THE PRESIDENTS MESSAGE  
by Tom Schenk  
637-9599

What with 2 car shows, the annual C.H.V.A. car show at Rancho, Calif., our campout and technical seminar on water pumps, June was a very busy Model A month. But it's fun and this is the time of year to really enjoy your Model A hobby.

This month will see our annual 4 day car show at Huntington Center on July 12 thru 15. Our annual Beach Party will be held as well as our annual night at Angel Stadium and Monterey Park.

Since the car show at Huntington Center is the same night as our club regular meeting, we are asking for the cars ( we will show 20) to be at the Center at 5:30 P.M. and we will return together to Hart Park for the meeting & Pot Luck Dinner at 7:00.

Our next two meetings will be held at Hart Park in Orange. This is where our Pancake Breakfast is held on Glassell St. just off the Garden Grove Freeway.

July 22\* This year the club will provide only corn & watermelon. Bring your own picnic lunch including your own beverages. The dig will still be a dollar. The tour will be leaving the Orange Mall at 10:00 A.M. The Southern group will decide at the meeting as to what time they prefer to leave and from where.

July 28 If you plan to go on this tour I must have your reservation and a deposit at the July meeting. If you cannot attend the July meeting please call me as soon as possible.

The Tiki is a restaurant & night club. For \$12.00 per person you will see a show, have dinner and dance. I've talked to quite a few people about it and everyone seems to like it.

July 30 Baseball Night at Angels Stadium

If you don't have tickets for this you better see Joan Krist right away and hope she still has some.

Aug. 25 Plan now to attend the Progressive Dinner.

Round-Up Report  
by Chuck Williams  
836-7057

The loss of value of the good old American dollar really hit me the other day. After seeing my doctor for the usual check-up, he commented that I had nothing to worry about, my heart is just as sound as a "Yen"!

The above attempt at humor was made to illustrate that our Round-Up is the best and most economical Model "A" activity going. For the \$11.00 registration fee, prior to Oct. 1st or \$12.00 after Oct 1st, you not only get to show your car & era

## Round-Up Contd.

fashions off but you get 2 FREE unlimited use tickets to Knott's Berry Farm. Now that's a bargain!

I still need someone to coordinate the judging. Also all the quilt squares haven't been turned in yet and Linda has a comment to make regarding that. See you at the meeting!

## QUILT REPORT

by Linda Williams

Stitchers: I am so proud of the people who have finished their squares on time. There are now about half of the 25 squares turned in that were due last month. That means that I need the other 12 stitchers now so I can start to put the quilt together. This is a lot of work and I have to engineer the design and size before September. I can't get started until I have all the designs. I am waiting breathlessly to receive the rest. If I don't receive your square by the next meeting, I will be calling you. I am really counting on all the people who volunteered for this important project. If you start now, it probably won't take more than 4-8 hours to do a simple design. If you can't come to the meeting, mail me your square in a large envelope & use a 15¢ stamp.

Remember, last year the quilt raffle tickets earned \$800.00 to help with the costs of the Round-Up! This year it could be even more money with your contribution for the Model A quilt. The quilt will be a green print with white squares so plan to talk it up to all your potential customers. It's only \$1 to win a handmade quilt that is worth over \$150, WOW! What a prize! The main prize will be a trip for 2 to the 1980 National Meet. That's not a bad prize either but I like the quilt better. See you on July 12th.
