ORANGE COUNTY MODEL A FORD CLUB

JULY, 1982

VOLUME 22
ISSUE 7

EDITOR:
JIM WILLET

HAVE A HAPPY AND SAFE
FOURTH OF JULY HOLIDAY.

JUNE GENERAL MEETING

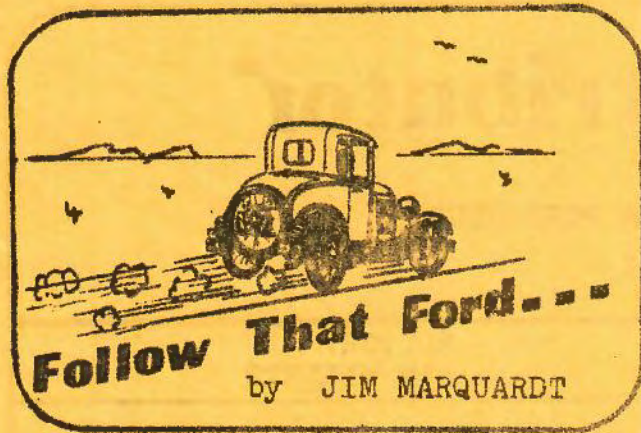

The June general meeting was highlighted by an interesting talk by Gil Prince on his trip to Mexico City in 1930.

Hard luck trophy went to Joe Wavra for this month. Some story about going quail hunting with a garage door. Unfortunately the quail was on his radiator.

Model A Driver prize, Glenn Johnson
Name Badge, Ed & Hazel Powell.

NEXT MEETING

DATE: JULY 8, 1982

TIME: 7:30 PM

PLACE: HART PARK in ORANGE
Glassell exit off the 22 Fwy
Park is just North of the Fwy

Bring a brown bag at 7:00 PM and join the group for an eat-out in the park. Or bring a red-white box.

Summer is here (so the calendar says, even though I have not seen the sun) with Fall being next, it is time to start thinking about the Round-up in October. It needs the support of all of us to make it successful. You can help in many ways i.e. getting items for goodie bags, selling raffle tickets and volunteering to help with the many jobs to be done before and during the Round-up. See Pieter Dwinger to assist.

* * * * *

BOARD MEETING NOTES

The June '82 board meeting was held at Marsh's 6-24-82 at 7:50. The Beach Party was discussed and the decision was made to charge \$1 per person for the party and continue again the \$1 charge for participation in the "Dig". The next board meeting will be at Willett's July 29th. It was decided that a thank you letter should be sent to Gil Prince for his talk at the June general meeting. Because of the confusion each year concerning dues the club will include and invoice for the local club dues in the December issue of the Distributor. Jim Manos has agreed to manage the sale of raffle tickets again this year for the Round-up. Also discussed were; gas leaks at the mall shows, the tow bar, signs for the mall show, club tools, and White Elephant sale.

* * * * *

TUPPERWARE

Tupperware was displayed and sold to the club members at the June general meeting. A total of \$92.75 was sold with the club receiving 15%, approximately \$14. Our thanks to those who patronized this sale and benefited our treasury.

* * * * *

This month we had 3 car displays for which the club received \$1200. Two of the displays were at the same time with a total of 26 cars. On behalf of the club I would like to thank the following families for placing their cars on display this past month; Balmer, Baxter, Cadra, Conkol, Flockhart, Grunklee, Hampton, Johnson(Glen), Kelley(Bob), Kelley (Mike), Krist, Lindman, Mariola, Marquardt, Marsh(Jim), Matthey, McDonald, McKinney, Plotkin, Powell(Ed), Schenk, Shenk, Simmons, Sterling, Vaughn, Wavra, and Will-ett.

On Sunday June 13 with 26 Model A's in displays, 17 Model A's showed up at the Orange Mall for the Wine Tour. That's a total of 43 cars. My next question is why can't we get 30-40 cars out on tours? While on the subject of tours July has 3, the beach party, Northern California Wine Tour, and MAFCA National Meet and convention in Minneapolis. Check the activities section for dates and plan to join in the fun.

Received a letter from the Buena Park Mall thanking us for the great car display. Also praising us for the smoothness of our setting up and taking down of the display and cooperating with them. It stated that both merchants and customers positive response is the best they have had of all past promotional displays and want to book another display for Fathers Day weekend in 1983.

ANNUAL WINE TOUR
by Jim Marquardt

Sunday, June 13th was a busy day for the club with 26 Model A's in two mall shows (to be retrieved that day) and 17 Model A's and 9 modern cars on tour. We started from Orange Mall for our 175 mile wine tour at 9:05 AM. The tour leader was Larry McKinney. My car was near the rear of the pack, and it seemed that it was 20 minutes before we left the parking lot. We finally hit the freeway and our caravan looked as though it was 5 miles long, heading South for the wine country near Rancho Calif.

A few miles from the mall a whole string of Model A's pulled off the freeway to the shoulder (which is illegal guys, READ your tour rules). After much maneuvering, rubber-necking, and waiting we finally started merging back onto the freeway. As we were nearing Lake Elsinore Ray Griffin in his beautiful 31 Town Sedan had engine problems.

We eventually arrived at Hart Winery and completely over-ran the place. We packed his driveway, his parking lot, and his tasting room. His winery is a one-man-show, Joe Hart does everything from buying the hops, planting and picking the grapes, to bottling and tasting the wine. He is even the tour leader and cashier. We also visited the Cilurzo and Palomar wineries which are both larger in size. Everybody brought picnic lunches to go with their wine purchases and we enjoyed a peaceful afternoon in the shady patio area outside the Palomar winery.

