VOLUME 14  
ISSUE 8

EDITOR: Patsy Heller  
AUGUST, 1974

## A SALUTE TO THE QUEEN MARY CHAPTER

As this paper goes to press, the 1974 National Convention will be well under way. By the time many of you receive your copy of the Distributor the Convention will be almost over. After four year of hard work by all the Queen Mary members the moment has arrived and will be over before we know it.

Many of the Queen Mary members literally put their "blood, sweat, and tears" into this meet to make it the best ever. As I stood by the ship on registration day and watched the Model A's rolling in I knew all the work was not in vain.

A hearty "CONGRATULATIONS" to you, Queen Mary Chapter,  
for a job well done!!!

MARSH'S MESSAGE

by Jim Marsh, President  
This is going to be a short message  
this month because I have to get my car  
ready for the National, and it takes a  
lot of work to get a tour car ready for a  
show. I hope to see all of you at the  
National.

At the last board meeting we discus-  
sed buying more jacket patches and tour  
flags, our supply is low on these items.  
We are also still looking into club insur-  
ance. The \$35. quote we got doesn't  
appear to be what we need, so we are  
looking further.

The last item I would like to men-  
tion is our raffel tickets for the Round-  
Up. Time is drawing near so lets get  
out and sell the tickets. We only have a  
little over two months until the Round-Up  
and we still have about \$800.00 worth in  
tickets to sell, so let's sell um!!

HAUL'N WITH HALL

by Rick Hall

First of all we'd like to thank the  
people who were gracious enough to have  
57 people invade their homes. The progres-  
sive dinner was delicious and a great time  
was had by all. Thank you to the Marsh's,  
Heller's, Forsberg's Virus' and the  
Hottel's. Thank you too, to Sharon John-  
son and Pam Heiland who helped to prepare  
the dessert, to Lorna Grunklee who helped  
with the salads, and to Rosie Barnes who  
helped to make that delicious main dish.

Don't forget that we must have all  
reservations in for the baseball nite at  
this meeting. This means they MUST be

paid for. Angel Baseball nite will be on  
August 19 and the Tickots are \$1.00 each.

Also we are taking sign ups for the  
Beach Party. This will be for club mem-  
bers only and the club will be providing  
hot dogs, corn and watermelon so we must  
know how many to expect. The beach party  
will be held on August 11 at Doheney  
State Beach. We will be having the  
popular traditional dig, so be sure to  
sign up on or before the Aug. 8 meeting.

August 17 and 18 is the Long Beach  
Model T Clubs annual overnite swap meet  
in Long Beach.

Sept. 22 is our Fall Pancake Break-  
fast. We have fliers. Please take some  
and distribute them at any interclub events  
you may be going to. Advertising is the

key to a successful breakfast!

Oops! We goofed! The sign up list  
for the baseball nite and for the Beach  
Party that was taken last meeting has  
been misplaced. Everyone must reconfirm  
their baseball and Beach Party reserva-  
tions. This is very important, so be sure  
to see me at the next meeting or call --

TECH TALK

by Hal Martin

Technical Advise:??

Our Gas Welding Seminar held July  
19 was very successful. It was attended  
by 18 people. I hope enough usefull  
information was passed on to those attend-  
ing.

The August Seminars will be held on  
Sug. 16 at Bob Cole's home - 11132 Homeway

Garden Grove. It will cover reassembly  
of the Model "A" engine. The following  
Friday, Aug. 23 (if Tom Hottle has his  
frames ready) a wood graining seminar.  
All those attending please bring a scrap  
of cordoury for it is going to be an  
"everybody does some" type of class. The  
seminar will be held at Hal Martin's --  
7252 Wellesley Ave., Westminster. RSVP  
to both seminars so we can kind of plan  
space.

Rags Lindman will be covering re-  
assembly and I will cover wood graining.  
Don't forget Bingo next meeting night  
if we get the school house open.

See you all soon.

Hal Martin, Technical Advisor

ROUND-UP

by Sharon Johnson

The plans for the Round-Up are  
starting to fall into place. Pam needs  
things for the Goodie Bag and asks that  
everyone really try to contribute just  
one group of articles. If you can get  
as little as 25 or as much as 500 items  
we will find a way to use them for the  
Goodie Bag.

