COMING EVENTS

March 17: Happy St. Patrick's Day folks!!!  
 March 19: Orange County's Spring Breakfast at Hart Park in the City of Orange. See attached flyer for details. Bring all your friends and neighbors and come on out. Don't eat for 3 days before so you can eat lots of pancakes, but most of all, get there early so you can lend a hand with the work. That's a sure way to work up an appetite and help the club at the same time!!!

May 14: Just a reminder that our Swap Meet is coming up soon. More information in the near future.

March 30: Board meeting at the home of Hal and Jean Harbin. Please let Jean know if you plan to attend.

April 6, 7, and 8: Yuma Tour. This is always a good tour if you don't mind a little driving. They have a car show and all kinds of activities so go if you can and enjoy yourself.

April 15 and 16: Bakersfield's Annual Heritage Days. This has always been a fun one too. The cost is \$3.00 to enter the car show.

April 23: Orange County poker run and picnic. Here it is folks, by popular demand, another poker run and food, food. Everyone who went on the last one had a ball so don't be left out. Come on out and join in all the fun. Who knows, you might get a prize, or a broken leg or something!!!!

April 29 and 30: Wildflower Tour sponsored by the Antelope Valley Antique Auto Club of America. This sounds like a great tour.

**NOTICE!**  
 Your Board of Directors has a request. If you have a club trophy will you please bring it with you to our next meeting. Now, that's not a trophy that you have won for your car or your participation in a gymkhana, but a CLUB trophy such as those won by our club for club participation at other club's activities, etc. Now, does that make any sense? I hope so. Thank you.

ROUND-UP

by Ragnar Lindman

This years Round-Up has a bright new location at Knott's Berry Farm. It will be held at the Independence Hall parking lot, with entrance to Model A registration at Beach Blvd. and Stanton Ave. park opening. Registration will open at 8 a. m. and judging will take place from 9 through 11 a.m. Award of trophies will be at 2 p.m. sharp along with drawing of the raffle tickets.

The main raffle prize which was decided by most of the board members to be a trip to Hawaii for two, will be voted on by the membership at the March meeting.

Pat Clary has come to my rescue in volunteering to take complete charge of the Goodie Bags, a very hard job. Bobbie Roggenbuck has offered to assist Pat, but many people will be needed to bring in the Goodies. Pat has

asked that every club member should find something at work or somewhere in regard to samples souvenirs, or advertising items. Please check with Patty.

Jon Heiland will head the traffic activity at the Round-Up and Joe Clary is in full charge of setting the judging standards and choosing the judging committee. It's a much appreciated gesture, as these people quickly offered their assistance in getting the Round-Up action off the ground and on it's way to hopeful success.

Jim Douglass is another special person, quick to give help. He will head up the registration committee.

Also offering their services for Round-Up are: Roland Ferris, Joe Eatherton, Glenn Johnson, Tom and Darlene Matthey, Red and Linda Hofstatter, and Hal Slawson. HURRY! DON'T BE LAST! COME UP AND LET ME KNOW YOU WILL HELP. LET ME PUT YOUR NAME ON MY LIST. AND I DO MEAN MY GOOD LIST!!!

Before I get any farther with the paper, and since we're on the subject of the Round-Up, I would just like to put in my two cents worth.

The Board of Directors have had awfully long, drawn out meetings for the last two months and the main reason has been the proposed trip to Hawaii as the main raffle prize for the Round-Up. We have spent a lot of time discussing this and we are all pretty sure now that we have done the right thing for the club in voting for this trip. It will be an either, or type of thing. Whoever wins can have his choice of the trip for two to Hawaii or a cash prize of \$400.00. So you see, the Board has made it very simple for you to sell tickets. I can't think of anyone who won't risk a dollar on the chance that they might win \$400.00 even if they wouldn't take a chance on a trip to Hawaii. Now you have no excuse for not selling at least 5 or 10 tickets (you can probably sell that many to your relatives alone!!!). If each and every one of you will just sell 5 tickets we'll have it made. We have 77 names on our Roster so far this year and almost every name represents two people so that makes approximately 154 people. Now at 5 tickets per person that makes 770 tickets. Just think of what we could do if you would all sell 10 or 15???

We (the Board) felt that this would be a great raffle prize to celebrate our 10th Anniversary of our Knott's Berry Farm Round-Up and we sincerely hope that all of you will support our club in this venture by getting out and selling those tickets. Thank you - Pam

~~Snow~~ MOUNTAIN TRIP

by Pat Heller

(Editor's note - I don't know if that was a mistake in the title or if Pat meant to leave it in, but at any rate it was very apropos since the snow had all melted by the time every one got there!!!)

The first surprise of the day was when we arrived at the school we realized that we were early. And for the Heller's to be ahead of schedual is quite a feat!!

While we were waiting for everyone to arrive, Bobbie was asking everyone if they had brought their "sleeping bags." With that question Rak spoke up and said, "Yeh, Joan is in the car!" I think after that cute remark Joan should have made him walk to Crestline. Don't you agree girls?

