In regards to some of the comments made about past income from our monthly raffle, although we have not yet found the entries in the books, I have been assured by past raffle persons that money was made. To date from the 2 meetings in 1982 there is about a \$40 profit. Perhaps by the March meeting I will be able to give profits from past years. I also think the point made by Lorna Grunklee that, if you own a Model A you can afford \$1 for the raffle. Tickets are 25¢ each or 5 for \$1. By supporting the raffle it will help the club treasury which is used to publish the Distributor and support some of the club activities, i.e. the Christmas party, the beach party, poker run, progressive dinner, round-up and whatever else the club decides to do.

Speaking of club activities the poker run drew out about 25 cars, which is outstanding. Since I've been a member of this club it is the largest tour. I saw alot of new faces on the tour, in fact I think there were more new than old tour members.. In my personal opinion tours are what Model A's are all about and where the fun and fellowship is. For those of you who did not participate we had great weather and a lot of fun. After completing the run I drove back on the route and saw many cars that were going in every direction, mostly wrong. I

stopped and talked to a few and some were about a third of the way through but had been going for over 3 hours with only one of the five cards. I did not see as many upset people in the cars as in past years, which would lead one to believe that the directions were easy. If so, why were so many people lost and taking 5 hours to complete a 2½ hour run. The poker run was handled by the Marquardtts and the McKinneys, thanks for the good time. Just a note to all, you do not have to drive a Model A to enjoy the club tours, you can drive your modern vehicle. So next tour come along. Let's see how many cars we can get out on the tour next month.

BOARD MEETING NOTES

The February board meeting was held at Spielbergers Feb. 25th. The meeting was called to order at 7:56 and reports were given by the board members.

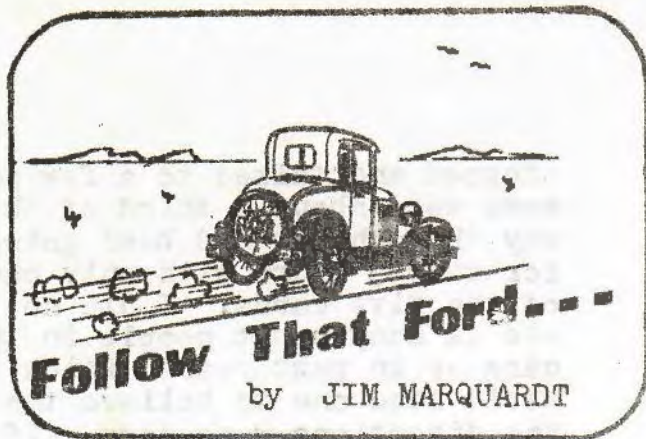

Future events were discussed and planned, such as the pancake breakfast, tour to Yuma, and the meeting activities. The school is not available in April for the monthly meeting and an alternate is needed. The roundup was discussed, someone to design and make the trophies is still open.

The next board meeting will be held March 25th at Dan Simmons.

FUTURE TOURS?

Anybody with ideas or thoughts on tours, (long or short, 1 day or 3 days), other places to go, please let Jim Marquardt know and we'll go there..

The houselights were up. The theater was empty and everyone was preparing to go home when they noticed a woman still sitting in the orchestra. "Why don't you go home?", the manager advised, "The show is over, The hero is dead."

"He was such a nice man," she said. "I thought I'd wait for the funeral."

NEW TOURISTS

Congratulations and welcome to the following members who joined the club on their first mileage tour in their "A" at the poker run:

J.D. Flockhart	Joe Recker
Bob Olson	Keith Justice
Bill Malcomb	Phil Ricketts

NEXT MEETING

DATE: MARCH 11, 1982
TIME: 7:30 PM
PLACE: SOUTH JR. HIGH SCHOOL
2320 E. SOUTH ST.
ANAHEIM, CA.
FILM: THE AMERICAN ROAD
(REALLY, WE WILL HAVE IT THIS MONTH)

Nuts and Bolts

TECHNICAL REPORT
by
LOU SPIELBERGER

The activity at the February meeting was a success, it was a shoe box swap meet. The seminar for February at Paul Kagel's 5 points auto shocks was attended by ten club members:

Jerry Sterling	Joe Recker
Bob Olson	Jim Marquardt
Al Raskin	Bob Ferazzi
Ken Carbaugh	Jim Willett
Lou Spielberger	Jim Manos

Ten cars should now ride a little smoother, Our thanks to Paul for the informative seminar.

Our March seminar will be held at Bob Ferrazzi's house. 13402 Laurinda Way, Santa Ana. The seminar will be at 7:30 PM on March 12th. We will install the top on his 2 door sedan, Matt Plotkin will conduct the seminar.

A tip; when grinding the valves on a Model A, much time can be saved if a light compression spring is slipped over the valve stem and the valve guide is installed upside down. Then a rubber band slipped around the guide will hold it together so that the entire assembly can be pulled out when removing the valve to check the grinding job. The spring will tend to force the guide in position when replacing the assembly for further grinding.

