PIETER N. DWINGER

633-1921

The completion of the first month of 1983 has been quite productive. All volunteer positions have been filled, except the Adult Christmas Party and New Year's Party coordinators. Suggestion: How about if two club members get together to handle the Christmas party and two for the new year's. Since we already have the location for the Christmas party, the hard part of this function is done. Let's get these last two positions fill by the February 10 meeting, but to do that, you will need to step forward and volunteer.

Regarding the Adult Christmas Party, I contacted the Foxfire Restaurant and was informed that the December 3 and 17 dates had been booked. I then contacted the new Claim Jumper Restaurant in Fountain Valley. They had been open only one week and did not yet have any December bookings. I asked Dan and Val Simmons to look the banquet room over, and they reported that the room was very nice, everything is new, with a built-in bar-dance floor, and a private entrance from the parking lot.

I called a Special Board of Directors meeting, which was held on January 14, after the Technical Seminar. The following items were resolved:

1. The Adult Christmas Party location will be the Claim Jumper. A \$100.00 deposit will be made to secure the banquet room for December 10.

2. The Knott's Berry Farm Round-up contract requires that, on or before October 15, the club will pay to Knott's the contract balance, \$1,662.50. It was decided that this amount be taken from the General Treasury and placed into a Certificate of Deposit with Far Western Bank, until October 14, 1983.
3. Our regular checking account is non interest bearing, and B of A does not have an interest bearing checking account for businesses. Therefore, our regular checking account will be moved to Republic Savings and Loan, wherein we will be earning 5.25 to 10.00% interest, depending on our balance.

The next general business meeting will be at Yorba Junior High School, in Orange (see attached map), so support your club and bring your Model As and friends to our new location. Also, let's all plan on going to the Round-Table Pizza Restaurant (see map) after the meeting. I visited the Round-Table this week and found it to have excellent, carpeted dining rooms, video games in a separate room, a good menu-salad bar, etc., etc. Also, I have arranged for us to receive a fifteen percent discount, so be sure and tell the cashier, you are with the Model A Club.

Gerry McKinney has planned two tours in February, because it will be six weeks between the January Universal Tour and the Poker Run on February 27. The February 13 tour will be to the Chino Air Museum-picnic-airplane ride. I will be taking a count at the February meeting on how many will be going for a plane ride. P. S.: My flying avocation started in the Marine Corps Air Wing in 1961-65, as a flight simulator instructor (Ling Trainers). During the last four years, I have been checked out in ten different types of aircraft, and I stay quite current in my flying skills.

Board Meeting Notes

The January OCMAC meeting was called to order by President Dwinger at 7:41 P.M., at the Dwingers. The following reports were presented:

Treasurer: Jim Marquardt commented that several members had not paid their dues for 1983.

Activities: Gerry McKinney noted the two mileage tours that will take place in February. The Pancake Breakfast is scheduled for March 20, and the Yuma Tour for April 15-17.

Distributor: Bob Ferazzi stated that Distributor supplies were purchased that should last the year.

Technical: Pete Hiatt indicated that the February 11 seminar will be at Glenn Johnson's on paint. The program for the next meeting will be a shoe box swap meet.

Round-up: Bud Lacey recommended that the station wagon, convertible, and senior supreme categories be eliminated. Dan Simmons moved, and Bob Ferazzi seconded to eliminate these classifications. Motion carried. Round-up advertising was discussed.

Mall Shows: Jim Marquardt noted that La Mirada Mall desires a Model A show for Father's Day weekend. The Buena Park Mall also desires this date. Each mall will be contacted further.

Old Business: President Dwigger indicated that a deposit was given to the Claim Jumper Restaurant for December 10.

New Business: The ordering of club patches and transfers was discussed. Prizes for the Poker Run raffle were discussed, and it was decided that the officers will furnish raffle prizes.

The next Board Meeting will be held February 24, at 7:30 P.M., at Jim Marquardt's, at 17941 Butler, Irvine. The meeting was adjourned at 9:50 P.M.

