### PROGRESSIVE DINNER

One of the most enjoyable "A" events which we have on an annual basis is the Progressive Dinner. This year we will hold this event on Sept. 19th. Plan to join us this year as we tour the county, eating and socializing.

We still need Host members to handle a course of this fun fractured meal. When you are a host you have no expense of the food, you host the group for an hour or less, and your street fills with Model A's as if by magic. Really, it is fun.

### BOARD MEETING NOTES

The June board meeting was held at Stinnett's house the 25th. The meeting was brief because several members were unable to attend. It was decided that non-members who attend the Beach Party should be charged \$2 to help pay the cost of the food. Several companies have contributed prizes for the Round-up. A decision was made to purchase car decals.

The July board meeting will be held at Marsh's house on July 30th.

I went on a vacation for change and rest. The waiter got the change and the hotel got the rest.

SEE YOU AT HART PARK THIS MONTH.

### JUNE MEETING

The hard luck trophy for the month went to Matt Plotkin. A Mileage patch was earned by Bud Lacey for 5000 miles (in 2 yrs.)

The June meeting was highlighted by the White Elephant auction. Various Elephants were brought to the meeting and the auction was "Hot and Heavy" to the tune of \$60+ for our treasury.

The real treat of the sale was the show put on by our auctioneer, Larry Boef. Normally quiet Larry put on his auctioneers hat and had everyone bidding top dollar for these treasures. He even bought a candy dish, or was it the cover, or was it an ash tray? Great job Larry!

### COOKIE REPORT

Our June meeting was made even more enjoyable with refreshments made by these very nice ladies: Pearl Spielberger, Lorna Grunklee, Sharon Johnson, Lonnie Olsen, and Darlene Stinnett. Thank you so much for the treats. Editorial Comment; Darlene, please give that recipe to Pat Willett.

### NEXT MEETING:

DATE: July 9, 1981

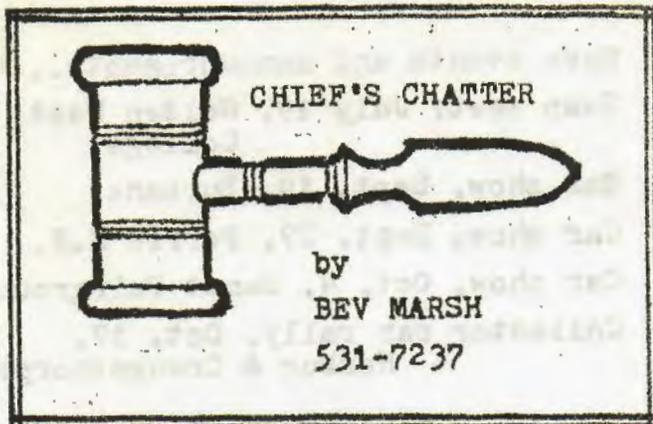

TIME: 7:30 PM

PLACE: Hart Park, Glassell @ Garden Grove Fwy.

BROWN BAG NIGHT! Bring your own packed lunch, bring a McDonald packed lunch, or bring...

REMEMBER: Hart Park this month!

\* \* \* \* \*

First of all, many thanks to Chuck Stinnett for doing a great job handling the car show at Anaheim Plaza. Thanks to all the people who took time out of their busy schedules to show their cars in our first car show of the year. When the next sign-up sheet is passed around, be willing to help out. These shows are the main way for us to raise funds for our club activities.

Speaking of activities, our annual beach party is this month. Jerry Sterling has a big job to do, so be sure to volunteer to help out. The club will furnish hot dogs, buns, corn, watermelon, and soda for club members and their families. A small charge of \$2 will be asked for extra people who attend. A "dig" will be held around the middle of the day. If you want to join in \$1 per person is charged. Those who find the buried blocks win prizes.

I think we all enjoyed Larry Boef being the auctioneer for the White Elephant sale at the last meeting. Thanks Larry! It was fun and we also made over \$60 for the club treasury.

This months meeting will be held at Hart Park on Glassell at the Garden Grove Fwy. Bring your "Brown Bag" dinner for yourself. You can come early and / or stay late. Relax and enjoy the surroundings. See you there!

### SILVER ANNIVERSARY

Congratulations to Tom and Darlene Matthey who celebrated their 25th wedding anniversary in June.

\* \* \* \* \*

Our condolences to Rak Krist in the recent death of his father.

\* \* \* \* \*

### DO YOU KNOW WHO?

Which member of our club participated in the Balboa Bridge opening ceremony, Anaheim Plaza Car show, the camp-out, Solvang tour, and the Mission Viejo Bank opening; all in the last two weeks of June?

Answer in the next issue.

### THE 1981 CAMPOUT by Jerry Sterling

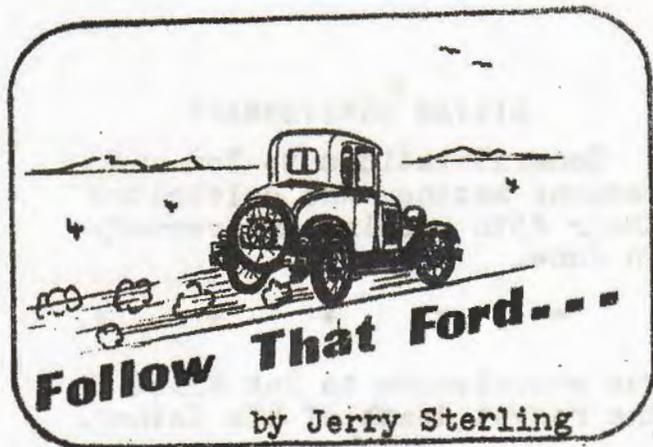

The 1981 campout was attended by 42 people, one dog, and an unexplained pair of white pants.

We toured by the back roads to Lilac Oaks campground with the last vehicle there first. One thing about our tours is that they are interesting with lots of new sights to see.

Stories around the campfire always seemed to be about some guy in white pants running around in the middle of the night. See Bev at the meeting on Thursday for details.

A group feast was held Saturday evening and we ate popcorn and Summorz late into the night around the campfire. We had plenty of firewood, thanks to Steve Mraz.

Model A's were driven by the Johnsons, Wavras, and Sterlings. Sunday the group toured to Rancho California to attend the auto show and meet other club members.

We need help with the progressive dinner. If you would like to host one of the courses let us know.

\* \* \* \* \*

### BEACH PARTY

A note about the beach party, all club members are free with a small charge of \$2 for guests. The charge for guests will help cover the costs of the party, payment should be made to Jerry Sterling.

\* \* \* \* \*

### RACE TRACK NIGHT

We are planning an August trip to the horse races. So if you plan to attend we will be accepting reservations at about \$15 per person. I understand that this was real fun night last year.

\* \* \* \* \*

### NATIONAL CONVENTION

We are starting to plan for the 1982 National Convention in Minneapolis, July of 1982. A kickoff meeting is planned to be held at the Marsh's in August. The actual date of this meeting will be noted in the next month's issue of the Distributor. All persons interested in the National should plan to attend this meeting.

# Nuts and Bolts

TECHNICAL REPORT

The July technical seminar will be held at Bud Lacey's house on July 25th at 10:00 AM. This is an important one; the number two session on BRAKES. If you have never attended one of our technical seminars you have missed a lot. This is where you can really learn about Model A's and how they are made, maintained, and repaired. There is a wealth of information within our club, many members are "old timers" in this crazy machine that Henry built.
