Last month the club had it's 21st birthday. Our club charter was ratified by the M.A.F.C.A. national board on August 11, 1961.. We have a charter member in Bill Vaughn who has missed only 2 meetings in the 21 years.

This sure has been a big year for car displays. We have had 4 shows and have received a call for six to eight cars for the Buena Park mall. The dates are September 5 thru 12. They plan on having mannequins dressed in era clothing. That week is grandparent week. Sounds like it will be a nice display. So if you get a chance, stop by and take a look. On the subject of car displays, Dennis Griffin put his car in the Newland Center show. After the first day he could not believe how much people enjoyed the cars and the questions they asked. So he gathered up his photo albums, books on Model A's, card table and chairs for the second day. He says he has recruited several new members who own Model A's but did not know there was a club.

As I stated at the August meeting it is time to start thinking about electing the 1983 board. To do this we need people to volunteer to run. It is a way to find out first hand how the club functions and is very rewarding to see the things that are planned actually happen. So if you have an urge to help the club step forward and have your name put on the ballot. To do this call or see Bev

Prez (continued)

Marsh as she is the election chairperson.

If you are planning on going on the progressive dinner come to the general meeting and buy your tickets or call Jim Marquardt as we need to know approximately how many to prepare for.

The September meeting is pot luck at Hart Park. Those with a last name starting with A-M bring a main dish and dessert and those L-Z bring a main dish and a salad. Bring you own drinks, utensils, and tableware.

MODEL A SQUARES

The club owes thanks to the ladies that took their time out to create a great quilt for the round-up. The ladies who contributed the personally designed squares for the quilt are; Judy Lacey, Sharon Johnson, Diane Manos, Arlene Schenk, Judy Dwinger, Rickie Lane, Valerie Simmons and a very special thanks to Bev Marsh and Gerry McKinney for doing two squares each. Thanks again girls.

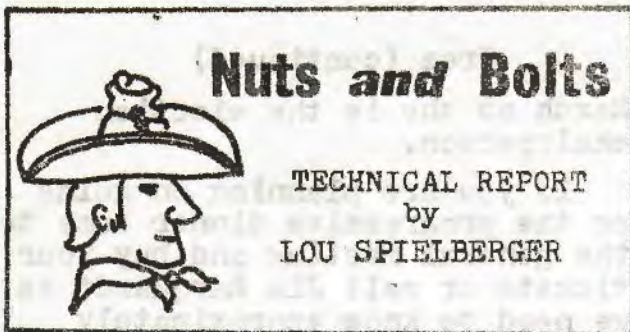

Valerie Simmons

BOARD MEETING NOTES

The August board meeting was held at Willetts at 8:05 PM on August 5th. Reports were given by all board members. Coming events were discussed. A suggested plan to inform the general membership of the availability of food chest that will heat or cool on power from an auto. Jim Marquardt suggested a volley ball or softball game with the Chevrolet club. The Newland Center car show was also discussed. Help is needed with the Round-up and the goody bags. The next meeting will be at Chuck Stinnetts house on Sept. 2nd.
