MARSH'S MESSAGE

by Jim Marsh, President

Well, October is here at last, and that is "Round-Up" time in Orange County. The thing we really need help on at this time is selling the raffle tickets. At the board meeting the count was 500 sold. So that means that we should sell at least 500 more by Oct. 19th. So let's get out and sell. If you can't "Sell Um" then "Buy Um". We'ss also need help on Sat., Oct. 19th so see Sharon and she'll give you a job or two. October also has another famous day called "Halloween", which we will celebrate on Nov. 2nd at our house. The occasion will be a costume party, BYOB.

November is election time and if anyone is interested in running for the board Please see Bill Vaughn or gibe him a call. We will need three new members to replace myself, Sharon Johnson and Hal Martin, whose terms are up at the end of this year. I have been President for the past two years and I have enjoyed every Minute of it. We have a very large and a very active club and this makes it easy for the board to get things done, so don't be afraid to run because you will have all the help you need.

The pancake breakfast showed us a profit of \$243.00. Many thanks to Rick Hall and all of his helpers for making it happen. I would also like to thank Dale Virus for his work in getting the stoves. Dale not only gets there early and helps cook and clean up, but when ho home he still has to clean up the stoves, wo many thanks, Dale!

It's getting hard to remember names with so many new faces, let's all get to know each other. Wear your name badges! If you don't have one, they're available through our treasurer, Tom Hottel.

Well I guess that will do it for this month, see you at the meeting at So. Jr. High, Oct. 10, 7:30.

END

A FUN WEEK-END

by Bev Marsh

The week end in Bakersfield last month was well attended by our club. Some left early Friday morning, while another tour left about noon. Larry Conkol's car broke down 4 times before he even got to the freeway; but to say the least, he's no quitter! He went over the grape-vine using water like crazy and his car also had a cracked-head. (whatever that is!)

The 11 A's all made it over the L-O-N-G, S-T-E-E-P Grapevine just fine. Some got a little hot, but many "Detroit Irons" do too. Those driving A's were Krist, Douglass, Vaughn, Marsh, Conkol, Morgan, Hoffstatter, Johnson, Barnes, Mariolla, and Parker. Carol Conkol and Rick Krist came in their modern cars.

The "Golden Empire Chapter" did an

outstanding job in putting on a great BBQ, dance and car show.

Ron and Deni Sheran invited all Orange County members to a party at their beautiful home Fri. night. Also some members dropped by Al Pemberton's. Sat. saw us all out at the Shell Hill Club for the delicious BBQ and later on for the dance. The band was really good and Rosie Barnes, being the smart gal she is tried to get them for our Christmas Banquet, but.... alas and alack....they were toodarned expensive. Sunday was the car show. Our club won "Best Participation". Cars from our club receiving trophies were: Vaughn's, Marsh's, Hoffstatter's, Parker's Morgans, Mariolla's and Johnson's ( Best of Show and Peoples Choice)

Well-deserved plaques of recognition for a job well-done went to Rak Krist and Jim Douglass. I'm sure that everyone that attended the National Convention knows that they, along with the other members of the Queen Mary Chapter did an outstanding job of putting on the convention. Our thanks to you.

Sunday afternoon we all left for home. All the A's made it over the "Grapovine" just fine, except ours, it didn't make it out of Bakersfiel! The fan went through the radiator and I got to ride in it as it was towed all the way home by Carol Conkol's car. Some fun, huh? Jim will never, ever make fun of Carol always driving her car (with tow bar and trailer hitch) Thanks so much, Carol.

CHVA - Knotts Berry Farm

Author Unknown

It was a foggy day in old Ghost Town on the early morn of Sept. 14 but that didn't keep the Lindman's, Larry Boef, Larry Coneol, the Grunklee's or Postens away from the 5th Annual CHVA car show at Knott's Berry Farm in Buena Park.

Contemporary historical vehicles of all sorts and makes were present to compete for one of 75 trophies to be awarded for the most beautiful and authentically presented cars of yesterday.

Bud Kracher, show chairman for the CHVA West Coast National and busy wife, Judy, well as co-chairman of the show, and Al Newman, Micraphone master of ceremonies for the day and so many more club

Knott's con't.

members sure deserved a tip of the old sombrero for a very successful trophy meet climaxed by a terrific banquet dinner.

Maynard and Lorna Grunklee walked away with top honors as the judges agreed that his 1929 Tudor Sedan (or was it a Fordor.....or a Threedor?????) was the best Model A Ford at the meet. Ron and Sylvia Posten with their 1930 Sporto Coupe and Doc Inguerson of Diamond Tread Chapter with his 1931 Coupe tied for 2nd place. Then draggin up for third and ~ runnin' hard came Raggs Lindman and Larry Condol. Both tied in a dead run.

You gotta watch Grunklee.... He's got somethin' strange in that new can of polish he keeps using! And a little blue man keeps poppin' up out of it tellin' him to... "rub harder man. Rub harder. We gotta get another one..." Yup! 'Ol Maynard is trophy bound. Why he's up-graded that old piece a treedor so much... nobody's gonna stand a chance around him. Look out world!!!!

Larry Boef scarfed up a trophy for (first...second...or third...Hell! I don't remember.... We walked out the banquet door with seven of 'em under our arms until I thought people were gonna...well if looks could kill.... Ya know what I mean?) And as if owning a Mercury trophy winner wasn't enough....Larry put Boef feet forward and bought a beautiful "new" Model A Ford station wagon.

Inguerson and Posten received a huge trophy for the most improved restoration for their prize winning efforts on the Model A Fire Truck as well as a first place commercial trophy.

A particular amount of points has to be attained on each trophy winning car or a trophy just wasn't awarded for that category. There were fourteen classes and four judges to each class and I think the whole thing including the fashion show presented by Gene and Lee Dick was absolutely perfect.

I WANT TO PERSONALLY THANK THE MARSH'S, THE JOHNSONS, THE CLARY'S and the others who didn't come... for letting us little guys win a trophy this time.... but then not everybody has a big bus jump out in front of them to spoil their touring plans.

Signed, "The Little Devil"
