## MARSH'S MESSAGE

by Jim Marsh, President

Well, July has been a very active month for Orange County MAFCA. On the 14th we had our Progressive Dinner. We had a great turnout and I think everyone had an enjoyable time. I would like to thank Linda for organizing such a fine tour and dinner. Everything went off like clockwork. I would also like to thank Roggenbucks, Johnsons, Halls, Krists, Morris and Coles for hosting the various courses at their homes.

On Sunday, July 22, we had our first annual all club beach party. We had a good turn out, we made a little money, and most of all we had a good time. So with what we learned this year we should be able to put on a bigger and better event next year. The only thing that upset me was when I was busy digging for the

#3 block (the last one) someone pushed me over and then about a hundred people started throwing sand all over me. I still don't have all the sand out of my hair. Oh well, it goes like this for awhile then it gets worse.

In August, we have a couple of activities. August 11th, a party at our house, BYOB and all are invited. Then August 26 is our club picnic and softball game that should be a blast.

See you all at South Jr. Hi., Aug. 9. We will start at 7:30 sharp because of the program (The great white elephant sale).

#### ROUND-UP REPORT

The Round-Up draws nearer and nearer every week and the wheels of progress are turning. The Committee Chairmen and women are beginning the long hard job of putting it all together. Joe Eatherton gave us his report on club visitations and approximate times. Joe will need all the help he can get from the club to make these visits a success so when you are asked to donate an evening for a visit to another club do not hesitate. He will be posting dates times and locations lists at the August 9 meeting so put your name down for a fun evening.

The ticket sales are progressing slower this year mainly due to tight money so everyone do their job and sell your ten tickets.

Red and Linda Hofstatter have volunteered their time Monday July 30 for publicity pictures to be taken at Knott's Thanks loads Red and Linda.

The trophy Co-Chairmen and I will view the trophy choices Tuesday July 31 and place a deposit to hold the trophy order. The Advertising Committee is hard at work designing flyers and posters and promise these for early August delivery.

There will be a Round-Up Committee meeting at my home August 13, 1973.

More later.

Your Round-Up Chairman,  
Hal Martin

#### TECH TALK

by Ragnar Lindman

Well, we did it again! Another great tech meeting took place at the home of Bob Cole where we all experienced taking an engine apart. Boy! Did we take it apart! Unfortunately, for Bob, the bearings were beyond de-shimming. This is another good time to point out that even though you are told "That engine was just recently rebuilt!" Man you better not believe it!

In disassembling the four banger, we all got a good chance to really dig into an "A" engine....right down to the very last bolt. Many thanks to Bob for his time and hospitality.

Next tech meeting is set for August 24, Friday night at our house, 500 S. Illinois St., Anaheim. Nope, Sally says we can't have any of those wild movies this time. Generators are the subject for the night....understand our Pres. is in much need of help in this field. Burned out another one....huh, Jim? Bring along yer old box full of used spares, Jim.....or there is a small utility trailer available for them.....

Don't miss this meeting. It's really gonna be a whopper. Larry Geller is taking charge of a surprise program... ..chucked full of valuable and funny white elephants to be quickly auctioned off to all brave bidders. There will not be a regular club raffle this meeting. In stead, each family is asked to bring a donation white elephant of any nature....to be auctioned. As you bring your "gift" (in a paper bag so as to keep it a secret) you will be given a regular raffle ticket free which will entitle you to a chance at one major prize at the end of the auction. For all details, please see Larry's insert flyer in the paper. PLEASE PARTICIPATE IN THIS FUN-FILLED MEETING! WE NEED YOU!!!

# THE PROGRESSIVE DINNER by Kathy Hottel

On July 24 at 6:00 50 Model A members are off to the Roggenbucks. Is it an invasion? No, it's the first stop for the Progressive Dinner. After a delicious soup course, it's on to the Johnsons for salad. With everything going on schedule we were off to Rick and Louise Hall's. Luckily we (the Hottels), late as usual, were headed for the Halls and who did we find but Jon Heiland and seven other lost souls sitting by the railroad tracks alone, lost, but most of all hungry. With one big "Follow us" it was on to the Halls. Our next stop was the Kristis for desert. With our bellies full we were off again. This time to the homes of Bob Cole and Tom Morris, who are neighbors. Bob and Candy provided the swimming pool which a couple of brave souls took advantage of. Tom and Barbara provided the dance floor.

We were all given a special insight to Jim Marsh. He's a regular homebody for some reason. He stuck close to the kitchen all night and never once stepped outside by the pool.

I want to thank the Roggenbucks, Johnsons, Halls, Kristis, Coles, and Morris' on behalf of the club and ourselves for all the work and time to make this such an enjoyable evening. A special thanks to Linda for another great activity.

## NOW! WHAT A DAY!

Our 1st all club beach party was a huge success. We actually MADE money (see Linda's article). As most of you know, the beach party is taking the place of our annual swap meet as a money making project. Hooray! No more Mother's Days spent working at swap meets gals!!!!

Anyway, back to the beach party. It was so exciting and so much fun that "ye old editor" completely forgot to ask anyone to write a report on it for the paper this month!

We had a fantastic turnout not only from our own club but also from quite a few others. Paradise Valley, Pomona, Queen Mary, Whittier, Early Times and Golden Empire all had good sized groups there with Paradise Valley walking off

with the Club Participation trophy.