We departed right on time at 12 noon sharp. Among our group was a tru-blue Model A'er, Brad, who drove his A.

We reached the lodge at 2:00p.m. without any mishaps. The "A" perked right along without so much as a sputter!

After checking in we went to our cabin which most of us expected to be one large room simalar to a barracks. But to our surprise it had several rooms with beds all over the place, a kitchen and a fireplace upstairs and down.

The weather was perfect. Clear and sunny, but cool enough for a jacket. There was just enough snow for the kids to make a few snow balls.

Not long after we were all unpacked Red and Linda arrived. As they unpacked we all watched in amazement. Finally someone said, "Hey, Red, our reservations are for 1 night not 1 week!"

Lorna and I tried to do some "antiquing", but we couldn't get the "tight wads" (Bill and Maynard) to get their hands out of their pockets so we could get some money.

At about 5:00 p.m. we had our pot luck supper after which we all complained about being too full. What can you expect with a club full of good cooks!

When the dishes were all done we all got ready for an evening of ice skating. Some of the less courageous members stood on the sidelines with cameras in hand just waiting for one of us fools to break our necks. And I think we all obliged them by taking at least one fall. At the end of the skating session I think we all knew one thing, we were not as young as we used to be! Ha-Ha.

The evening ended with a few hands of pinochle and a gab session until 3a.m. By that time the sagging cots looked pretty good to all of us.

The next morning some of us cooked break-

fast and the others went to the Champagne Breakfast at the lodge.

The whole weekend from start to finish was FANTASTIC!!! All you folks who didn't come really missed out.

I'm sure that I speak for all of us when I say "thanks" to Jack and Bobbie for a wonderful weekend.

Now I would like to say something that's not particularly about the trip, but rather about the club in general. In all the places we've lived and all the clubs we've belonged to we have never enjoyed anything as much as the "A" Club and the people in it. You all are great and have really made us feel welcome with your friendliness and willingness to help one another. **THANK YOU!!!**

Now that I've filled the paper I'd better quit. Bill always said I talked too much!

Thank you, Pat, for a wonderful article and for the very nice compliment. With a club as big as ours it's sometimes hard to make everyone feel welcome so we're very glad to hear that in this instance at least, we've succeeded. And with the welcome addition of warm and friendly people like the Hellers, I hope we will always be able to keep a close knit and warm attitude in our club. - Pam

EDITOR'S NOTES

From meeting to meeting, our club often receives flyers and information sheets, etc. from other clubs regarding their tours and outings. These flyers, etc. are available to all of you at the meetings and will be found up at the front of the room. Please take the time during the break or before or after the meeting to check on the events. There are some very good tours coming up and although we cannot take advantage of all of them as a club, you may want to participate in them as an individual. If there is only one flyer about an event we would appreciate it if you won't run off with it, but just copy the information from it and leave the flyer for others to see. Thank you.

The deadline for the April Distributor for articles, ads, etc. is April 2nd. If you have anything you want to put in the paper please either call me at 836-4244 or send it to me at 1818 N. Main St. Santa Ana, 92706.

Pam

ROGG'S GALLERY

Rov'in with Rogge  
by Jack Roggenbuck

Those of you who were unable to make our weekend in the snow missed out on a lot of fun. Our chalet was great, the hardy ice skaters did their twirls, those with twinkle toes capitalized on the two bands available and just ask Jim Marsh about the Sunday brunch!!

March 19th is Orange County's Spring Breakfast and car show. Bring those appetites and cars. The best food and culinary arts will take care of any hunger pangs you may have. Dust off that "A", charge the battery and get to Hart Park. Remember there are five trophies including one for the "Sorry-est" so this means everyone has a chance.

Joe Clary will be planning a poker run and picnic for April 23rd. These are always great fun and afford the chance to get that "A" out of it's barn for a little competition. Mark your calendar and have this day set aside too. If you don't have a good old dependable "A" remember those Irons from Detroit are welcome also.

Other club events are the Yuma meet April 6-7-8; Bakersfield Heritage Days April 15-16: This has been fun in the past years and Orange County has managed to bring back quite a few trophies from this meet. A new event will be the wildflower tour at Lancaster April 29-30; according to the flyer this sounds like they have planned a lot of fun for all. Paradise Valley Swap Meet and Pancake Breakfast at Cars of the Stars April 23; If Joe can arrange a good starting time perhaps we can make it out to this event for breakfast and a quick look around and then take in the poker run in the afternoon - One full day of "Model Aing."

NAMES IN THE NEWS

Well, Brad Worch is the good guy of the month this time. He was the only one brave enough to take his Model A on the mountain trip. Good for you Brad and keep up the good work!!!

Most of our news is pretty sad this month I'm afraid. I'm very sorry to have to report that Jean Griffin lost her mother and Linda Hofstatter lost her father this month. Our deepest sympathy to both of you and your families.

Another sad note, although she isn't a member of our chapter, most of you know my
