## Let's Get Technical

BY PETE HIATT

998-2510

The last seminar of 1984 was held in November at my house. The subject was wood-graining, and it was a lot of fun to experiment with various graining techniques. That was my last technical seminar as Technical Advisor, and I'd like to say I've had a great time doing the seminars the last two years--Whew! It's a lot of fun and a lot of work. I wish the next technical advisor the best.

## Editors' Note

Information pertaining to the four new members is located on Page 3. On behalf of the club, we would like to formally welcome these four families to the club. Also please note the 1985 OCMAFC Application located on Page 5. Please bring this application with check to the December or January club general meetings or mail it to the club post office box.

Bob and I would like to thank all the club members who assisted us in the production of The Distributor during the 1983 and 1984 years. Special thanks to our resident artist Jim Willett. We are very fortunate to have him as a club member. We know that the Justices are looking forward to being the editors in the upcoming year.

**633-1921**

4. It was decided to give something to the Powells for their years of service in taking the pictures at the Roundups. A card of appreciation to the refreshment, greeter, and other volunteers, will be sent when they retire from their jobs.

5. The next board meeting will be held at Shakey's Pizza Parlor, at Katella and Tustin in Orange, on December 27, at 7:30 P.M.

The meeting was adjourned at 8:45 P.M.

With 1984 drawing to a close, I want to thank all of the board members for their tireless efforts in helping run our Model A Club. The entire year was so successful and enjoyable because of, not only the board, but the many volunteers who jumped right in to help. This working together is what makes our Model A Club unique. From the many other clubs I have spoken to, our club has more activities, more participation, and more enthusiasm than most other clubs combined. This comraderie is the purpose of this club, to bring together folks who love Model A's.

Thank you all for your support and assistance during the year. It has been an honor and pleasure being your club president.

## Board Meeting Notes

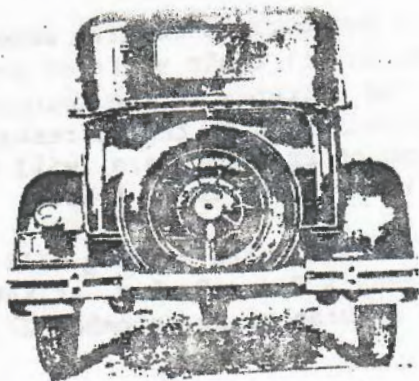

The November OCMAFC Board Meeting was called to order on the 29th, at Pete Hiatt's home by President Dwinger, at 7:55 P.M. Items of importance included the following:

1. Christmas Party tickets will be on sale at the December general meeting.
2. The summer tour was discussed.
3. The club shed was discussed as Larry and Rita Boef are selling their home. Ferazzi moved, and Hiatt seconded, to give the Boefs the shed, as the removal would not be feasible. Motion carried.