Everyone really enjoyed the "dig" and it looked like the prizes were pretty well distributed amongst the different clubs.

With the help of the other clubs present and a small skip loader we were able to carry off the traditional "burying of the Orange County President" with the usual style and flair.

The hot dogs, corn-on-the-cob, watermelon and pop went over very well and what little was left over our own members bought at cost so we didn't loose anything on it.

All in all, everyone had a fantastic time and it was very gratifying to hear all of the great comments from the visiting clubs. From all indications, this could become one of the best events in Southern California in a very short time.

For any of you who didn't attend, you sure missed one heck of a time. Hope you can make it next year.

A huge thank you to our dauntless activities chairman, Linda, who worked so hard to make this event possible, and to all of you members who worked so hard to help her. We had lots of willing hands when it came to the chores of corn husking, cooking and selling, not to mention those hardy souls who went down to the beach at the crack of dawn to reserve our place and get everything set up for us.

## NAMES IN THE NEWS

I'm very happy to report that Patsy Heller is home from the hospital and doing just fine. We received the following note from her.

"I would like to take this opportunity to thank the club for the flowers that were sent to me during my recent illness and for all the cards and well wishes that were sent my way. I am feeling much better so I guess I'll be around to drive you all crazy for awhile longer! Thank you all."

Love,  
Patsy

Sorry to report that Louise Hall celebrated her vacation by spraining her ankle. Hope you're feeling better by now, Louise.

NAMES, cont.

We got a post card from Tiny Clark at our house this last week. It's addressed to O.C.H.A.F.C.A. in care of us so we'll have it at the meeting for all of you to read.

Guess everyone else is okay because I haven't heard from anyone.

Get out & sell those Hawaiian trip raffle tickets. Time's a wastin'!

I have a couple of very special thank yous this month. First of all to Red Hofstatter who took our poor old typewriter to have it fixed. He had to take it to two different places but finally got it fixed at an unbelievably low price and it works like a charm now. THANK YOU ... THANK YOU.... THANK YOU...

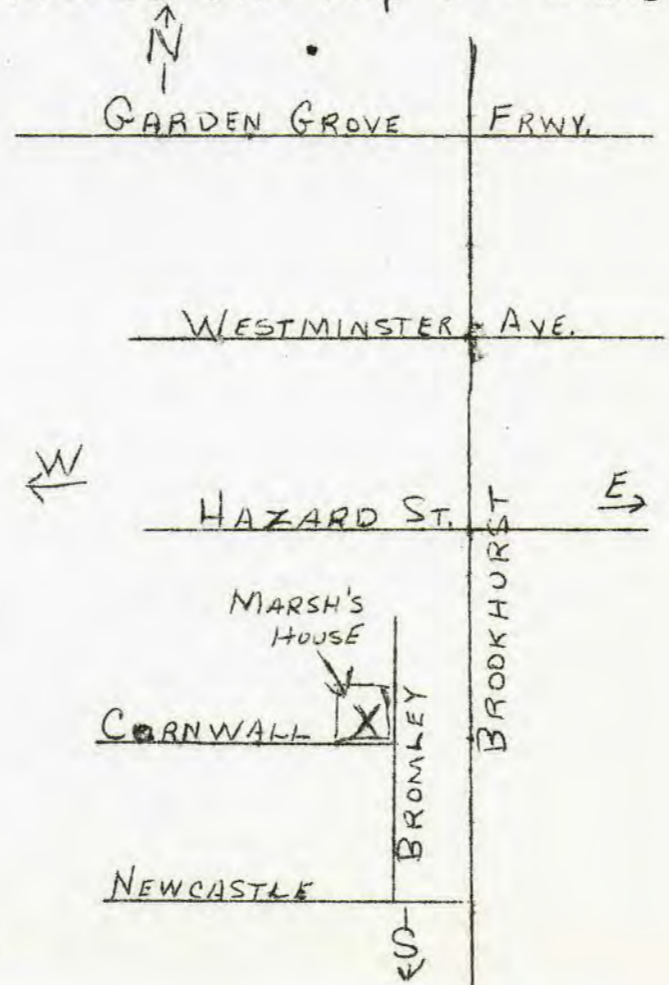

Also, my thanks to Larry Geller, who will be our chief auctioneer at the August meeting. Not only did Larry print his own insert about the auction for this issue of the paper, but he also wrote an article about the Paradise Valley BEQ and printed it up COMPLETE WITH PICTURES and brought it over to me for our paper. This is a first. We've never had pictures in our paper before because of the extra expense involved.

THANKS A MILLION, LARRY!!!!

The Paradise Valley Tour was really a fun tour.  
The weather was absolutely perfect as we left  
Orange County from the Parasol.

Our hour drive up to San Bernardino went as  
smooth as clockwork. There were 13 cars repre-  
sented from Orange County and no two alike.

Gynkhana events included Auto handling,  
physical talents, but mostly L U C K ..!

will be identified at the next meeting.

## FASHIONS FOR A'S - 1930

The hemline dropped in 1930. Caplets and boleros were smart. A long silhouette featured ruffles, flares and graceful panels. The outstanding fashions of the year were shown in back dipping line of the circular skirt, shaped neckline, and deep bertha collar.