Pam is also in charge of the Era  
Fashion Show to be presented in September.  
She will be asking for bolunteers to  
model their era fashions so please co-  
operate if she asks you to be a partici-  
pant, or better yet - volunteer!

Round-up con't.

If you have sold all your Round-up raffle tickets please turn the money into Linda and get some more tickets to sell.

I will warn you all now that I will be asking for a volunteer for the party after the Round-up. The Coles were kind enough to volunteer last year and I think that everyone had a good time. If anyone has any ideas for helping to make the Round-up more spectacular this year please call or see me at the meeting. All suggestions will be helpful.

We hope to present the Round-up presentation at the August meeting and show what the Goodie Bag consists of.

JACKETS

We have enough people wanting jackets to place another order. So if you want one be sure to get your order and money in by the next meeting. There has been a small increase in the price (so what else is new). They now cost 12.19 incl. tax. They come in small, medium, large and extra large. Give your order to Bev Marsh.

QUIET SUNDAY DRIVE ANYONE?????

by Pam Heiland

It all started out quietly enough. A small group of Model A's (8 to be exact) and 2 Detroit Irons rambling down the freeway toward San Bernardino. Quiet

Sunday drive, you say, right? Wrong! Any resemblance to a Sunday drive ended when we pulled into the parking lot at Lyttle Creek Park. It was obvious that the Paradise Valley BBQ and car rodeo were in full swing. Cars careening around as though possessed by demons, people either scrambling to get out of the way or screaming at the glassy eyed drivers. Gymkhanas seem to have a strange effect on some people.

After enjoying the sights and sounds of the "car rodeo" for awhile the call went out to "come and get it" and everyone made a mad dash for the tables where an absolutely "out of this world" deep pit BBQ was served. M'mm M'mm good! After eating too much as usual we all headed back across the park to the "rodeo" area for the kids games. Kids being

anyone between the ages of 1 and 100 who cared to participate. We had a large number of winners in our group as we always do and for once no casualties (sprained shoulders, etc.). The winners in the gymkhana were as follows:

- 3rd...branding iron - Joan Krist
- 3rd...bull dogging - Larry Conkol
- 3rd...calf roping - RAK Krist
- 2nd...Barrel Race - Larry Conkol
- 2nd... Calf Roping - Joh Heiland
- 1st...barrel race - RAK Krist

The "people" races were run by age groups and the winners for these were:

- Sack races - Robert Morgan - 3rd
- Tom Marsh - 3rd
- Larry Conkol - 2nd
- Foot races - Larry Conkol, Jr. - 2nd
- Tom Marsh - 2nd
- Joe Morgan - 1st

Also Morgans and Barnes both won door prizes.

Again this year everyone swore that Paradise Valley had acquired rubber eggs for the egg throwing contest and Marshes, Hofstatters, Heilands and Jaemie and Yvonne tried thier best to prove it but the poor eggs finally gave up and went smashing to the ground. Oh well.... we'll get 'em next year.

Even though we didn't have a large crowd it was a jovial one and I think everyone really enjoyed themselves.

Thanks to the families who participated (Barnes, Conkols, Halls, Heilands Hofstatters, Krists, Marshes, Morgans and Vaughns).

All of you "stay at homes" sure did miss a great day of fun and relaxation, but don't dispare, there are lots more summer tours, ets. so get with it and come join us next time.

\*\*\*\*\*

Thanks, Pam, for a GREAT article. I think I'll hire you permanently as my roving reporter.

\*\*\*\*\*

Well I was going to write someting about the Progressive dinner, but, tonight is the Luau on the Queen Mary and I still have a dress to make. If you wonder how I managed to get off from work, well... I'm very sick today and I'm going to be sick tomorrow and Sat. too. (don't tell!!)

THE STRAIGHT-LINE COAT

For daytime wear

A. Blue - a favored springtime leader- would be an appropriate color for this coat, of broadcloth or duvetyn, with a black or gray fur collar.

B. Beige kasha is the fabric used in this lovely coat with any darker beige or brown flat fur may be used as trimming. If preferred, contrasting kasha may be substituted for the fur; or, by choosing black satin and trimming it with white ermine or rabbit fur, the coat may be transformed into a formal afternoon wrap.
