going down there. He had to administer a tetnus shot to little Donald Marsh who got waught in the barbed wire! Stew gets our vote for Good Guy of the Year for not allowing any hunting on his property. The only thing you can shoot around his place is clay pigeons. Good for you Stew!

Did you know that Joan Krist made her maiden voyage so to speak, on a mini bike while we were visiting the ranch? Look out powder puff derby, here she comes!!!!

We've got a couple of brand new additions to our club and another one on the way. Harold and Judie Looney welcomed a new daughter into the world on Oct. 3rd. Her name is Kimberly Denise and she's a real little doll!

Larry and Pat Christenson have a new baby boy at their house. He arrived a couple of months ago and I think he was already walking when he got here. He weighed 10 lbs., 11 ozs. and was 21" long. His name is Paul Allen, by the way. Hope we'll get to see him soon!

And last, but not least, Jo Ellen Elliott tells me that she and Karl are expecting their last child in March, but then you know how that

goes. As sure as you say you aren't gonna, that's when it's sure to happen!!!! Anyway, we'll be looking forward to the arrival of a new little Elliott.

Congratulations to you all!!!!

SOAP BOX CORNER

Once again I wish to extend my most sincere thanks to Jim, Pat and Karen Douglass for their help in getting out last month's paper. It really is quite a job and they VOLUNTEERED to do it. How's that for club spirit?

I also would like to thank all of the gals who have been coming over and helping me get the paper put together and ready to mail for the last few months. That's really the hardest part about the whole thing and it has been such a help to me, especially since Jaemie put in her appearance, to have people coming over to help. Penny Vaughn and Joan Vandever have been here almost every time to help and Pat Doef, Patty Clary, Jo Ellen Elliott and several of the other gals have helped whenever they could. Thank you all, very, very much.

Thank you also to the officers this year who have been so good about getting their articles to me on time. As I've said before, a day or two can make all the difference in the world as far as getting out the paper goes. All of this year's Board has done a great job on their articles and they have all sincerely tried to get them to me on time, and most of the time they did pretty well! Thank you fellas and gals.

One last huge THANK YOU to everyone who has written an article for the paper this year on our activities, etc. They have all been very, very good, and they were all on time too! I never had anyone turn me down when they were asked to write an article and believe me, you all have my eternal gratitude!!! You're a great bunch of people and you've made it a real joy to be your editor this past year. I hope you have enjoyed it as much as I have because it looks like you're stuck with me for another year. Since no one has indicated that they would like to try their hand at this, I'm delighted to say that I will be glad to keep the job for another year. A very Merry Christmas and Happy New Year to everyone from the "Publishing staff" of "The Distributor" - Jon, Pam and Jaemie
