DECEMBER MEETING

Date: Dec. 11, 1975
 Time: 7:30
 Place: Trident Jr. High-Anaheim

CONKOL'S QUOTES
 by Larry Conkol, President

December means club activities are limited to a few partys, giving you a chance to get all that shopping done and giving the club board members a chance to get 1976 goals sighted. Of coarse, those few partys are something definitely not to miss, starting with the Childrens Christmas Party at our Dec. 11 meeting (hopefully you've already notified Kim Krist if your children will be there), a Cocktail Party at Joe & Betty Eatherton's Friday Dec 12th (see Map) followed by the Adults Christmas Party at the South Coast Plaza Hotel (you should have purchased your tickets already- if not call me at 772-8937 and we'll see what can be done) and to close the year out a BYOB New Years Eve Party at our house (see map) Dec. 31 from 8 p.m. til? For the latter please consider this your personal invitation.

1975 has been a good year for the club, in no small way due to the efforts of people like Jackie and Steve Chambers - who operated our raffles at the monthly meeting, Linda and Karl Elliott - who made sure we had coffee and refreshments at the meetings, Matt Plotkin who attends the monthly ACCC meetings in L.A. and keeps us informed, Sheila Plotkin - who introduces our all - important new members and guests at the meetings, Sharon and Glen Johnsen - who initiated and collected our monthly contributions of childrens items to the Albert Sitten Home, Bev Marsh - who took and filled all the

club clothing orders, Jim Douglass who made all the arrangements for our bowling league and Joe Morgan who started and kept our club Partys and Services Directory updated. Add to these Kim Krist and Beth Sales who are presently working on our Childrens and Adults Christmas Partys, respectively, and you can see why our club is so enjoyable. Of coarse this is by no means a complete list because of the many others who helped whenever and wherever they could. Thank you all.

1976 is an opportunity for new members to get involved and older members to try out new club responsibilities. All the above jobs are annual and are made available in January. Some have asked to continue - others cannot. Do you think the club is worth the effort? If so, let me or our 1976 President know if you can handle one.

There will be a band concert in our regular meeting place on Dec. 11th so our meeting will be held in the Trident Jr. High library (1800 W. Ball Rd., Anaheim) this month. Please park on the east side of the campus (not the drive next to the tennis courts). The library is just south of the flag pole (see map). The program - our Childrens Christmas Party.

See you there at 7:30.

BOARD MEETING MINUTES 11-28-75

The board meeting at the Grunklee's was called to order by president Larry Conkol. Secretary's report was read and approved as read.

In Gary Barnes absence Larry read his report on coming activities, Dec. 11th general meeting with the Childrens Christmas party. Dec. 12th Adult Christmas party at South Coast Plaza Hotel. AACA Swap meet Dec. 27 at Cars of the Stars. New Years Party at Larry Conkol's.

Articles to Kathy are due Dec. 1.

Rick Hall on technical seminars for Dec. said nothing is planned for this month because of the holidays.

Larry said a letter was sent by registered mail to all the National Board members in regards to the tallying and changing of scores at the national meet.

Our pancake breakfast date and reservations at Hart Park have been approved by the Orange City Council for March 21, 1976. A \$12 fee req. Our December meeting will be held in the Library at Trident school instead of the gym.

Because our regular board meeting night falls on Christmas this year we will have it on Wed. Dec. 17th. This will be a joint board meeting. Location to be announced at the meeting. We will be asking for volunteers to fill some of the non elective jobs for next year.

Shelia and Matt Plotkin were guests at the board meeting and a discussion was held on how to make new members feel wanted and how to involve them in club activities. Some of the ideas will be tried and we hope will work out to our benefit. Meeting adjourned.

Respectfully Submitted

The day of the tour turned out to be beautiful weather and a great way to spend the day.

Johnson's, Grunklee's, Boef's and Elliott's, all left earlier in the day and went to the Rose Bowl swap meet. Thanks to "Navigator Sharon" they got to the library via the "scenic route." Sometimes, you get no credit for at least trying, huh, Sharon? "Jack-in-the-box" even provided a long wait for lunch. Anyway, they made it to the library at about the same time as we.

Conkols, Matheys, Barneses, Chamberlins, Marshes, and Kelly Craig left Buena Park about noon and met the other group at the museum.

