MARSH'S MESSAGE

by Jim Marsh, President

Well, here it is May already. It seems like I just took over as President and the year is almost half gone. We have had a lot of activities and there are

many more in the planning. I am writing this article on a Cub Scout campout at Woodchuck (near Temecula). As soon as I finish this campout, Tom and I are going to De Palmas to join the tour of A's from Orange County. That will be a fun time I'm sure.

The last technical session at my house was on transmissions. It was well presented by Jon Heiland. We have two more technical sessions lined up. More on that at the regular meeting.

Last week we had a Round-Up meeting at Hal Martin's. Everything is going well and we should have another successful Round-Up this year. And speaking of Round-Up, I know one guy that will be celebrating the Round-Up with a "napkin" steak if he doesn't get hot on his car.

Our program this month is one that should be of interest to all parents. It is on drug abuse and is sponsored by Earl's Plumbing of Anaheim. So I hope to see you all at the May meeting and let's drive those A's. They'll just get rusty sitting at home. Bye.

BOARD MEETING MINUTES 4-26-73

The meeting was called to order by President, Jim Marsh.

The Treasurer gave the cash on hand as of 4-13-73 as \$1026.58.

Linda gave the activities for the next two months. The beach party will be at the south end of Doheny. \$1 will be charged for digging. Food will be available at a nominal fee. Corn, watermelon, pop and hotdogs. There will be separate prices for each item. A club participation trophy will be given. The time will be from 10-5. RSVP by June 28.

The Tour Kit was discussed and it needs a timing gear and a first aid kit. Linda will take care of bringing it up to date.

Pam needs articles for the next paper by April 28th.

Rags told us that the next technical session will be at the home of Ron Posten, 537 Briarwood Dr., Brea. It will be on May 18th at 7:30.

Our next program will be a drug film donated by Earl's Plumbing. Pamphlets will be handed out.

Board meet minutes, cont.

A progressive dinner was suggested for the month of July. More details will be given at the meeting.

Hal Martin volunteered to have another technical session at his home on May 25th at 7:30. It will consist of sheet metal assembly.

Hal gave a report on the Round-Up. The large trophy left over from last year Round-Up will be given this year as People's Choice. No ribbons will be given. Hal is going to get more prices on trips and will present them at the next meeting. Patches for jackets were discussed instead of dash plaques. Prices on bumper stickers will be discussed at the next board meeting.

Hal Martin will check into the cost of the Mileage Patch and present it at a later time.

Hal Martin made a motion that we send flowers to Bus Pearman. Rags seconded it. It passed unanimously.

A motion was made by Hal to have the Activities Chairman determine what is to constitute a tour. Bobbie seconded it. It passed unanimously.

The next board meeting will be at Jim Marsh's on May 31 at 7:30.

There being no further business the meeting was adjourned.

Respectfully submitted,

Sharon Johnson, Secretary

HOPPIN' WITH HOFSTATTER

by Linda Hofstatter,
Activities Chairman

I must start off by giving Bev Marsh a great big thank you for arranging the bowling night for me. It wasn't an easy job but she was persistent. Thank you Bev, I sure appreciate all your help.

Time again to get out those calendars and fill in the dates for more tours and a lot of activity. Don't miss this first one on the list, our Wine Tour on Mother's Day, May 13!! Larry Boef will be our tour leader and has sworn to get his mileage patch on this one. Come prepared with your "A" in safety shape and a picnic lunch. We will leave the Parasol Restaurant in the Orange Mall on Tustin at 10 A.M. **

Other club activities for May are the 17th annual Hill climb by the Long Beach Model T Club at Shell Hill (Obispo Ave,

and Hill St.) at Signal Hill.** There will be a tour leaving the Copper Penny Restaurant on Katella Ave. east of Euclid Ave. in Anaheim at 9:30 A.M. May 17th. Bring a picnic lunch, there's a nice park not far from the hill.

Memorial Day Weekend take your pick of several things to do. The Pomona Valley Chapter is having a Las Vegas Tour on May 26, 27 and 28. If you would like to go with them contact Bill Boyd, 20462 Calpet Dr., Walnut, Calif. 91789. Phone (714) 595-4170 as soon as possible.

May 26 and 27 is the Northern Calif. Round-Up in Los Gatos, Calif. Near San Jose.

May 27 the So. Calif. Region is having their annual Car Show at South Gate Park.

Also May 27 the Forties Limited is having their 5th annual Pancake Breakfast and Car Show at North Hollywood Park.

In June don't forget our Campout is the 16 and 17 at El Lorro Campground on Highway 78 just east of Ramona.** The price is \$4.00 per family per night. There's lots of fun things to do so if you haven't signed up to go be sure and see me at the next meeting. I do have to have a \$2.00 deposit in order to take your reservations.