Percy was walking through the paddock with his terrier when one of the entries tapped him on the shoulder. "Put all you can raise on me today," said the mare. "I'm a shoo-in."

"That's the first I ever heard a horse talk," said Percy.

"Me too," said the dog.

Larry McDonald, 633-3988.

FOR SALE:

1904 Victrola (oak) 1900
Murphy bed (oak).
John Siragusa, 629-5992

POKER RUN RESULTS

BY JIM, CHARLENE, LARRY, GERRY

This years Poker Run was an outstanding success. We had a beautifully warm summer-like day, and drew over 25 Model A's and 4 modern cars. The course ran from Orange Mall to Laguna Mall, then through Mission Viejo, El Toro, San Juan Capistrano, and back to Irvine. The actual course covered 67 miles, yet some of the drivers accumulated over 150 miles and a few took over 4 hours. We'll never know what they were doing out there. Many, many hours were spent by the organizers to put this event on, and we had a GREAT time. We hope that all those who took part did also. (In fact we profitted \$36 for the club). At the end we gave out raffle prizes in addition to the poker winners, who were;

- Best poker hand Tom Schenk
- Best time in A Phil Ricketts
- Navigation Award Nancy Ricketts
- Stamina award Ray Griffin

Model A's

- Larry, Jill McDonald
 - J.D. Flockhart
 - Joe, Marion Wavra
 - Ray, Jean Griffin
 - Tom, Arlene Schenk
 - Jerry Sterling- Jim Willett
 - Bob, Lonnie Olson
 - Bud, Judy Lacey
 - Vince, Joanne Mariola
 - Duane, Joyce Hampton
 - Bill Malcomb and children
 - Phil, Nancy Ricketts
 - Jim, Bev Marsh
 - Bob Ferazzi
 - Matt, Sheila Plotkin
 - Jim, Deane Manos
 - Keith, Carol Justice
 - Joe Recker
 - Lou, Pearl Spielberger
 - Steve, Joan Mraz
 - Jim Nielson
 - Glenn, Sharon Johnson
 - Jon, Pam Heiland
 - Jim, Charlene Marquardt
 - Larry, Gerry Mc Kinney
- MODERN CARS:
- Dan, Val Simmons
 - Dick Cadra
 - Pete, Judy Dwinger
 - Doug Marsh

REMINDER COLUMN

Work on those quilt squares, the target date for collecting them is June 30th.

October 16th is the date for the 1982 Round-up.

Collect those goodies for the bags for the Round-up. About 125 each of small items is what we need. The goodie bags aren't much with out some goodies in them.

Get Mall show information from Chuck Stinnett at the meeting and sign up to put your car on display.

The club has a technical reference book which is at every meeting. It contains information on where to get services for your Model A. Such services as: glass, paint, body work, carburetors, etc, etc. It references those vendors who have given acceptable services in the past, to our club members.

The club owns a collection of special tools for working on the Model A. These tools are available for the club members to use. We have items like an engine hoist and spring spreader. Check with Lou if you need a special A tool.

"I just ate a worm in the apple".
said the inmate.
"Well," said the keeper. "Drink some water and wash it down".
"The heck with him," answered the nut, "Let him walk."

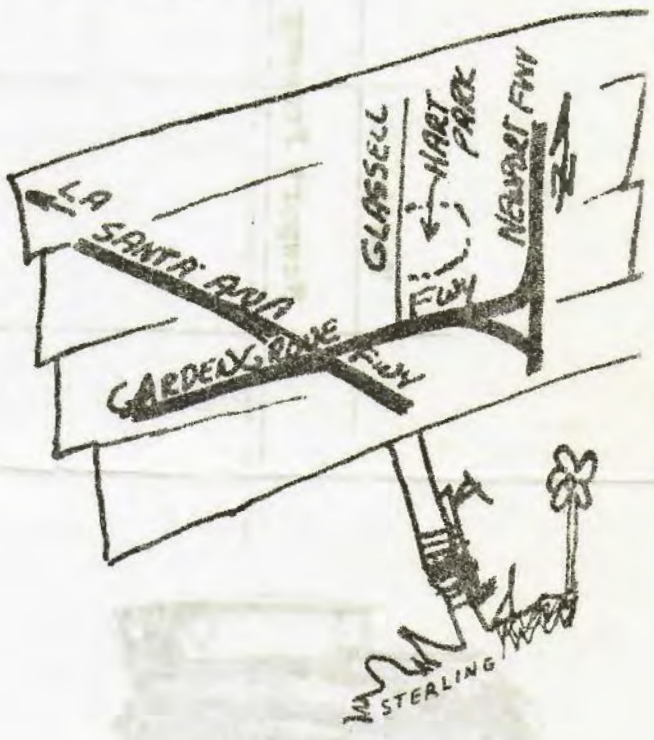

* * * * *

"I want \$600 for the operation,"
said the doc.
"Can't you do it for \$300?".
"Sure, But I'll use dull knives."
