THE PREZ SEZ

by Karl Elliot, President
 998-4754

I'm happy to say that Pat Douglass has volunteered to be the editor of the Distributor. Pat was the editor several years ago so I know she will be doing a fine job putting together and printing the paper along with working for the club as one of the Board Members.

Be sure to bring your \$20.00 to the Nov. meeting for your adult Christmas Party tickets. Dec. too late!!! Remember it's \$20.00 a couple for Prime Rib dinner, dancing and breakfast.

Irene Sharpe will have the name badges at the meeting so figure out how many you need and get them. Be sure to read all the articles in the paper so you won't miss any activities coming in the future.

Thanks to Mary & Mike Livingston for the fantastic Halloween Party. A NOTE ON THE ROUNDUP
 It appears as the club may have lost some money on this year's Roundup. Some costs were naturally up a little bit but the real reason is a result of the steady trend of fewer registrations we have each year and this year we fell short of making all the bills.

For those of you who are concerned I would like you to write down your views and give them to me at the meeting. Think about changes that might be made, new ideas or maybe we should not have this type of show in the future. Just let me know by writing your thoughts and I'll get back to you in the Dec. Distributor.

So long for now,
 Karl

Johnson's Journeys

Car shows, gymkhanas, parades and
all the other events we participate
in are fun but for me the best show
and the most exciting parade of all
is being part of a 15-20 car Model
A tour driving down the freeway..
I don't think the people in the
modern cars whizzing by believe what
they are seeing. They blow their
horns, wave, take pictures and best
of all they are smiling. If you have
a running Model A and haven't been
going on tours, I hope you will come
along with us next time. You're miss-
ing the most fun of owning an anti-
ique car.

In November we will have two mile-
age tours. The first tour is to San
Diego MAFCA, fun meet at the Islandia
Hotel in San Diego, On Nov. 4-6.
Plans for this tour were made at the
last general meeting because it will
be over by the time this issue of
the Distribator comes out.

Our second mileage tour this month
will be to the San Gabriel Valley
Chapter's 4th annual Turkey Trot on
Sun. Nov. 20th. The Turkey Trot is
a rally type event beginning in the
early afternoon and ending at a
smorgasbord restaurant for dinner
and awards.. Our tour to the Turkey
Trot will leave the Orange Mall at
11:30 A. M. and return after dinner.

Now that autumn is here and we can't
depend on sunshine for all our tours
I'd like to remind of our tour-weat-
her rules. #1. If it's raining one

hour before we are supposed to leave
the tour is cancelled. #2 If the
weathermans rain predictions are 50%
or less, and the streets are dry,
the tour will leave on schedule.
#3 If the rain prediction is more
than 50% and the streets are dry,
put on your side curtains, check
your windshield wiper, and bring a
plastic tarp if your A is a leaker
because we will leave on schedule
as long as it doesn't start rain-
ing before tour time.

Our Oct. seminar on polishing stain-
less was not as well attended as
usual. If you missed it you miss-
ed a chance to pick up some impor-
tant tips. Thanks to Glen Bowens
for a fine job.

Our Nov. seminar will be Friday,
Nov. 11th at 7:30 at Tom Schenk
it will be removing the body from
the A. See map..

Our Nov. meeting is our Pot Luck.
It will be at 6:30. Please plan
to attend and bring the following:
a main dish, plus, if your last
name begins with A-M bring a dessert
If your last name begins with N-Z
bring a salad or a vegetable dish.
Also bring your own plates and
silverware.

A big thanks to Larry Conkol, Pam
Heiland and Roger Hurst for bring-
ing cookies for our last meeting.

Goodie Bags

Thanks to Matt Plotkin, Bud Yunker
(of Crown Co. Realty) and Sharon
Johnson for getting goodies for the
Round-up.

Thanks again to all the other mem-
bers who got busy and helped make
the goodie bags really stuffed.

The club has an opportunity to go to Disneyland on Dec. 3rd from 8p.m. to 1a.m. for \$5.75 per person. One price includes all rides. If you want to go let Glenn Johnson know and give him your money at the Nov. meeting.