On Monday night, June 25, I have made reservations for us to go to Angel Stadium to see the Angels play Kansas City. The cost for this is \$1.00 per person. These seats are the regular \$2.50 reserved seats at view level which is the top. We will be between home plate and first base. I do have to buy the tickets in advance so if you plan to attend bring \$1.00 for each ticket you want to the May meeting. You may bring along guests but you will have to get their money to me also at the May meeting. Children under 5 are free if they sit on your lap and do not take up a seat of their own. The date again is Monday night, June 25. The game starts at 8 P.M.

Other club events for June are:

June 3: San Gabriel Valley Region MARC is having a Car Show at the Cal Store in West Covina. A Swap Meet is included in this.

June 10, the 9th annual Antique Auto Show and mini Swap Meet at Fallbrook High School grounds.

For those who can't make our campout (shame on you), June 16 and 17 there is the National Spring Meet of America at Movieland Cars of the Stars.

Hoppin', cont.

Also, June 16 and 17 is the HCCA Swap Meet at the L.A. County Fairgrounds in Pomona.

June 17, the L.A. Roadsters Car Show and Swap Meet at Great Western Exhibit Center at the Santa Ana Freeway at Atlantic Blvd.

June 21, 22, and 23 is Harrah's Swap Meet in Reno.

June 23 and 24 the Studebaker Club is having a Swap Meet in San Luis Obispo.

June 26 through 29 is the Catalina Caper Tour. Anyone wanting to go on this should have your reservations in already but if you haven't, contact Catalina Caper, Box 1711, Avalon, Calif.

June 29, 30 and July 1 is the National Meet by the Airflow Club in San Diego.

A preview of coming attractions for July, we have a progressive dinner planned for July 14 and a giant beach party on July 22.

It was decided at the last board meeting that I would put ** by the events to be counted in the mileage patch. So make note of these if you are working for a patch.

Now that your calendar is as messy as mine and you are as tired as I am just thinking about how busy your weekends will be for the next few months, I will stop for this time but look me up in this same paper under the same heading next month for more action.

TECH TALK

by Ragnar Lindman, Tech. Adv.

Coming, the next program will be a movie by Art Linkletter on drug prevention and also free brochures donated by the Earl's Plumbing.

Our last technical meeting was held at the Marshs', given by Jon Heiland on transmissions. Thank you Jon and the Marshs.

This month (May) there will be two technical meetings.

1. Ron Poston
537 Briarwood Dr.
Brea
May 18th at 7:30 P.M.

2. Hal Martin
7252 Wellesley Ave.
Westminster
May 25 at 7:30 P.M.

Please plan to attend. See you there.

"BOWLIN' WITH MOANIN'"

by Betty Eatherton

Our Activity Chairman has done it again. Linda came up with a new activity.

"BOWLING"

Sunday evening at 7:30 P.M. the eager bowlers met at the Carter Bowl in Fullerton. You've heard of the Early Bird. Well, what about the Eathertons. They arrived at 5. How about that!

The following families were present to participate in the activity. Boefs, Chambers, Eathertons, Griffins, Grunklees, Howells, Hofstatters, Halls, Hoilands, Johnsons, Krists, Marshs, Martins, Mattheys, Nelsons, Parrishs, Vaughns, Judy and Rick, Sue and Guy, Front Boef, and the Parrish children, Mark, Brenda and Debbie.

The most popular ball with most of us was the "Gutter Ball." We heard Jon say that if it wasn't for the grooves on each side of the alley he wasn't to sure of where his ball would be.

There were a few bowlers who looked like they were bowling for dollars.

High series for men was Guy (Sue Grunklee's friend) and High Series for women was Pat Boef.

Several families retired to the Pizza Parlour and the rest went on their way home. Everyone had a good time.

All I can say is "Thanks again, Linda."

(Thank you, Betty, for covering this event for us in such an interesting way. - Pam)

YUMA OR BUST!!!!!!

by Sharon Johnson

Bright and early Thursday morning we kissed the kiddies good-bye, gave Mom my tranquilizers and best wishes and left for Yuma. We were near Leisure World when this t-bird pulled up along side of us and the people started smiling and waving at us. Lo and behold if it wasn't Larry and Pat Boef. Can you imagine following someone from Leisure World to El Centro at 45 miles per hour? Ask Larry and Pat. They did it. We sure appreciated it too. We ran into hundreds of "painted lady" butterflys. When I say ran into I mean it. We stopped 3 times to clean the windshield so we could see. It took us 5½ hours to get to

Yuma. The first people we ran into were Ray and Jean Griffin and Dave Lippincott. After unpacking and cleaning the car we all met at Griffins room and went to dinner. After dinner we were all forced into playing poker with the Griffins. Jean had her mind somewhere else. Ask her where! I won \$8.00 that first night. Friday was spent getting the car ready for the show the next day. By this time the Clarys had arrived and the Antonaccis. Friday night was just dinner and dancing to a fantastic group in a pub with the Marshes, Martins, Antonaccis, Boefs and Sales.

