CONKOL'S QUOTES

by Larry Conkol, President

March of course, means our Spring Pancake Breakfast which is more than a week away as I write this and a few days ago as you read it - so I'll just say I hope you had a good time and thank Maynard Grunklee, Rak and everyone else who planned and worked at the breakfast and poker run.

Last month dinner aboard the Princess Louise and the cocktail party before was not only a lot of fun but Gary's idea to invite other "A" clubs in the area worked out very well. Gary and Rosie made all the arrangements. Thank you.

As expected at a Tech Session given by Glenn Johnson everything was explained and demonstrated completely - those who attended now know why Glenn's A's always look freshly restored.

The only bad thing about the San Diego Tour was the turn-out -- five Model A's and two modern cars -- really! The next long tour is to Yuma, Arizona April 11, 12, 13, so give the A a tune-up; change the oil; check the tires and come along. It could be a fun trip - it's my favorite.

Jim Douglass has made the arrangements for our Summer Bowling League, which is no easy feat as any of you who have tried to get a lane or two at a local bowling alley any evening lately know -- automatic scorekeeping too. See Jim's article for details.

Joe Morgan has a good idea - a Service Directory of firms doing the kind of work our A's deserve and we can afford. Joe will start the Directory, which he will have at the monthly meetings. It will contain the names of cadium platers, machine shops, radiator shops, etc. which members have used and can recommend. We will accept no money for advertising from these firms and will continually update the directory.

Sheila Plotkin is replacing Kathy Hottel as our Hospitality Hostess. Kathy's schedule was rearranged making it necessary to miss our monthly meetings. She got us off to a good start this year and I'm sure Sheila will also make our guests and new members feel welcome. Thank you for volunteering Sheila.

Our club Treasurer has a new tax exemption - Jonathan William was born Feb. 25. Congratulations Tom and Barbara Morris.

If you've been wondering what to do with that 21 inch wheel or the 1929 headlight bar you bought for your 1931 roadster just bring it to the March meeting along with that tie, cologne or other Christmas present that proved the thought more important than the gift. The new or used donation will benefit the club's treasury and at the same time provide us with a lot of fun bidding on these items. The business part of the meeting will be kept short to allow plenty of time for the White Elephant Sale. Please bring the item in a bag or box as it may or may not be sold unopened by our best

Quotes Con't.

auctioneer, Larry Boef.

This month only, the general meeting will be at Katella High School, 2200 E. Wagner, Anaheim. This is one large block south of the usual location. The meeting and White Elephant Sale will be in the Multi-purpose room on the east side of the campus.

See you there March 13th at 7:30

BARNEY'S BRIEFS

by Gary Barnes, Activities Chairman

The Princess Louise was a ball. See Bev's article and many thanks to her for writing it. While I am giving out thanks I forgot to thank Pam for her article on the Arboritum tour. Thanks Pam.

Don't go to the CHVA Swap meet at Cars of Stars on the 16th, it has been changed to the 9th.

All of you who plan to go to Yuma, get in touch with Larry to let him know you are going. This is a great tour and nothing but fun. Larry says you don't get hangovers there. Something about the weather -- would you believe, the water????

April 20th is one of the big ones, our Busch Gardens Tour!! Come see Jim try and drink the place dry. He made a real good effort last time with a minor assist from myself and he claims he has been practicing alot since then. We are inviting other clubs to tour with us, so there should be a real good turn out.

It will start Wed. evening May 28th at 6:30 pm. Baby sitting is provided. A meeting for all bowlers will be held May 21st to organize teams, rules etc.

Yuma and San Mateo would like a couple of names for Jr. and Sr. Judges for their meets. It was suggested to Rick Hall to

Minutes, con't.

have a couple of seminars in judging to get more members interested.

Joe Morgan has a suggestion for a tour to a collection of antique cars and musical instruments. It is a private collection owned by J.C. Neathercot owner of Merle Norman Cosmetics at Sylmar. Tours for this year are all booked so we would have to make reservations now for next Jan. There are 2 tours on Saturdays, each limited to 52 people. No children under 12 and it is free.

