ORANGE COUNTY MODEL A FORD CLUB

NOVEMBER, 1981

VOLUME 21
ISSUE 11

EDITOR:
JIM WILLETT

Lou Spielberger did an outstanding job preparing and handling our 19th Annual "Roundup". The way he and all the "helpers" came through was really heartwarming to me. It just goes to show how many truly "neat" people are in our club. We had over 100 registrants and everyone seemed to have a good time.

Our garage sale made over \$140.00 for the Club treasury. We saved some "left-overs" for a garage sale next year. We feel a better location would help an awful lot.

Jerry Sterling has planned an apple tour to Julian as our last mileage tour for the year. Remember to drive your modern car if you don't have an "A" on the road. Our family will probably be in a Mustang as "Harriett" is having her engine rebuilt.

The New Years Eve party will be at the home of Judy & Pete Dwinger. There will be a charge of \$5.50 per person to cover the food and it will be B.Y.O.B. The Dwinger's have already started planning a great party to bring in 1982.

Be sure to pick up your pictures from the Round-Up at the Nov. meeting.

Board Meeting Notes

The October board meeting was held at Willett's on 10/29/81. Reports were given by board members. The Round-up was a success and showed a very slight profit. The garage sale netted the club \$142.24.

A motion was made and carried that the charges for the Christmas Dinner - Dance would be \$28. per couple or \$14 per person. The dinner will be roast New York steak.

The upcoming election was discussed by Tom Schenk, election chairman. Five members will be running this year for the three boardmember vacancies.

A motion was made and carried that we donate a gift to the San Diego Fun Meet.

A motion was made and passed that those who showed their cars will have their local dues waived.

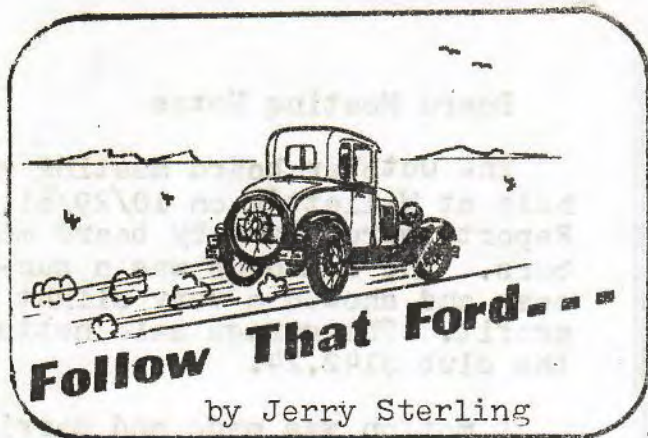

The New Years Eve party, to be held at Dwinger's was discussed. It will be a B.Y.O.B. party and cost \$5.50 per person to cover food trays and paper goods. A motion was made and carried.

A motion was made and carried that we hold a lottery at the Nov. meeting to dispose of the excess picture frames (which were labeled and made into trophies for the round-up) for \$15.00 each.

The next board meeting will be held at Lou Spielbergers on Tuesday 11/24/81.

Halloween Tour
by Jerry Sterling

This year's tour was a little different with progressive gymkhona events in which we encountered goblins and giant apple eating pumpkins. The tour progressed through the oldest cities and sections of Orange County with goodie stops at Irvine Ranch Market and Irvine General Store.

The November Seminar is going to be on ignition popout switches. Bring your working or non working switch. Even if it is working it should be checked (wire, if original, will need replacing). In order to repair a popout it will have to have a key. Keys can be made by a good locksmith for about \$5. - \$7. So bring your popout with a key and we will make it work like new. If you don't have a switch or it's working in the car bring yourself and learn how to repair one when you need to.

Joe Wavra beat out second place Chuck Stinnett by 2 points. Lou Spielberger won the corn count with a guess of 310 versus the actual count of 303, good guessing Lou.

The pumpkin carving always brings out the unusual. Winners were:

Board Members May Resign

Unfortunately, two of our current board members may have to resign early next year due to extensive travel. Chuck Stinnett will be traveling extensively due to his job. Lou Spielberger plans to travel extensively for pleasure. When travel limits their ability to perform their club duties they plan to resign and as stated in the bi-laws the board will appoint replacements.

All winners category - everyone else, all little guys won \$1.00 for their efforts.

After that we had a game of shoe recovery where for some reason everyone got number 2 except Chuck, boy what a mix up.

Christmas Dinner - Dance

Our annual Christmas Dinner - Dance will be held December 5th at the Fountain Valley Elks Club. Sheila Plotkin is our hostess this year, call her for reservations or get your tickets at the November meeting. The absolute deadline is November 28th for tickets.

Our menu is roast New York steak with salad, bay shrimp, roll and butter, and dessert. You get dinner, dance and company of beautiful people for \$14 per person. The no-host bar starts at 7:30 PM, dinner at 8:00, and dancing at 9:00.

The address is 10480 Talbert. Take the 405 fwy., off at Brookhurst, south to Talbert, left. (east) on Talbert (back over fwy.) to the Elks Club. Be sure to join us, this is our formal holiday social event.

Buy A Picture Frame

This year we were fortunate to have Round-up Trophies which were also useful, they are an attractive frame for a picture of your car. The remaining frames (sorry they are not marked as trophies) will be sold via lottery at the November meeting.

Membership Dues Are Due

Many of you may have already received your notice from National. National dues are \$15 and our club fees are \$10. As stated in our by-laws our members are required to be National members. You can pay both fees to our treasurer, Chuck Stinnett, if you prefer. Those who participated in car shows have their local fees waived again this year.

Round-Up Scoreboard

The 1981 Round-up was a great success. It was a warm "Indian Summer" day at Knotts Berry Farm. About 100 cars registered and there were many great "era" costumes. Congratulations to Lou Spielberger for a job well done. Thanks to all those who helped make our annual event a success.