Saturday was the big day! We went to watch the car judging. Boy are they thorough. Jean Griffin drove our car through and I drove Dean Salazar's son's car. Panic cannot describe what Joe Clary must have felt when he tried to start his car and nothing happened. Finally it started and everyone rested a little easier. Later there was a pool side fashion show. There were about thirty contestants and it was a lot of fun.

That night was the banquet and it was full of excitement. I will say they kept everyone in suspense a little too long. After they announced the third place winners we thought it was curtains for us when surprise of surprises, they announced our name for second place. Glenn was so happy as were many other people there. Ron Posten won a first, Joe Clary a second in the senior division and Dave Lippincott a first. Dancing came after the banquet and they were the best band we have ever heard. They really could play everything from rock to polkas.

Early next morning we took a few pictures and then toured back with the Diamond Tread Chapter. They were nice enough to invite us to tour with their group. Our thanks go to them too. About ten miles out of Yuma we started to pass another "A" when the car just conked out. After checking the carbuerater and a few other things, Glenn discovered that the gas filter was clogged beyond belief and the carbuerater was loose. After a little cleaning and tightening we were on our way again. With our problems and a few more with some of the Diamond Tread cars it took us 8½ hours to get home. What a trip it was. We really had a great time. We would like to thank Joan for another \$5.00 she so kindly "contributed" to our cause on Friday and

Saturday. "Keep your mind on the cards, Jean, not on physical education!"

(Thanks, Sharon, for your generous "contribution" to this issue of the Distributor. It's greatly appreciated.)
Pam

ANTIQUE DRAGS

Unfortunately, I didn't receive the article that was to be written about the Antique Nationals, but I would like to add a note about them.

Everyone who attended from our club had a great time and really enjoyed the races. As you may recall, they also had a car show there and two of our members walked away with some very nice trophies. Bill Vaughn and Glenn Johnson both won trophies for their beautiful cars. These two guys are going to have to get to work on some trophy cases before long to hold all of the ones they're bringing home.

Although my dear Jon didn't win a trophy for being the fastest or for having a beautiful car his persistence paid off. He brought home a very nice trophy for....are you ready for this?.... The most runs made by a 4 cylinder car!!

So, as I said, we all had a wonderful time and it was great to see such a large crowd of both racers and observers at this fantastic event. Congratulations to the 11 (that's right, folks, there's only 11 members) men of the Four Ever Four club who put this event on!!!

* * * * *

ROSTER UPDATE

We have several new members for you to add to your roster and also a new address.

Karl and JoEllen Elliott are the proud new owners of a lovely new home. Their new address is 4850 Maychelle Dr. Anaheim 92806. New phone # is 998-4558.

The following people have joined our club in recent months. Let's all show them how glad we are to have them in our club. Please make them feel welcome at our meetings and activities and let them know we want them to become an active part of our happy little family. If you haven't met them yet, make it a point to do so the next time we all get together.

Re stor additions, cont.

Leo and Sue Secrist
1071 Birmingham Way
Santa Ana 92705
338-4403
'30 Deluxo Coupe

Rich and Kathy Tucker
206 S. Jensen Way #4
Fullerton 92633
525-7046
'30 DeLaster

Dean and Truly West
26682 L S Tunas
Mission Viejo 92675
495-4119
'29 DeLaster

Also, please add the following name to
your roster:

Duke and Karen Early
15231 Vermont St.
Westminster 92683
922-2012
'30 Tucker Sedan

NEWS AND NOTES

I'm sorry to report that Bus
Pearman is still in the hospital. We
hope he is doing better and will be home
soon.

We also have had two of our young
members in the hospital recently. Trent
Beef was hit by a baseball and suffered a
concussion and little Tommy Hittel has
been down with pneumonia. We hope both of
you are feeling much better by now and are
well on your way to recovery.

And now for some good news. Our
heartiest Congratulations and Best Wishes
to Al Robertson and his new bride, Billie.
Al and Billie were married on March 17th.
Billie has a daughter just about Fanny's
age whose name is Stacy. We hope all of
you will be very happy.

Since Sam and I forget about the
Round-Robin meeting at Hal Martin's house
this month, I guess I'll forgive him for
forgetting to send me his article if he'll
forgive us for missing the meeting. Maybe
we'll both do better next month!!!

That's about it for this month gang.
See you all at the meeting. Wear your
name badges and a big SMILE!!!!!!