A discussion on selling ads to be published in the Distributor or making up a service bulletin for club members listing agencies and services available to them. No decision made at this time.

Larry Conkol announced we will need to find a new meeting place as the school will not be available to us after June. He asked that we all inquire in local areas and see what is available. We need one that is centrally located, large enough and reasonable rent or free. Motion made by Gary Barnes that we give a National Membership to the Albert Sitton Home so they will receive the Restorer magazine. 2nd by Patsy Heller.

Next meeting at Gary Barnes, March 27.

Meeting adjourned

Respectfully Submitted,  
Lorna Grunklee,  
Secretary

A - dvice

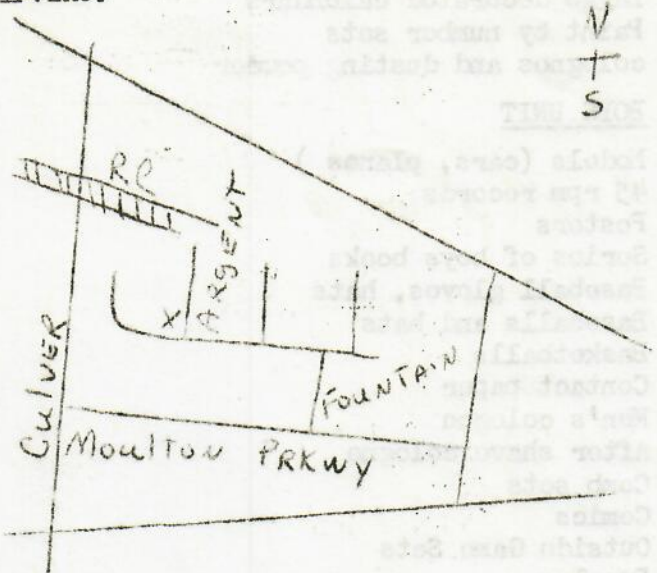

by Rick Hall

The program for our next meeting, on Mar. 13, will be the White Elephant Sale. Bring all your white elephants (no pink ones, please) to be auctioned off. Bring your pennies, too, so you don't go home empty handed!

I'd like to thank Glen Johnson for the outstanding seminar on front ends. Glen has also held seminars on rear ends and body work in the past. Thanks Glen. (Too bad Model A's don't have legs!)

Our next seminar will be on carburetors. Ray Griffin and Bill Vaughn will be our hosts. Ray and Bill have asked everyone attending to bring a carburetor (Aenith

or Tillotson), a small crescent wrench, and a small screw driver. This is one we have all been waiting for, so lets all turn out on Friday, March 21 at 7:30. Below is a map to Ray Griffins house in Irvine.

SHIP AHOY!

Even if you're strictly a "land lubber", you would have loved having dinner on the "USS Princess Louise".

The evening began with a very nice cocktail party at the home of Gary and Rosie Barnes. From there we caravanned down to the ship which is anchored near the foot of the "Vincent Thomas Bridge" in Long Beach

The "crew" from Orange County was Conkols Marshes, Christensens, Morgans, Zinns, Boris', Silvas, Johnsons, Vaughns, Masons Jensen, Trails, Martins, Grunklees, Staibs, and Barnes. Also joining us from other clubs mostly Diamond Tread were the Poggiones, Jenkins, Malloys, Swains, Otts, Dyers, Callenders, Peters, Baldwins and Vorarchacks.

The ship is beautifully restored to the '30's era complete with crew's quarters. there was also a museum and quaint shops. The meal was delicious and the service was excellent. Afterwards, we had the use of the room for dancing but not many took advantage of it. Many wound up upstairs dancing to the band until the "wee small hours of the morning". Hal and Jean Martin might still be there, "tripping the light fantastic". They showed no signs of slowing down when we left.

A big "Thank You" to Gary Barnes for arranging such a evening of fun.

CONGRATULATIONS

Congratulation also this month to Jack and Bobby Roggenbuck on the birth of their first grandchild, a boy born Jan. 24.
