ORANGE COUNTY MODEL A FORD CLUB

JUNE, 1981

VOLUME 21
ISSUE 6

EDITOR:
JIM WILLETT

This month's meeting is once again being held at "Antique & Classic". Please plan on browsing at the cars before the meeting or during the break. We will be going to the "Wooden Nickel" afterwards. It isn't fancy but the pizza is supposedly good. It is near the corner of Brookhurst and Warner next to Gemco and the Family Twin theatre.

We were out of town, but I hear the Sherman tour was really nice. Thanks to Jerry and Lou for Arranging it.

We have the campout coming up very soon. Would everyone who is attending please bring a little firewood so we can have a big camp fire at night. Also some families are going up Thursday night. If you wish to do this also, no reservations are required for Thurs. night. That same Father's Day weekend is our first mall show. The cars will go in on Wednesday night and come out on Sunday afternoon. Please sign up at the meeting or give Chuck Stinnett or I a call. Remember this is the main way for our club to make money to support club activities.

The Progressive Dinner will be coming at the end of Summer so start thinking if you would be willing to "host" one of the courses. The costs are paid by those attending. Everyone comes in a hurry and "whoosh" they're gone again!

For those who signed up for the Balboa Bridge dedication, you are to meet at the parking lot of

the Shark Island Yacht Club at the corner of Bayside Drive and Jamboree at 8:30 AM. There will be a ribbon cutting ceremony and a parade. After which you will have lunch (drivers and a guest if you wish) at either the Jolly Roger or the Village Inn. The drivers will also be receiving a T-shirt. Buddy Ebsen will be participating in the festivities and might be riding in one of the A's.

Don't forget to bring your folding chair to the monthly meeting, we are considering having a sit-down meeting.

Summer weather is upon us, so get those A's dusted off and join the tours. Even if you don't have an A running come along just for the fun!

FUNDAY TOUR

by Jerry Sterling

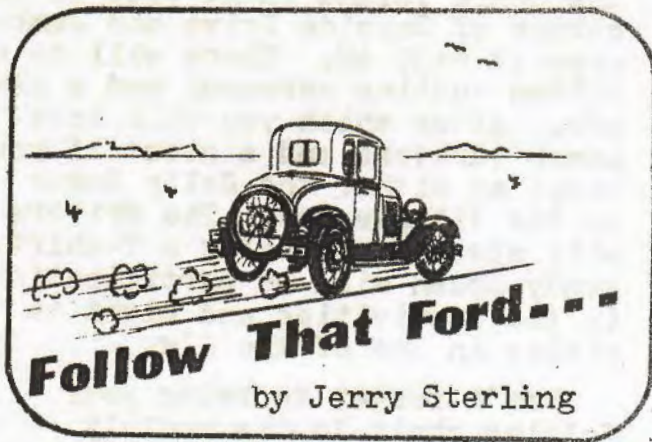

The tour for the SoCal Funday left the Orange Mall at 10:00, believe it or not on time! Away we went, a short cut and then on the freeway. Darn, the map is in the back in the trunk, oh well I think I remember the way. Where did this freeway come from? Three heart failures and there it was, the Santa Anita turn-off, I knew it all the time.

We pulled in and started the gymkhana with the Orange County event "Take a Sunday Drive". Darn that Bev, I couldn't talk for two hours trying to get those crackers out.

After the events I caught Bev talking some women into competing. I tried to discourage (forgot the women's trophy). Anyway the tour and lunch were a lot of fun, sorry I missed past years.

Those attending;

Jim Bradt	Jim Marsh
Lou Spielberger	Matt Plotkin
Jerry Sterling	Joe Wavra
Bud Lacey	Jim Manos
Chuck Stinnett

ROUNDUP GOODIE BAGS

One of the roundup tasks which must be started early is gathering goodies with which to stuff the bags. We need help from all the club members. The usual sources for goodies such as pens, Keychains, note-pads, etc. are businesses like banks, real estate and Savings & Loans.

Please make an effort to contact your local businesses. We stuff about 125 bags each year, so that is the amount of each item that we need. Don't be bashful about it, just collect 125 to 150 each of some small treasure in a bag and give it to Pat Willett. The rest is automatic; you attend the roundup and you will get one of your treasures back along with one each of the other items that other members collected. They are all tossed neatly into the roundup goodie bags.

BOARD MEETING NOTES

The May board meeting was held at Spielbergers the 28th at 8:00 PM. Reports were given by the treasurer, activities chairman, editor, technical director, and roundup chairman.

The roundup arrangements are being finalized with Knotts. We have several prizes which have been donated by various businesses.

A request for a contribution was received from Diamond Tread Chapter for their Griswolds show in Sept. The decision to respond was deferred until a later meeting. The next board meeting will be at Stinnetts June 25.

SHERMAN LIBRARY AND GARDENS by Jim Willett

The Model A club tour to the Sherman Library and Gardens was held Saturday, May 16th. Five Model A's and ten tourists in orange jackets toured from the Orange Mall by way of the South Coast plaza to Corona Del Mar. We were welcomed to the gardens by Wade Roberts, the director. Wade gave the group a delightful tour of the gardens, explaining the various plants and flowers. After the tour we had lunch in the tea garden with the other elite visitors. The quiche was good.

An enjoyable tour which was relaxing and rewarding. On the tour were;
