ORANGE COUNTY MODEL A FORD CLUB

NOVEMBER, 1982

VOLUME 22  
ISSUE 11

## ANNUAL CHRISTMAS PARTY

The Orange County MAFCA Club will hold its annual Christmas party on December 18th at the Hungry Tiger restaurant on State College just North of Ball Road in Anaheim. For dinner we will have Prime Rib, vegetable, stuffed potatoe, and chocolate mousse. We will have a live disc jockey who has a wide selection of music from rock to Bach. You choose the sound you want and he will play it. The party will be in an upstairs convention room which will be decorated for the season. This sounds like a nice formal way to end our year of fun together. Cost of the party is \$17.50 per person, \$35 per couple. Call Dan Simmons for reservations at 968-7466 if you can not attend the November meeting where Dan will be selling tickets in person.

## PUMPKIN TOUR

One of the best attended tours of the year was the pumpkin tour, held Oct. 31st. Nineteen Model A's and three moderns toured the backroads through the fields of Orange County. The sky was blue and it was about 80 as the casual tour made stops at the Farmers market for pumpkins and the Country Store for refreshments. The final stop was O'Neil park for the pumpkin carving contest. I didn't know you could get a "Garfield" out of a pumpkin, Joe Wavra showed us all and got the \$2 "big prize" of the day. Awards were also given in 3 categories for the entries by kids. Too many names to mention of those attending, and all enjoyed the fun.

## BOARD MEETING NOTES

The October board meeting was held Oct. 29th at Marsh's. Minutes were read and approved. Each board member reported on their activity. The Round-up was reviewed, it was very successful, it resulted in a profit.

The election and candidates were discussed, we have enough candidates to fill all offices. The program for this months general meeting is a white elephant sale with Jon Heiland as the auctioneer. The Childrens Christmas party was discused. It was voted that members who put their cars in car shows during the year would not be charged for local dues in 1983. They would still have to pay the National and \$2 ACC dues. The November board meeting will be held at Lacey's Nov. 24th.

### CHILDRENS CHRISTMAS PARTY by Bud Lacey

Since I did not get a volunteer to organize the Kids Christmas party I am attempting to. So I need to know who is going to attend. At the November general meeting I will have a sign up sheet for the child's name, age, sex, and phone number. If you can't make the meeting call me at 990-0750 and give me the information. There will be some type of entertainment, refreshments and Santa Claus to give out gifts. If you do not call me by November 14 there will not be a gift for your child. The party will be December 9, 1982 at South Jr. High school in Anaheim, our regular meeting place.

### ROUND-UP PHOTOGRAPHER

The round-up 'Official Pictures' for this year's event were again taken, developed, etc. by our own member, Dick Powell. He and his assistant (Wife Shirley) deserve our sincere gratitude for their contribution to our annual bash.

Well another, no not just another, but the 20th Round-up is in the books. It went very smoothly, especially with the morning set-up, which in the past has been our roughest spot.

It could not have been a success without the great co-operation on the part of the weather although Pieter has been telling me not to worry, as he had made a call and he got a promise that weather was going to be great. I would like to thank all of you who volunteered your help and brought your cars. On behalf of the club a special thanks to Pieter and Judi Dwinger on a job well done in organizing and running the show.

Its board election time and you will find the ballot elsewhere in the Distributor, don't forget to fill it out and bring to the November meeting, If you can't come to the meeting, please mail to Bev Marsh.

Don't forget to bring your white elephants to the November meeting. Jon Heiland will be the auctioneer. This has always been a lot of fun and helps the club treasury.

It has been suggested that we list recipes in the distributor. I am asking the members to submit recipes and we will print them. Don't be bashful.
