Editors' Note

Attached to your The Distributor this month is a ballot for the election of three new Board of Director members and the office of president. The ballot may be mailed to Vince Mariola, the election chairperson, or turned in at the November General Meeting. There is an excellent slate of candidates from which to choose the new directors and president.

The Roundup '84 was successfully and smoothly orchestrated by Jim and Bev Marsh. They even arranged good weather, except for the San Diego Club, who at departure time, got a good dose of rain.

Pete Hiatt and Dennis Griffin did a superb job at the raffle prizes. The Powell photography, Sharon Johnson at registration, and everyone who helped--a BIG THANKS!!!!

The November 8 Business Meeting is an important one, and I encourage everyone in our club to attend. We have elections for the 1985 Board of Directors, and we will be voting to ratify the revised Articles of Incorporation and the Bylaws. Also, the annual Shoe Box Swap Meet will be held at the break, so bring those one-of-a-kind parts to the meeting.

All of the kids, big and little, plan on attending the December 13 Business Meeting. This will be the Annual Kids Xmas Party, and we will have two very special guests and also goodies for the kiddies. Please sign your child up at the November meeting, or call Judi Dwinger at 639-4767, as we must know how many children will be attending.

Board Meeting Notes

The October OCMAFC Board Meeting was called to order by President Dwinger at 7:45 P.M., at the McKinneys' home, on the 25th.

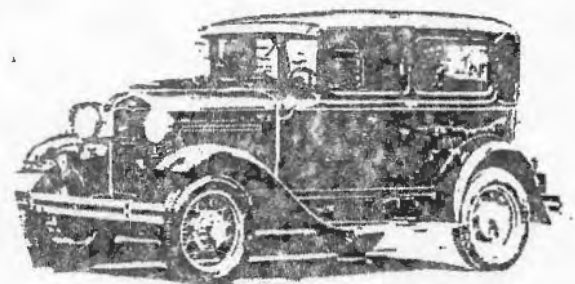

The following were items of importance:

1. The November Seminar will be on woodgraining. The November General Meeting Program will be a shoe box swap meet.
2. Joe and Marion Wavra talked about the Christmas Banquet to be held on December 15, at the Claim Jumper Restaurant, for \$30.00 a couple. McKinney moved, and Hiatt seconded, to allocate \$150.00 for door prizes and \$150.00 for centerpieces. Motion carried.
3. The Roundup report included that the expenses were \$3,964.74 and generated an income of \$4,297.25, with approximately \$332.51 in expenses outstanding. October 19, 1985 has been reserved for next year, and a Roundup critique meeting will be held on Thursday, November 15, at 7:30 P.M., at the Marshes.
4. It was moved and seconded to take an original windshield defogger to the San Diego Fun Day.

OLD BUSINESS

The club Bylaws and Articles of Incorporation will be printed and mailed next week. A ratification vote will be held at the November General Meeting.

The next Board Meeting will be held on November 29, at 7:30 P.M., at Pete Hiatt's home. The December Board Meeting is tentatively scheduled for December 27. The meeting was adjourned at 9:05 P.M.

On The Road Again

BY GERRY MC KINNEY 963-2724

Our tour for the month of October is the Mystery Pumpkin Tour. Marion and Joe Wavra are taking us on a surprise journey. I hope to see everyone there. The Roundup absorbed so much time and effort that nothing was planned until it was completed. We were lucky enough to win a gift certificate at Black Angus and a Cabbage Patch Kid. The whole day was well organized, and I'm sure everyone had a great day. The Halloween Party will be tomorrow night at the Dwiners' home. I'll report about it next month.

Next weekend is the tour to Escondido for their Fun Meet. It's always a terrific get away.

Tickets will be on sale for the Christmas Party at the November and December General Meetings. They are \$30.00 a couple. The party will be at the Claim Jumper in Fountain Valley. We had it there last year, and it was so good, we are having it there again. The menu is chicken and ribs.

See you on the road---Gerry

Let's Get Technical

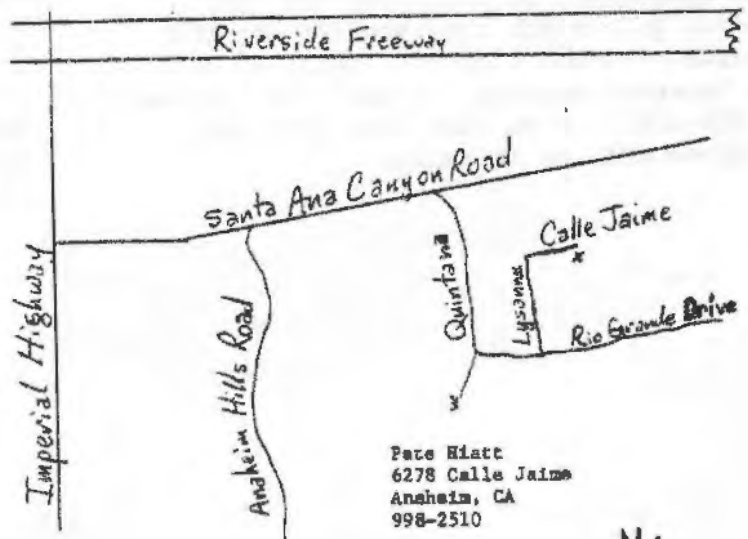

BY PETE HIATT

998-2510

The October seminar was held at the Lucas' home. It was a long one, wrapping up at 12:30 A.M. We completely rebuilt a front end and replaced a lot of worn parts. We discussed the inspection of the front end to determine the condition and what to watch out for. Thanks to the Lucases for hosting the seminar and to everyone who lent a hand in repairing the front end.

The November seminar will be at Pete Hiatt's home on Friday night, November 9, at 7:30 P.M. It will cover woodgraining for garnish moldings and belt rail moldings. We will discuss the steps to complete the process from bare metal to finished product and how to install them.

Don't forget to bring some "goodies" to the November meeting for the "Shoe Box Swap Meet." It will be held at the break for approximately twenty minutes. Also, we will discuss the upcoming summer '85 tours. Be there for a very active and interesting meeting.

ROUNDUP REPORT

By Jim Marsh

Well, the Twenty-second Annual Roundup is history, and I would like to thank ALL who helped make it a success. I am especially thankful for the good weather. It was kind of "touch and go," but it turned out great. The preliminary financial report shows a \$332.51 profit; plus we have ten trophies extra to sell which should net us \$200.00

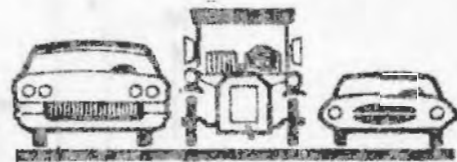

There will be an "After the Roundup Critique" at my house on Thursday, November 15, at 7:30 P.M. Anyone interested please attend. One of the main topics of discussion will be a possible new location for the Roundup. One reason for this is that Knott's is going to fence their parking lots and charge for parking.

(Continued at the top of the next column.)

I do have Saturday, October 19, 1985 reserved with Knott's in case we can make arrangements to have the Roundup there.

Again, thanks to all for the help on this year's Roundup. Also, special thanks to all of you who got contributions for the "goodie bags."