Editors' Note

The Roster and Dues Confirmation Information form has been included again within this month's Distributor. Jim Marquardt informs us that thirty-two (32) club members have not paid as of January 27. Deadline for payment of registration fees for the club roster is the February meeting (2-10).

IF THERE IS A STAR BY YOUR NAME ON THE MAILING LABEL, WE HAVE RECEIVED YOUR DUES BUT NOT THE INFORMATION FORM. Please turn this form in by the February meeting.

Let's Get Technical

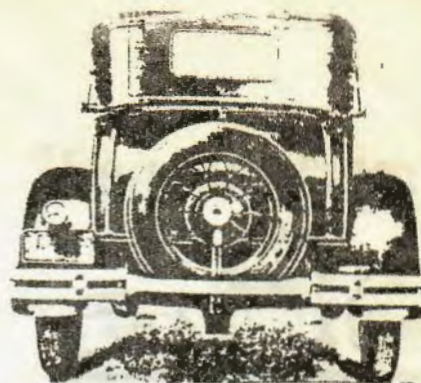

BY PETE HIATT

998-2510

Last month's seminar was very well attended. Those in attendance included the following: Bob Banducci, Pete Dwinger, Bob Ferazzi, Jon Heiland, Pete Hiatt, Bud Lacey, Rich Lamprecht, Jim Marquardt, Larry McDonald, Larry McKinney, Ed Powell, Al Raskin, Joe Recker, Phil Ricketts, Dan Simmons, Lou Spielberger, Jerry Sterling, Chuck Stinnett, Joe Wavra, and Jim Willett. I would like to take this opportunity to say "thank you" to Lou Spielberger for his excellent work in manufacturing and gathering up all the components necessary for the assembly of the fuse blocks. Thanks, also, to Bob and Patty Ferazzi for hosting the seminar.

February's seminar will be Friday, February 11, at Glenn Johnson's shop (located in the rear of his business, at 321 West Chapman, in Orange). The seminar will pertain to auto painting and preparation. Rami Fernandez, a factory representative for Bitzler, will present the program which includes demonstration of spray technique, etc.

The Poker Run, set for February 27, is a very entertaining club activity. Now would be an excellent occasion for a thorough servicing of your Model A. Rumor has it, that on quite a few occasions, peoples' speedometers have inexplicably turned over much more than they should have. It seems to be like the Model A's "Devil's Triangle." So, it should be a lot of fun. We'll see you there!

On The Road Again

BY GERRY MC KINNEY

963-2704

Thanks to our fellow Model A'ers for such a good turnout for the first tour of '83, and to Jim Marquardt for his good choice of excursion site. We were about half an hour late getting on the road due to some people chasing down discount tickets at the local Ralph's Markets. When we finally got started, we had 13 Model As, 5 moderns, and 59 excited tourists. The weather was beautiful, and all of the cars were running perfectly.

Upon arriving at Universal Studios, we received free parking, and a security guard was posted by the cars for the day. Our tour started with a two hour tram ride and guided tour. While visiting the Special Effects Department, we were entertained by Superman and Lois Lane: AKA Joe and Marion Wavra. Their flying demonstration was really great!

After three hours of self guided tours and four shows, we left the studios and headed for dinner in Downtown L A at Philippe's. Thirty-nine tired and hungry tourists enjoyed great French dip sandwiches, and the company of some of Orange County's nicest people.

Thanks to you all for making a perfect day.

Those in attendance with Model As included: The Balmers, Ferazzis, Grahams, Hamptons, Manos, Marquardts, McKinneys, Mrasz, Recker, Ricketts, Spielbergers, Sterlings, and Wavras. Those in moderns included: The Conkols, Dwingers, Hiatt, Manos, and Marshes.

NOTICE: To any club member who can help us with the following:

1. Has the club ever applied to IRS for a tax I.D. number?
2. Where is the club's corporate seal (impression stamp)?

Please give me a call if you know about these items.

NOTE: To the Model A purist, can you see where the radiator shell in my logo has been modified for a '29?

(Answer: crank hole)
