THE PREZ SEZ
by Karl Elliott, President
998-4754

Summer is coming to an end and we've had a lot of fun. There are still some very good tours coming this month, be sure and read the calendar and don't miss out.

On Sept. 8 thru 9 we will be showing our cars at the Huntington Center. If you could show your car and were not contacted, call Glenn Johnson at 528-0891. Remember if you were contacted this is an excellent way for the club to earn money.

Phil Ricketts needs a volunteer to be Judging Chairperson for the Round-Up. Please let one of the board members know if you would like to do it. Time is getting short!!!

Now is the time to think about being on the board next year and really getting involved in the operations of the club. We will be setting up nominating forces soon, so get involved.

I'll see you at the meeting on Sept. 8, same time same place.

GOODIE BAGS

Come on you guys - the Round-Up is only about a month away and most of the members haven't collected or donated anything for our "Goodie Bags". Have you done your share?

Bev Marsh
839-5203

SEPTEMBER BOARD MEETING

The board meeting met at Karl Elliotts. The meeting was called to order by President Karl Elliott.

Secretarys report read and approved. Treasurers report read and approved as read.

Activities report by Glenn Johnson. Virgil Stockard-Tech. Advisor: The last seminar really beneficial.

Round-Up report: Phil Ricketts says he still needs a chairperson to get together a judging committee. The dash plaques and frames for trophies are all ordered.

More discussion on the Adult Xmas party.

Articles are due 8/29/77.

Next board meeting will be at Virgil Stockards.

Meeting adjourned.

Respectfully submitted
Peggy Word
Secretary
892-5103

JOHNSON'S JOURNEYS
by Glenn Johnson
528-0891

In Sept. there are several conflicting events taking place on the same weekends but I think with a little planning we can make it to almost all of them. On Sept. 9, 10, 11 the Whittier Chapter is sponsoring their Rim of the World tour to Crestline & Lake Gregory. Rim of the World is a Gymkhana and dinner that has always been a great time. We have rented a large cabin at San Mority for two nights

but space is limited so if you want to go to Rim of the World please let me know as soon as possible or at the meeting.

The tour to Rim of the World will leave the Orange Mall at 7 PM Friday night Sept. 9th.

On Sunday Sept. 11 we will leave Crestline at about 9:30 AM and tour to Lytle Creek Park in San Bernardino for the Paradise Valley Chapters Bar B Que and Gymkhana. For those who did not go to Rim of the World there will be a tour leaving the Orange Mall at 9:30 for the Paradise Valley Bar B Que.

The following week Sept. 16, 17, 18 is the Diamond Tread Chapter Car Show at Griswolds in Claremont. We will discuss a tour to this show at the meeting!!

VIRGIL STOCKARD
TECHNICAL ADVISOR
893-2502

For those of you that did not attend the last seminar, you missed a very very good one on painting. It was well attended. We had about 20 - 25 people. I would like to thank Matt Plotkins for supplying the place for us to have the seminar.

We have rescheduled the Anaheim Par-Medics again for the month of Sept. They were out on a call during our last meeting and could not make it as planned.

The tasty treats you ate at our August general meeting were supplied by Louise Bowers, Dick Carter and Mary Stockard. Thank You!!

PROGRESSIVE DINNER
by Darlene Stinnett

The 1977 Progressive Dinner was a super success with 72 people turning out to enjoy the delicious meal. We began with a beautiful drive along Pacific Coast Hwy. to Mike and Mary Livingston's for Hors d'oeuvres and champagne. Our arrival was announced by a siren sounding allowing all 22 Model A's to pass through the private gate at Emerald Bay.

For our second course we went to Dick & Dionne McNabb's for minestrone soup. We then proceeded to Chuck & Darlene Stinnett's for salad, Glenn & Sharon Johnson's for lasagne, where we were treated to Disneyland's fireworks on the way, and then to Karl & Linda Elliott's for dessert. We ended our five-course dinner with a party at Virgil & Mary Stockard's.

Many thanks go to everyone who opened their home and prepared a course for all to enjoy. I think everyone had a terrific time and went home with a full tummy. I also want to thank Mary Stockard for all the printing she did for me on the tickets and for drawing up the maps.

SEPTEMBER - 50 YEARS AGO

With the prototype of the new car accepted by Henry Ford, the company now faced the tremendous task of retooling for mass production. Because almost every part of the car was new, manufacturing equipment had to be rebuilt from the ground up.
