- June 26 San Sylmar Auto Collection & Mechanical Musical Instrument Collection Tour
- July 3-4-5 Party at Ruth & Kelly Craig's Starts Noon Sat.
- July 8 General Meeting

BOARD MEETING MINUTES 5-27-76

The board met at Marcacci's & was called to order by President Glenn Johnson. Secretary's report read & approved as read. Treasurer's report read & approved. Activities report by Larry Conkol. There will be a tour to Fallbrook June 4th and our annual camp-out is June 18, 19, & 20 @ El Lorro campgrounds.

Technical advisor Joe Eatherton stated we will again have the Ditzler paint representative at our June meeting. On Friday June 11th at 7 p.m. there will be a seminar at Larry Boef's on assembling an engine.

Karl Elliott listed his committee chairmen for the Round-up. Registration - Jim & Pat Douglas, Judges - Bill Vaughn, Tallying - Joe Eatherton, Goody bags - Darlene & George Steib, Raffle prizes - Joan & Rak Krist, Traffic - Dave Nelsen.

Motion by Larry Conkol to purchase 250 dash plaques 2nd by Gary Barnes motion carried. Motion by Gary Barnes to buy the frames for Round up trophies. 2nd by Kathy Marcacci motion carried.

Tickets are to be printed for our Quilt raffle for the Round-up.

Motion by Gary Barnes for the club to purchase 2 spaces at the Long Beach T-Club swap meet, for our club to sell raffle tickets etc. 2nd by Karl motion carried.

The next car show is at Huntington Center June 17-18-19-20. 20 cars are needed for the show. Also on June 10th @ Bristol Town & Country at Bristol & Mac Arther 20 cars are needed. \$20 a car and a one day show.

In September there will be a 4 day car show at Westminster Mall. We will receive \$15 a day per car. 25 cars needed.

cont.

A discussion was held regarding the use of the money earned for the club at these car shows. Wanting to use it for something special for the club.

Bill Vaughn reported he had been to the Isac Walton Club house in Santa Ana recently. The club house has been enlarged. It was decided to hold a meeting there in July and see if it is large enough to accomodate our club. The rent is \$25 a month, but the club would be assured of a permanent meeting place. A vote will be taken from all club membership after the July meeting.

Purchase of a new typewriter for the club was tabled until after the June car show. Club tools & tour box was discussed. New tools are to be purchased that we feel are needed.

Mary Stockard is taking over coffee chairman duties.

Sharon Johnson will be hospitality chairman & will give out envelopes to new members with by-laws, tour rules & club decal.

Bill Vaughn told of a new restaurant, "Bessie Wall", on Tustin Ave. Decor of the 1920's plus Antiques. Owner is to call Bill regarding our club participating in the Grand opening. Motion by Gary to adjourn. 2nd by Lorna - carried.

Respectfully Submitted
Lorna Grunklee
Secretary
532-1418

CLUB ACTIVITIES
by Larry Conkol
772-8937

June has car shows, tours, swap meets, the camp-out & a club fund raising event this year, all followed by a party the first

week-end in July.

JUNE 4-5

Our tour to the Fallbrook Car Show and Parts Exchange sponsored by the Antique Automobile Club will leave the Orange Mall at 5 p.m. Friday. The events take place at Fallbrook High School. We will be staying at the Village Inn overnight. Following the swap meet we'll return Saturday afternoon.

JUNE 17-20

You should receive a call shortly regarding our Huntington Center Car Show.

JUNE 18-19-20

Our camp-out at El Lorro is a mileage tour although the trip there is on your own due to the various starting times. The campground is 4 miles east of Ramona on Hwy 78 (phone (714) 789-1755). There will be games for the kids as well as adults. Some things to bring would be swim suits, lawn chairs & wood for your fire. Also please bring some extra wood for our club campfire Fri & Sat. evenings.

JUNE 26

The tour to San Sylmar leaves the Orange Mall Saturday at 11 a.m. The destination is also known as the Tower of Beauty and contains a very impressive collection of classic automobiles and mechanical musical instruments. We are limited to 50 people and there are only 3 openings left! We have been reminded smoking, tape recorders and flash equipment as well as shorts and jeans are not permitted. Children under 12 will not be admitted.

JULY 3-4-5

Well, you've finally been invited to a party that starts at noon Saturday and lasts the entire holiday week-end. Ruth & Kelly Craig have invited us to their beautiful new home in Tustin. The pool is great so don't forget your swim suit. Most important you must bring your Model A - if it is not

running call a member near you and see if you can ride together or call me and I'll see that a Model A meets you. When you arrive let Ruth or Kelly know what time you're expected at work July 6th - just in case. This is definitely not a party to miss. A map to the Craigs is included in this issue.

Those of you who missed going to Bakersfield last month for Golden Empires Bar B-Q and Car Show missed a great time with some of the best hosts & hostesses around.