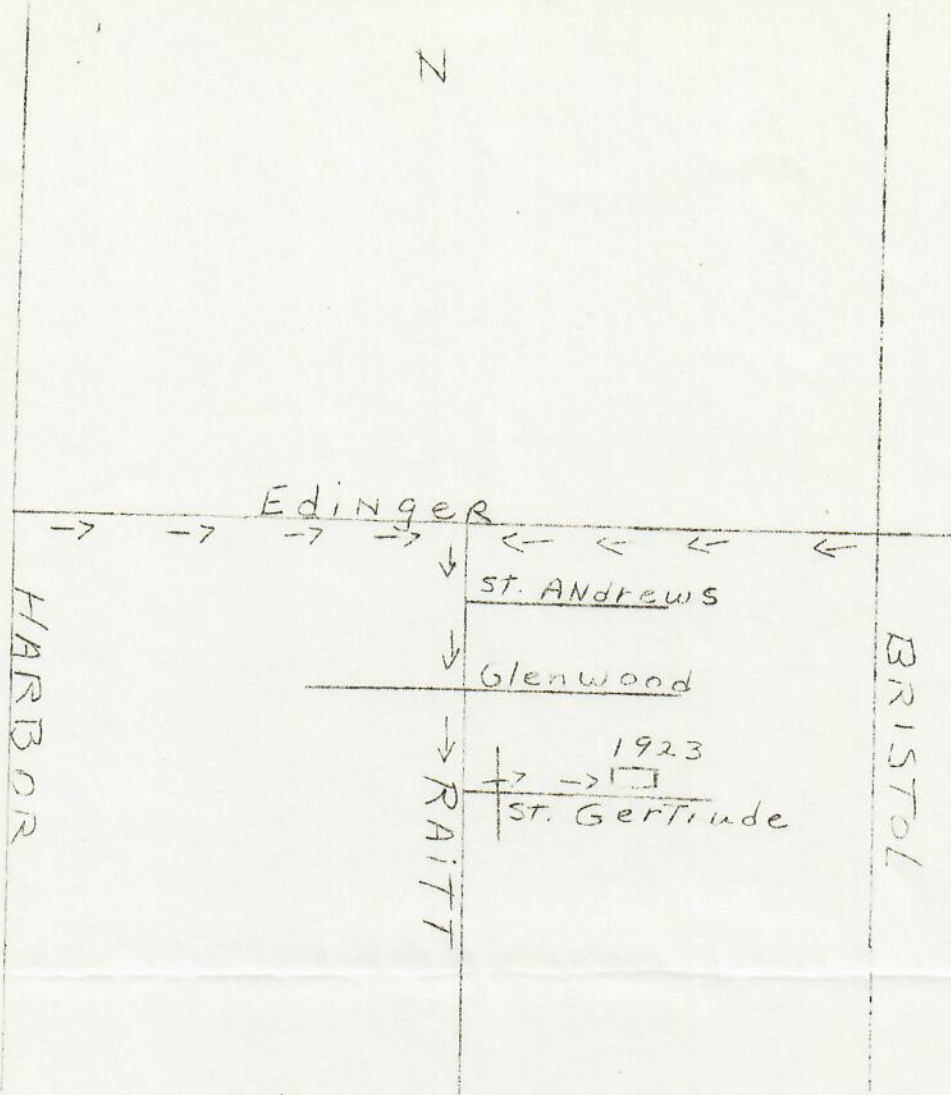

There were three main parts of the library. The library contained all kinds of rare manuscripts, books, and a special showing of Bi-Centennial memorabilia. The Art Gallery is in the original Huntington residence. Wow, what a fantastic home they had! Every room was beautiful with so many beautiful objects of art. The "main Gallery" is said to contain 9 billion dollars worth of paintings! Included among these are "Pinkie" and "Blue Boy".

The grounds were so beautiful. There were many separate gardens with trees and shrubs from all over the world. There was a huge fountain and mausoleum. Everything was so scenic and interesting and to think, all of this is free to the public!

Gary had good maps and led us to exactly the right place, then on the way home, he got us directly to "Bob's" for dinner. There were no car break-downs and thanks to Gary, we all had an enjoyable day and maybe a little "culture" even rubbed off on us.
