Next Meeting

Date: April 12, 1984

Location: Yorba Junior High School
935 North Cambridge
Orange, CA

Time: 7:30 P.M.

Program: Surprise

The annual March Pancake Breakfast was undoubtedly the most successful ever!! With over 425 guests--100+ Model A's, and a large turnout for the gymkhana, everyone found the breakfast to be most fulfilling (pun intended).

The great breakfast was made possible by the many club volunteers, who were putting the griddles together, making pancake batter, liberating eggs from their shells, etc., etc., at 5:30 A.M., as well as the preparatory work done to purchase all the food and paper goods.

The April Business Meeting will be on Thursday, April 12. This is also the day some of us will be leaving for Yuma (the Thursday departure time is 6:00 A.M.). If anyone would like more information on the Yuma Tour departure schedule, give me or Gerry McKinney a call.

Judi wishes to thank everyone again for the beautiful flowers, cards, and yummy food she received during her stay in the hospital and during her convalescence.

On The Road Again

BY GERRY MC KINNEY 963-2724

The activities for the month of March were really a success. Kite flying brought out 20 A's and 3 moderns and 74 people. The wind really did not come up until later in the day, but everyone gave their best effort to get their kites off the ground. We did our usual best around the picnic tables!

As always, I've got a bunch of folks to thank for helping me get the credit for a terrific Pancake Breakfast. First, I want Larry to know how much I appreciate all the lifting and loading and shopping he helped me do to feed 430 people. As far as I know, this one was the biggest. We used 75 dozen eggs, 80 pounds of sausage, 75 pounds of pancake mix, 4 gallons of syrup, 12 pounds of margarine, and tons of coffee, milk and juice. Bob Ferazzi and Pete Hiatt picked up the grills and over-hauled them on Saturday; spending several hours to get at least three out of the four working. Sunday morning everyone who said they would be there showed up at 5:30 to unload Larry and Duane's new trailers (aren't they neat?). Next the set up crew and mix up crews got started. There are jobs for everyone even at that early hour. Tables need to be set, napkins folded, syrups filled, coffee made, sausage heated, eggs cracked; You name it, I needed help. By 7:00 A.M., the grills were hot and the cooks, under Joe Wavra's supervision, were ready to go.

With no real customers around, the help got a little anxious as the wind was really blowing everything around. So the help ate. That always calms down Model A'ers. Wow it tasted great, even covered with ashes and dirt. Finally the Model A's started arriving, and we began cooking. The morning lasted until all the mess was cleaned by the cleanup crew. We left the park in better shape than it started. We want to thank Doc and Darlene Ingwersen for bringing 53 tourists from Diamond Tread. We recorded 7 chapters: Orange County, Diamond Tread, Pomona Valley, Whittier, Paradise Valley, San Fernando, and Jewel City. Also, Fabulous 50's Ford Club, DKB Volkswagens and San Fernando T Club. Thank you all for coming. The gymkhana had a real good turnout as well. We had three events with 23 cars participating. Thanks to Pete Hiatt, Terry Lucas, and Jerry Sterling for running the events. Steve

Baumgartener, Terry Lucas, Glen Johnson and Larry McKinney were the winners. Thank you again to all for participating in this month's activities in Orange County.

Short Notes

Special thanks goes to Gerry McKinney for orchestrating a highly successful OCMAFC Annual Pancake Breakfast. The participation of many club members, all pitching in, made this one of the highlights of the year.

Merle McClellan won the Hard Luck Trophy for March while Steve Balmer won the Driver Award and Bill and Penny Vaughn, the Name Badge Award.

GOODIE BAGS

Please everyone start checking around at any businesses you know of for any give-a-way items such as key rings, pens, maps, ashtrays, etc. We need 100 to 200 of each item for our "goodie Bags" at the Roundup. Now is the time to start gathering. Give Sheila (962-2117) or Bev (531-7237), and they will be glad to pick them up.

Let's Get Technical

BY PETE HIATT

998-2510

Our seminar for April will be a little later than usual due to the Yuma weekend and the Easter weekend which follows. On the 29th, a Sunday, we will have a combination garage tour and picnic lunch. Departure times are 9:30 A.M. from the Orange Mall, and 10:00 A.M., from South Coast Plaza. This will be a mileage tour of different people's projects currently under way. I'd like to urge everyone who has a running Model A to drive their "A" as we will not be driving a long distance. Bring your picnic lunch, and we'll eat about 12:00 noon.
