GLENN'S GRAFFITI
by Glenn Johnson, President
528-0891

First of All I'd like to tell everyone who was not at the Sept. meeting that those who were present voted to keep Trident Jr. High School as our regular meeting place.

Thank you to everyone who participated in the two Shopping Center car shows in Sept. I'm pretty sure we had the required number of cars at both shows so we should

have a healthy treasury in October. This paper was typed on the new typewriter we bought with car show money and we are thinking of buying a hydraulic engine hoist next. Jim Marsh our tool man is looking into the cost of a new knock-down engine hoist for the club. I'd like to once again give special thanks to Kevin Vidal who stayed at the shopping malls from opening to closing time at both shows. Kevin kept spectators from handling the cars, worked on some cars that were leaking gasoline and kept all the cars sparkling clean.

Our Round-up at the Movieland Wax Museum is just around the corner. Karl Elliott has been working hard all year to make this the best Round-up ever. See Karl's article for Round-up details so you won't miss any of the fun events at our 14th annual Round-up. Also don't forget to sell those quilt tickets. The quilt is almost finished and will be displayed at the October meeting. I'ts going to be so beautiful that you might just want to buy all your tickets yourself.

Speaking of tickets, Joan Krist is selling tickets to our adult Christmas party. The price is \$25. per couple which includes dinner, dancing, and breakfast. The Christmas party is always one of the highlights of the year so see Joan and get your tickets early. We need someone to organize the childrens Christmas party. The childrens Christmas party is usually held at our December meeting. If you can help with this party please let me know as soon as possible.

received excellent response from our visitations and expect a good turnout from the other Chapters.

If anyone has anymore goody bag items, please call the Staibs. S Due to too many conflicting busy schedules there will be no stuffing party this year.

If your at the Round-up with time to spare contact a committee chairman and offer to help. Dave Nelson has traffic; Jim Douglass registration and Rak & Joan for raffle.

Tell everyone you know about the Round-up. Spectators are welcome.

CLUB ACTIVITIES
by Larry Conkol

Thanks for your participation in our car shows, it sure makes it easier on us board members not worrying about making money for the club at every event. I hope you agree our time is better spent planning events of interest to us all and making purchases of new club equipment which is available to us as members.

Oct. 2-3

Here's a last minute reminder of a fun week-end planned by the Whittier Chapter at their 15th annual Rim of the World at Lake Gregory. Call me and I'll find a place for you to stay. Our tour leaves the Orange Mall at 8:30 AM Saturday.

Oct. 16

Our 14th annual Round-Up at Movieland Wax Museum in Buena Park is like Easter Sunday - it brings out 99% of the membership. Karl Elliott has a lot of members working hard to make it a huge success. It looks like we will have good participation again by all the surrounding Model A clubs

so don't forget your camers. Some Model A'ers don't belong to clubs so extend a personal invitation to those you know.

Oct. 17

The Pomona Valley Chapter's car show and swap meet at the L. A. Fairgrounds gives you a chance to participate in a car show and find some more original parts for your A at the same time. How often can you compare a swap meet part to one on a well - restored A before you buy it? Our tour leaves the Orange Mall at 9:30 A.M. - Bring a picnic lunch.

Oct. 24

The all Ford Picnic and car show by Early Ford V-8 Club gives you a chance to see Fords from almost new to almost 70 years old. Again bring a picnic lunch. Our tour leaves the Orange Mall at 9:30 AM.

Nov. 7

Our Apple tour to Julian is your chance to stock-up on apples and cider and at the same time enjoy and approx. 200 mile round trip in your Model A. Don't forget that picnic basket (By now it should be a part of your personal tour kit.) I'll do my best to find some interesting paved roads for the tour which leaves the Orange Mall at 9 AM.

See you Oct. 14th.

ELECTION TIME

Anyone interested in running for the Board of Directors of the Model A Club please give me a call.