Bev Marsh has offered to organize our progressive dinner July 17th for which I am very grateful. Someone is still needed for the main course - the Westminister, Huntington Beach, Orange area would be ideal. If you would like to help in this way call Bev at 839-5203. Tickets will be on sale for \$2 per person at the June meeting.

Don't forget the MARC National Convention which will be held at the Anaheim Convention Center July 21 thru 24th.

See you June 10th.

ROUND-UP REPORT
by Karl Elliott

Everything is going great. I've had some excellent volunteers for the chairmen of the various committees. When these people call on you offer to help, it will make their job much easier.

The picture frames & dash plaques are ordered.

I've seen the room reserved at the Los Coyotes Country Club & it is very nice.

Here is a list of the committee.

chairmen. Registration - Jim & Pat Douglas, Judging - Bill Vaughn, Tally - Joe Eatherton, Goody Bags George & Darlene Staib, Raffle - Rak Krist, & Traffic - Dave Nelson.

JOE'S JARGON
by Joe Eatherton
545-1435

This month seminar will be at Larry Boef. He is going to assemble a Model "A" engine. Seminar will be Friday June 11 at 7 p.m. at his house. Map in this paper.

This month meeting we are going to have Mr. Dick Mancinelli from Ditzler paint back again for more information on painting.

This month tips will be Model "A" don't.

Don't over-tighten head studs. This can cause warped head & water leaks. Use recommended torque pressure & alternating pattern.

Don't forget to add a table spoon of engine oil to each cylinder before installing head. This protects cylinder walls upon starting the engine.

Don't tighten water pump packing nut to tight. This could cause pump shaft to become scored.

Don't start up a new engine before you add engine oil to the distributor shaft hole in the head. This fills up the oil pan tray. This helps to get oil to the rods in a hurry.

Don't blame your tired old Model "A" engine for lose of power at high speed. This could be caused by a weak camshaft spring. Replace with a new one.

Don't install head studs with out first cleaning out each hole first. Head studs should protrude 2 3/4 inches above the top of the engine
cont.

block. Water outlet studs should protrude five inches.

BAKERSFIELD '76
by Pat Douglass

Friday evening, May 7th, found 13 of our Orange Co. Families in Bakersfield for the Golden Empires 4th annual car show & Bar-B-Q.

After getting settled in our rooms, some swimming, socializing and a bite to eat, we all went to a cocktail party hosted by Ron & Deanie Sherin in their home.

We all left with the intention of getting up early for the show & Bar-B-Q - BUT - not ALL went right to bed!!! Seems Kelly Craig had his car "Stolen" and even called in the Police! From which we learned one thing, the Bakersfield police don't know the difference between a '29 green pickup and a '30 yellow Roadster!! As usual, Ruth found Kelly's wandering "A"! I don't think I've ever seen Kelly sober up so fast! He was sure one of our members had stolen his car. Can you imagine any of our illustrious Orange Co. members doing such a dastardly deed??

After breakfast Saturday morning we headed for the Labor Hall where the events were to be held. Some of us needed ice, so Glenn Johnson, taking the lead, stopped at the nearest Liquor store where we also saw some of the local color!!

There was a nice grassy area to park the cars and upstairs around the Labor Hall were umbrella topped tables to sit and visit at. They had fun & games for the children & beer; pop & door prizes for the adults.

Kelly (Black Bart) Craig arrived wearing his genuine Wells Fargo

Agents badge & threatened to arrest us all & have us extradited to Arizona, poor guy still couldn't figure out what happened to his car!

About 2.00 a line formed for a luscious Bar-B-Q. The cooking was done by Al & Josie Gallardo and, I might add, very well done. When we had partaked of all we could hold (including homemade deserts) we wandered back to good old Rancho Bakersfield to do our own "thing" before the dance & awards that evening.

The weather was beautiful that evening so most of us sat outside, going in to dance to a very talented trio, receive awards & to claim door prizes. During the evening Rak was officially dubbed "the Rhinestone Cowboy" - Rhinestones and all - he certainly wear's them well, right guys?!!

Trophies went to the following Orange Co. members:
Kelly Craig - 1st Place-Lite Comm.
Karl Elliott-1st " -28-29 closed
Rak Krist - 1st " -30-31 open
Vince Mariola-1st " -modified
Glenn Johnson- 2nd -28-29 open
George Staib- 2nd -Elite class
Larry Conkol- 3rd -30-31 closed
Jin Marsh- 3rd -28-29 open
Glenn Bowers- 2nd -30-31 closed
Club participation-Orange County M.A.F.C.A.
1st Place for door prizes: Pat & Jin Douglass.

Those attending that were not mentioned above were the Marcacci's Vaughn's and Stockard's.

All in all, it was a fun trip and meet, which is shaping up to be one of the best in So. Calif. If you couldn't make it this year you really missed a good meet, so plan on it next year when it's announced, you won't be sorry. Deanie Sherin was in charge of the meet and even made the beautiful

cont:

Macrame plant hangers and my cross eyed owl (which she so heartlessly gave to someone else) for door prizes. I think she did a fantastic job.

