ROUND-UP REPORT  
by Chuck Williams  
836-7057

Now is the time for everyone to really start getting it all together for the Round-Up! Get your Model "A" cleaned up and your clothes washed. Most of all remember to mark Sat., October 20th on your calendars. Also, by registering before Oct. 1st you can save a buck. So plan ahead for a great Round-Up day and register early (before Oct. 1st) so you can save a buck.

I've literally got thousands of flyers left to hand out. Please see or call me if you plan to attend one of the up-coming swap meets, car shows, etc., and I'll give you some flyers to pass out to our fellow car nuts. These flyers are great looking and it's an easy way of advertising our Round-Up.

Also, now is the time to really start selling those raffle tickets.. Remember, we have to sell lots of raffle tickets to make expenses meet. With everyone doing their part and selling at least 20 tickets per family we'll have no problems financially. If you've sold out, see Bill Vaughn and he can provide you with some more tickets.

Many thanks to Pat Willett for agreeing to handle the Goodie Bags this year. If anyone knows of a business, organization, individual, etc., that would like to donate some items for the Goodie Bags please let Pat Willett or myself know-soon!

When you see Jim Douglass next, give him a big thanks. He deserves it, for volunteering to handle the tallying job this year. Thanks again Jim!

This Round-Up should be one of the best we've had in years. Let's all support it by getting involved and it will be the best ever!

Chuck

Round-Up Quilt  
by Linda Williams  
836-7057

Well, it's finally put together. The quilt squares are all sewed together for the top, but I still have to quilt all the layers. If you were at the Progressive Dinner, you saw it hanging up at our house. It's a beautiful work of art and I want to thank everyone again for contributing to the quilt. There are 25 squares in the quilt and one extra to make a pillow..It is king size so it will fit any size bed, about 9 feet square. It will be at the next two meetings so you can be inspired by the beautiful colors and works of art, to go out and sell some more raffle tickets.

This is your chance to help your club! If each one of you would visit a Bank, Real Estate Office, Savings & Loan etc, (Business offices that give away promotional advertising articles) and ask for 200 each of such articles as pens, pencils, tablets, ash trays & etc to stuff the Round-Up goodie bags it would help tremendously.