POST SCRIPT

To all of you who attended the wine tour, we'd like to thank you, we enjoyed hosting it. In addition to the three winerys we visited, there are three others that we could visit on next years trip. We're sorry so many had to pick up cars at malls, our trip home was a nice scenic drive through Fallbrook and Oceanside.

Thanks,
Larry and Gerry

GERRY's SAUSAGE

This is a recipe for the sausage as sampled by the participants in the wine tour. Taken from the recipe book of Clem and Dorothy Maggenberg; Arcadia, Iowa.

2 lbs cheap ground beef
1/2 teaspoon: Onion powder
 garlic powder
 mustard seed
1 teaspoon ; cracked pepper
1 tablespoon brown sugar
2 tablespoon curring salt
1 tablespoon liquid smoke
Mix thoroughly

Form into 2 rolls and wrap in foil. Refrigerate for 24 hrs. Place on cookie sheet and bake @ 350 degrees for 1 hour (bake in foil). Unwrap-roll in paper towel to soak up grease and wrap in fresh foil. Refrigerate for 24 hours. Enjoy_____

NORTHERN CALIFORNIA TOUR

A trip to the Northern Cal. wine country and to the Carmel-Monterey area is being organized by Joe and Marion Wavra. This sounds like a super trip for a Model A and it will last one week. Departure date is July 26th. Contact Joe Wavra for further details and join the tour if you can get away.

* * * * *

"What happened to your uncle's boat?"

"Ever notice that big rock at the entrance to the Golden Gate?"

"Yes, I have."

"Well, he didn't."

- - - - -

"Shall I put chlorine in the water?"

"Sure, push her in if she needs a bath."

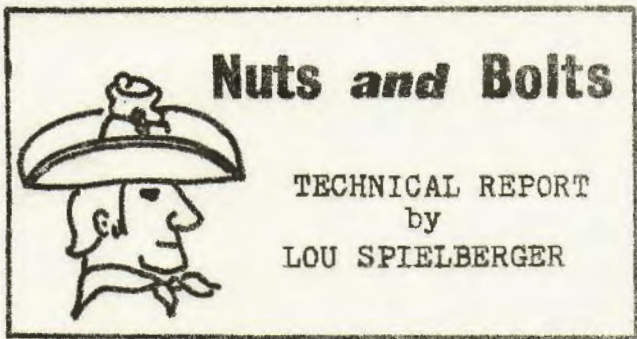

- - - - -

"What do you call the last three hairs on a dog's tail?"

"Dog Hair."

- - - - -

Uncle made some great runs on the gridiron---and never spilled a drop.

Nuts and Bolts

TECHNICAL REPORT
by
LOU SPIELBERGER

We had a fine seminar in June at Bob Ferrazzi's house where we converted cutouts and installed many diodes. We had a good turnout of 25 members.

The seminar for July will be at Glenn Johnson's shop at 321 W. Chapman in Orange. The time will be 7:30 PM. July 9th. It will be on spray painting. The August seminar will be on turn signals at Jim Marsh's house.

LEAKERS

by Glenn Johnson

It seems as though ever since we first started putting on mall shows, there has been a continual problem with some cars leaking gasoline. The city fire departments make us tape our gas caps, but did you ever see a Model A leak gas from the gas cap when it was standing still? Of course not. Model A's have gravity feed fuel systems and sooner or later most cars will leak a little or a lot of gas from the carburetor. I hate to think what might happen if someone dropped a cigarette near one of our cars in a mall. I would like to suggest that individual owners devise some method of preventing their cars from leaking gasoline on the floor. Either repair the cause of the leak or hang some type of container below the carburetor.

* * * * *

I've been skating for hours on end. Maybe I ought to take lessons.

Uncle was a boatman. I always heard him say he was going out for a schooner.

THANK YOU NOTE

A sincere thank you for the lovely plant sent by the club. I think I'm finally on the mend.
Gerry McKinney

* * * * *

BEACH PARTY

It is that time of year again. We are going to have a beach party. The party will be July 25th at Doheny State Beach near Dana Point. For only one dollar per person you get hot dogs, soda pop, corn, and other picnic type foods. For another dollar you can join in the annual ritual called "Dig in the sand and try to find a block of wood with a number on it". The winning blocks are rewarded with prizes. This was an event that turned out many Model A's last year, we should be able to top that number this year.

Join your fellow club members and enjoy the BEACH PARTY.

"When I was your age I thought nothing of a ten-mile walk."
"Well, I don't think much of it either."

"My girl has an archery set."
"Does she have a quiver?"
"Yes, but black coffee fixes her up."

THANK YOU BOTH

I always thank you for the lovely gift sent by the club. I think I'm finally on the way. Gary Johnson

BRUCE BENT

It is the first of your kind. We are going to have a beach party. The party will be July 2nd at Orange Beach beach near the point. We will be having our picnic on the beach. We are going to have a picnic on the beach. We are going to have a picnic on the beach. We are going to have a picnic on the beach.

Join your fellow club members and enjoy the beach party.

FIRST CLASS MAIL

We had a fine night in June at Bob Johnson's house where we enjoyed music and dancing. We had a good time with the boys. The night was very enjoyable. The music was great. We had a good time with the boys. The night was very enjoyable. The music was great. We had a good time with the boys.

It seems as though every time we first started looking for a job, there has been a continual stream of new cars looking for jobs. The only thing that has kept us from getting a job is the fact that we have never been able to find a car that we like. I have been looking for a car for a long time. I have been looking for a car for a long time. I have been looking for a car for a long time. I have been looking for a car for a long time.

I've been waiting for hours on the phone. I've been waiting for hours on the phone. I've been waiting for hours on the phone. I've been waiting for hours on the phone. I've been waiting for hours on the phone.