The only car trouble was with Bev Marsh in the "Back up Van", which lost some tread on the way home Sunday and to be on the safe side stopped & bought a new tire.

Hi Gang!

.....And this afternoon the weatherman says "RAIN".

I'll bet it only took that part of a sentence to know who is writing this article. Right?

I want to take this chance to thank all of you for the great "going away party" you had for us. We had a wonderful time and really appreciate your thoughtfulness. We've never known such good friends as we had in all of you.

I'd better cut it out before I start bawling.

Now some news about Mountlake Terrace, Wash. First of all----- we love it. It's sooooo green & clear & beautiful. We have had a lot of rain but when it's nice, it can't be beat.

We haven't had a chance to join the "A" club as yet but we will soon. Boy, there sure are some nice old cars around up here. It seems like there are a lot on the road. We see all kinds from the late 30's & early 40's.

The shoe shop is doing fine and we really like it. It seems to be the answer to our prayers.

We have bought an old house on 7 acres of land. We probably won't be in by the Father's Day Camp Out but next year we'll have plenty of room for all of you! The prop-

erty has a stream running through it and we even got a beautiful horse with the place. We will be buying a beef, some chickens and a pig when we get settled. We have already started digging up a garden & will probably plant this weekend (Memorial Weekend). It must sound like we've really lost marbles but if we have it sure feels good. ha-ha

I suppose some of you are getting ready for Nashville. I sure wish we could join you but I don't think its possible this year. Have a good time though and stomp your feet at the Grand Ole Opre a couple of times for us.

Well, I guess I've taken up enough space in the paper for this time.

Remember we love you all & miss you very much. And we would love to have you come see us anytime.

GLENN'S GRAFFITI
by Glenn Johnson, President
528-0891

Summertime is almost here along with all the good times, warm weather, long days, & fun it always brings. I hope your all planning on going to our annual camp

cont.

out this month. I never was a camper until three years ago when Sharon almost had to drag me to the Model A campout. I had such a super good time that year that I haven't missed a campout since. See Larry Conkol's article for more information on the campout plus some other events & tours this month. Remember if you are a new member, the best way to get involved with our club is to participate in as many club events & tours as you can. Before you know it your grass will need cutting, your house will need paint, & your modern car will start to look tacky but you'll have lots of new friends, a shiny Model A & be having more fun than you've ever had.

On June 17-19 we are going to put on another car show at the Huntington Center in Huntington Beach. It will be very similar to the show we had there last fall. We will set up the show on Wednesday night June 16 after bowling & leave the cars there until Sunday night June 19. We will be paid \$400. for 20 cars in the show. If you have not already been contacted and would like to show your car at this event, please call me. While were on the subject of car shows and money I would like to tell you about two other similar offers we have recieved. One is from the Bristol Town & Country Center. They would like a 20-25 car one day show on Sat. July 10 similar to the one we had at the Orange Town & Country Center a couple of months ago. They will pay \$20 per car for a minun of 20 cars for one day. The other offer is for half of a 50 car show at the Westminister Mall on Sept. 16-19. We will supply the 25 cars & the AACA will supply the other 25. The Westminister Mall will pay us \$15. per car per day for four days. Now I know that it takes a little time & effort to get your car down to these shows &

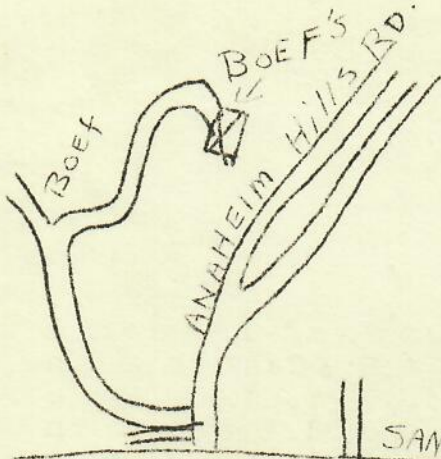

have to go back & pick it up but WOW thats a lot of money for a little effort. About the money, I think that maybe instead of just putting all the money in our bank accounts & talking about all the money we have we should start to spend some of it for the benifit of the club. Here are some ideas I had for ways to spend some of the money: 1-a new typewriter; 2-better Round-up prizes & trophies; 3-club tools like an engine hoist or spring spreader; 4-free lodging for all Model A drivers on one of our overnight tours; 5-a club car trailer. I'm sure everyone will have some ideas about how to spend the money. Lets think about and talk about all the ideas & maybe we can by something with this money I hope were going to make in the next few months. What we're going to need is everyones help to make the money before we spend it.

At the last board meeting we discussed the possibility of moving back to the old meeting place at the Isac Walton club house in Santa Ana. We decided to give it a 1 month trial for the JULY general meeting. We will discuss this further at this months meeting which will be held at our usual place.
