Oct. 19: Round-Up
Nov. 2: Halloween Party - Costume

* Counts toward mileage patch

MARSH'S MESSAGE

by Jim Marsh

The big happening during the past month was the 1974 National Convention aboard the "Queen Mary". I think the meet was a huge success. There were a few little hangups but, in all, the events went off very well. I would like to congratulate Dean Salizar, Dan Gayle, and all the Queen Mary Chapter for putting on, what I think was, the best meet yet.

I would also like to congratulate the following Orange County members for the Trophies they won in the car show and clothing judging: Larry Boof, Joe Clary, Tom Coad, Larry Conkol, Bill Cote, Gary Grebbien, Ray Griffin, Maynard Grunklee, Glenn Johnson, Dave Lippencott, Joe Morgan, Ron Posten and Bill Vaughn. That's quite a few trophies for one club to take. Again, CONTRATULATIONS!

Back to the local happenings, the summer bowling league finished up last week. Every one that I talked to had a good time and I think we will do it again next summer. I would like to thank Red Hofstatter for organizing the league, without his efforts, we would not have had all the fun. The winners of the league were P.J. and Bud Forsburg and their neighbors, Dave and Chris DeMent. The Booby Prize (last place) was won by Glenn and Sharon Johnson and Barbara and Tom Morris.

Also, I would like to thank Rick Hall and his assistants Fred Yeaw, Steve Chambers, the Hellers and the Grunklees for putting on our annual Beach Party. I hope you all enjoyed the day as I did. The only part I didn't like was after the dig, again, I found myself 2 feet under the sand. I hope next year to be a "burior" and not the "buried".

Well, I guess that will do it for this month. I will see you all inside South Junior Hi Setp. 12, 1974 at 7:30 sharp for our regular meeting.

BOARD MEETING MINUTES 8-29-74

The meeting was called to order by the club president, Jim Marsh. The secretary read the minutes to the last board meeting and they were approved as read.

The treasurer, Tom Hottel gave the treasurers report as follows: \$1,068.07 savings and \$558.53 checking.

Rick Hall gave a report on past and future activities. Beach Party expenses were \$237.91, income \$250.00. Some confusion and possible misunderstandings have developed in accrued mileage for the club patch. Rick Hall made a motion to allow full mileage to any member who show up to a club mileage event even if the member does not start at the origin of the tour. It will be the responsibility of the driver to inform the activities chairman of late arrivals. This will be effective on the next tour.

Minutes con't.

Sharon Johnson seconded the motion. It passed unanimously. Complete mileage will also be given to cars that break down.

Rick Hall requested \$100.00 for food for the pancake breakfast. Tom Morris made the motion for the funds, Sharon Johnson seconded it. The motion carried.

The club Halloween party will be at the home of the Marsh's, Nov. 2.

Rick Hall made a motion to reimburse Hal Martin for \$5.00 for tickets to the Angel baseball game. His tickets were used by some unknown person who forgot to pay for them. Sharon Johnson seconded it and it passed unanimously.

Bill Heller said Patsy wants all articles in by Sept. 3.

Hal Martin has this month's tech session scheduled at Glenn Johnson's house, 7:30 Sept 27th. Topic - painting. September's program for the general meeting will be an era fashion show and slides of past roundups.

Sharon Johnson said our up coming Round-up is coming along well with the exception of the bumper stickers. There is a shortage of the sticky material for the back of the paper. Red Hoffstatter is checking into the trophies. Ribbons and flowers were discussed for judges and host personnel.

Hal Martin made a motion for \$50.00 to buy patches for the club jackets. The supply is now quite low. Sharon seconded it. The motion passed.

The next board meeting will be held at Patsy and Bill Heller's house, Sept. 26, 1974.

There being no further business the meeting was adjourned.

Respectively Submitted,
Tom Morris, Secretary

HAUL'N WITH HALL
by Rick Hall

The beach party was really terrific-- thanks to all the help we had. A special thanks to Tom Hottel and Fred Yeav for getting up at the crack of dawn to go down and help me set everything up. Thank you to the Grunklee's and the Hellers for coming early and helping to prepare the food etc. Thank you too, to all the other people who chipped right in and helped out.

we are sure that you all had a good time at the beach and enjoyed all the good food and the "dig", so not it's time to work to raise some funds to replace our treasury. Our fall pancake breakfast is on Sept. 22 at Hart Park. We would appreciate it if you'll all turn out and work, and invite all your friends. We have lots of fliers, so pick up a few at the meeting to distribute to anyone you think might be interested. The poker fun following the breakfast is being planned by Tom Hottel and Hal Martin, so make sure your car is in good shape, it ought to be a hum-dinger!! There will be a charge of \$1.00 per hand.

On September 29 we've been challenged to a baseball game by the Diamond Tread chapter. For those of you who are new to this club, we really need your help on this one. Last year we let Diamond Tread stomp all over us on the ball field, but this year things will be different! The game will start at 11:00 at Boyer Park in Buona Park (behind the Japanese Deer Park). Only club members are allowed to play in the baseball game. Bring a picnic lunch for after the game. Glenn and Sharon Johnson are planning some fun activities for after lunch too.

We were sorry to have missed the Angel game. We understand that it was a little like watching a bowl of rice krispios, going snap, crackle, pop. But, I'm sure a good time was had by all. There was some confusion about the tickets, but thanks to Bev Marsh, and all her support things finally straightened themselves out. Thank you Bev.

Here are some dates to keep open. Oct. 19 is the Round-Up. Nov. 2 we are planning a costume Halloween party at the Marsh's.

