SPECIAL NOTICE

Every club member, including relatives, neighbors, and friends, are invited to the February 9 Business Meeting at Yorba Junior High School for a special treat. Arrangements have been made by Joe Wavra to have Doc Ingwersengive his fabulous slide show presentation of "A Around the World Tour" of four Model A's and what they encountered on their historical journey in 1982. That is a show you won't want to miss!!!!

If you don't normally attend the club meetings, you will find this one very worthwhile. I will start a short meeting at 7:30 P.M. Doc will start his show by 8:00 or 8:15.

It is planning time for the Annual Yuma Tour: April 12-13-14-15. Give Gerry McKinney a call regarding details. Registration should be done right away. Tell the registration desk at the Chilton Inn that you are with the Orange County group. We have rooms reserved.

Anyone wishing to learn more about the Portland Tour to the National Convention, should plan on attending the second organization meeting at the Dwingers' house at 7:30 P.M., Thursday, February 2 (modern cars are more than welcome to join this tour). See Gerry McKinney's article on the Poker run, etc.

The Albert Sitton Home for children has sent us a thankyou letter for the 271 pounds of food we all donated at Christmas time. This next Thanksgiving-holiday season, let's try for 300 pounds++.

During our club tours last year, I video taped the below listed events. These tapes are available to any club member for viewing or duplicating.

Gold Country 1983

Pumpkin Tour 83

Larry and Gerry's Wedding Reception

San Diego Fun Meet 83

Children's Xmas Party 83

Apple Valley 83

21st Knott's Roundup 83

INVITATION FROM KEN DEY

"Please be my guest at the Sixth Annual Swallow Day Parade/Brunch/croquet Gala. Drive your Model A and help celebrate the largest non-motorized parade in the USA. Brunch at 10:30 A.M., with the parade following at noon. Guaranteed good weather and camaraderie. RSVP by March 9. Parking is limited."

Ken's address is 31301 Paseo Nogal, San Juan Capistrano. Telephone number is (714) 493-7126. The March Club Calendar already has two weekend events and since one tour is planned each month, we were unable to make this a tour. For those of you who do not know the "San Juan" area, it is a lovely town. It is most gracious of Ken to invite us to join in the fun at the annual "Return of the Swallows" celebration. A map to his house will be included in next month's The Distributor.

Board Meeting Notes

The January OCMAFC Board Meeting was called to order by President Dwinger on the 26th at 8:00 P.M., at the Dwingers'. The minutes were read and corrected. The following reports were presented: Treasury, Activities, Editors, Technical, Roundup, and Mall Shows.

Items of importance included the following:

1. The Poker Run will be held on Sunday, February 12. The possibility of having a tour to Will Rogers State Park on June 24, 1984 was discussed.

2. The Roster and its update during the year was discussed.

3. The seminar will be held on Friday, February 24, on rear end rebuilding, at the Wavras'. The program at the General Meeting will be a presentation by Doc Ingwersen.

4. Several things were discussed concerning the Roundup: Try and get a table radio or Victrola for second prize in the large raffle. Motion by Roberts for \$150.00 deposit for the Roundup to Knott's. Motion passed. Motion by Marsh for Hiatt to receive \$300.00 to start buying small raffle prizes. Motion carried. Club members to give square dancing demonstration at the Roundup.

5. No volunteer has come forward to assist in obtaining contracts for mall shows. We also need to collect more pictures for a sales album.

OLD BUSINESS

A thank you letter was received from the Albert Sifton Hall for the club donation of food. A audit committee needs to be appointed to audit the club treasury books.

NEW BUSINESS

Application for a club tax number is in progress. Bylaws are being reviewed by an attorney to update per new corporate laws.

The next board meeting will be held on February 23, 1984, at the McKinney's home. The meeting was adjourned at 9:45 P.M.

On The Road Again

BY GERRY MC KINNEY 963-2724

The tour to Temecula to visit the Historical Center was really terrific. We had fifteen A's and two moderns; forty tourists total. Everyone had a good time, and it's hard to believe no car trouble! We shopped in Temecula and shopped in some antique shops in Fallbrook where we were found by Tom and Darlene Mathey. The back roads thru there are really perfect for touring. We are lucky enough to be driving Joe and Marion's sedan while "Black Beauty" is getting a face lift. We're hoping to have her on the road again for Yuma. Speaking of Yuma: I got the fliers for Yuma and will have them at the meeting.

We are busy working on the Poker Run (February 12): First car out at 9:30 P.M., at the Orange Mall. It's a really fun day, so bring your maps, pencils and come on and spend the day with us.

We had our first meeting for the Portland tour. We are leaving on July 14 early! We shall arrive in Portland at noon on Tuesday, July 17. We'll spend three days in Portland and spend eight days coming home. If anyone is interested in going and missed the first meeting, be sure and call us and we'll copy anything decided so far.

Let's Get Technical

BY PETE HIATT

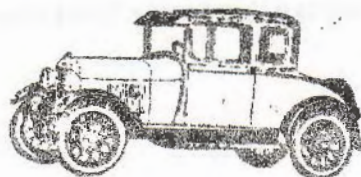

998-2510

Our January 13th horn seminar turned out to be a very timely seminar as thirty men and twelve ladies attended. Also in attendance were an entire gaggle of Model A Horns, most of which got a complete and thorough renovation.

Included in our activities were sand-blasting, painting, new brushes and gaskets, and bench testing, not to mention cheesecake eating. Thanks to Joe and Marion Wavra for extending to us the use of their garage, and to Gerry McKinney for the excellent dessert.

In February the seminar will again be hosted by the Wavras. The date is Friday night, February 24, at 7:30 P.M. We will be rebuilding a complete rear end assembly. See you there!

The program for the February meeting will be "Doc" Ingwersen's "Around the World in a Model 'A' Tour." There are many slides, and the commentary will be right from the "horse's mouth"--No offense, Doc! It is a presentation not to be missed.