ROUND-UP
Sharon Johnson

The plans for the Round Up are falling into place. Dash plaques and bumper sticker are ordered. Trophies are being ordered. We need more sales on the raffle tickets. Everyone wanted another trip so how about supporting your decision and selling some tickets.

The following little tidbits were sent to me by Sharon Johnson. They were taken

tidbits con't.

from a book called "Time Capsule-1929 that Glenn bought for her. Thanks Sharon for taking the time to copy some of them down for our paper.

In New York City, Frank ("Daredevil Jack") Latkowski did a jackknife dive from Brooklyn Bridge into the East River (138 ft.). He sprained his thumb!!

In Chicago, Mrs. Helen Johnson sued her Scotch husband, Arthur, for divorce. Claimed she: He would not let her use a vacuum cleaner lest it wear out the rugs; he would wake before the alarm clock's orison to save the spring; on July 4 he bought the children no firecrackers but ran about the house shouting "BOOM, BOOM, BOOM!!!

In Peabody, Mass., police raided a cemetery chapel, found a night club going full blast, arrested 36 people and confiscated 38 quarts of beer.

Playwright Eugene O'Neill married Charlotta Monterey, actress. In a prenuptial contract, Playwright O'Neill agreed to lease for 13 years the great Chateau de Plessis 25 miles from Tour, with a 600-acre game preserve. Miss Monterey also required installation of a roof garden, gymnasium, and swimming pool.

In Jackson, Tenn., Herbert Crane told his wife not to put the cat out. She did; he shot her.

In De Peyster Corners, N.Y., Mrs. Margaret Mason, 58, became despondent at the thought of losing her flock of turkeys at Thanksgiving time, set fire to their shed, died with the birds.

On June 3 Henry Ford met with President Herbert Hoover and discussed prohibition. He later stepped in front of the Press to announce that "Prohibition is here to stay. Absolute enforcement must come. Nobody wants to fly with a drunken aviator." (Mr. Ford did not know the Model A Club of Orange County!!!!!!)

MOVIE REVIEW

If anyone is interested, one of the best movies with classic cars in it is "Chinatown" with Jack Nicolson and Faye Dunaway. It is fast moving and one of

the most authentic movies we've seen in a while.

Sharon and Glenn Johnson

Thanks Sharon for sharing the cute quotes from your book and for the hint about the good movie.

PLEASE READ THIS NOTICE!!!!!!!

I just wanted to tell all of you how disappointed I am in you. So far, and this is September you know, only 250 raffle tickets for the Round-up have been turned in. All but a very few of these have been sold by 4 people. What happened to the rest of you!?!?!? There are 1300 tickets given out PLEASE if you have some sold bring them to the September meeting. If they are not sold get out and sell them PLEASE! And if you don't have enough interest in YOUR club to put forth a little effort to sell them, then turn them back into me.

Linda Hofstatter

FROM THE EDITOR

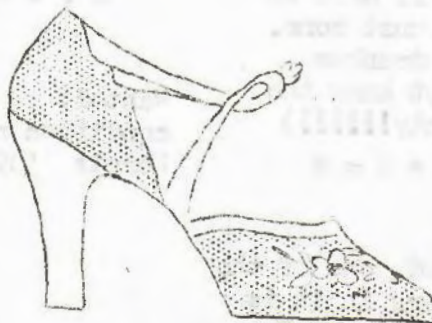

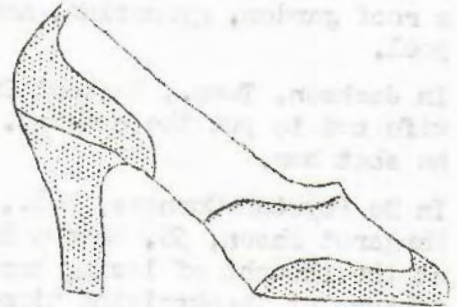

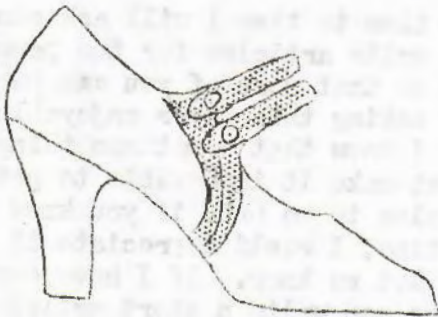

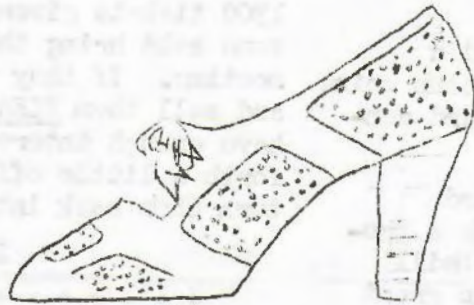

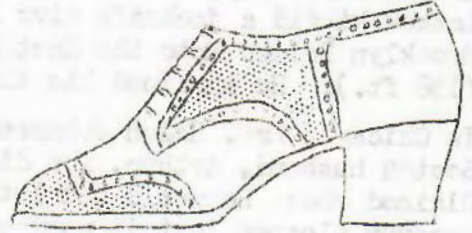

From time to time I will ask some of you to write articles for the paper. I do this so that more of you can participate in making this paper enjoyable reading. I know that sometimes things happen that make it impossible to get your articles to me but, if you know ahead of time, I would appreciate it if you could let me know. If I have enough time I then can write a short article myself. This month was a little confusing with the holiday falling the same time that I usually start the paper. So, if your paper is a day or so late please forgive. Thank you.
