The annual beach party at Doheny was enjoyed by eighty-five folks. Lots and lots to eat, and the weather was perfect!

The By-law Review Committee has completed the task of bringing up-to-date the Articles of Incorporation and the club's By-laws. The attorneys are now putting them into legal form, after which each member will receive a copy for evaluation and vote for approval/disapproval.

Everyone who is going to leave for the Rim of the World tour to Big Bear, on Friday, September 7, plan on leaving from the Dwingers' home, at 3:00 P.M. For a Saturday departure time, please call Gerry McKinney.

Also, if you have not put in your reservation for the San Diego/Escondido tour in November, please call Gerry.

One of our best attended functions is coming up on Saturday night, September 22. The world renowned progressive dinner, hosted this year by the Mariolas (hors d'oeuvres), Wavras et al. (entree), and Grahams (dessert). So put this date on your calendar and bring your "A" or Detroit iron. See the enclosed map to the Mariolas' home.

Don't forget, this month we are back at Yorba Junior High School for our regular meeting location, Thursday, the 13th.

Board Meeting Notes

The August Board Meeting of the OCMAFC was called to order by President Dwinger at 7:55 P.M., at the Marshes' home. Items of importance included the following:

1. \$4,000 was transferred to a certificate of deposit and will remain there until December 26, 1984.
2. It was moved by Perazzi to charge \$3.00 per person for the progressive dinner. Motion carried.
2. Cost of having The Distributor professionally printed was presented. It was decided it would be too costly.
3. The possibility of having souvenir plates available at the Roundup will be discussed at the September General Meeting. Knott's requires a \$300 guarantee on the food concessions. It was brought out that they should be required to have their food there on time as that was a problem last year.

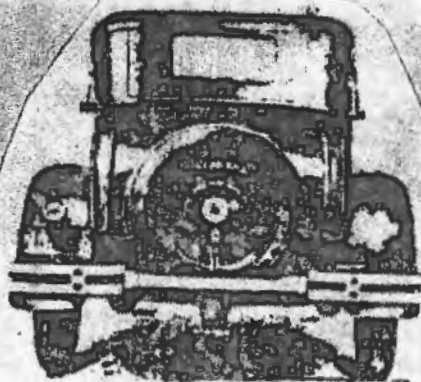

OLD BUSINESS

Duane Hampton obtained bid information on car show stanchions of \$2200.00 for forty cars. Additional bids will be obtained, and the possibility of renting stanchions will be explored.

The By-law Committee met and an updated club by-laws and articles of incorporation will be presented to the membership shortly.

Final transactions are being completed to transfer ownership of the trailer to the club.

The next board meeting will be at Pete Hiatt's home on September 27, 1984. The meeting was adjourned at 9:25 P.M.

On The Road Again

BY GERRY MC KINNEY 963-2724

Before I forget, Larry and I would like to say thank you to the Wavras for planning our summer vacation and the Balmers for being backup the entire trip. I'm not sure where we will be going in 1985, but come January, the plans will begin. We had a great time touring together; we would love to have some new travellers.

August 5 was a perfect day for our beach party. The weather was never so good from 10:30 A.M., when the group arrived. We served chili dogs, corn on the cob, fruit, and soda pop. For the early arrivals (6:00 A.M.), we had a wonderful breakfast prepared by the Wavras. It looked like everyone enjoyed digging for blocks, unless you did not want to ruin your manicure!

A bunch of us went to Ensenada for a week just to fish and rest. We had a great week. Not one person got the dreaded trots!

There are a lot of things going on in September. The eight and ninth, the Rim of the World; contact Don Shade for reservations (213) 693-0579. Next, a special night for adults: The Annual Progressive Dinner. We will be having three courses. The first, hosted by the Mariolas and Marshas, at the Mariolas' home in Anaheim. Then on to the Wavras in Costa Mesa for the main course hosted by the Wavras with many helpers! Dessert will be at the Grahams' home also in Anaheim. It's a mileage tour and will cost \$3.00 each. The dress is very casual. Please come; you'll like it. Guests are welcome. Please R.S.V.P., so we can get a head count. Call by Monday, September 17, if you plan to attend the September 22 affair (714) 963-2724.

We have always had a campout, but this year we will join Jewel City Club for a fun weekend September 28, 29, and 30. For more information call Joe Eatherton Jr., at 1-818-248-9099. Also, an application has been enclosed in this month's The Distributor. There will be a group touring from the Mall of Orange, at 8:00 A.M., to Valencia. This will be a mileage tour. Contact Pete Hiatt for tour information: (714) 998-2510. Make plans: let's all go for the day and evening!

Let's Get Technical

BY PETE HIATT

998-2510

The seminar for September will be on the process of chrome and nickel plating. It will be a working seminar held on the 14th at Pete Hiatt's home. All ladies are welcome to attend (see enclosed map).

The program for the September meeting will be a video tape on the life of Henry Ford. It will be presented after the break.

Jim Marsh

Time is drawing near, so I thought it was time to write a Roundup article. At this time, our status is the following: Dash plaques are in and complete, trophies (dinner plates) are on order and due September 15, large raffle tickets are on sale now (please see Jerry Sterling for yours). These raffle tickets are our main source of income for the Roundup, so let's sell 'um! The quilt is being up together and will be at the next meeting (I hope). Lou Spielburger is hunting for judges, so if anyone has any suggestions, please see Lou or myself. We have started getting goodies for the "goodie bags," but we still need much more. If every member would ask at their bank, gas station, auto parts store, or what ever, we could put together a very good goodie bag. Please check if anyone can spare an evening to visit other clubs to promote Roundup. Please let me know (Jim Marsh, (714) 531-7237).

We will be getting together for our traditional Roundup Breakfast on Saturday, October 20, at Keno's; more on this next month. There will also be a Roundup meeting at my house on Thursday, September 20, at 7:30 P.M. Anyone interested, please attend. Committee heads are particularly urged to come.

In Sympathy

Club members were saddened to hear of the recent passing of Earlene Beazley on August 8, 1984. Our sympathy to Pete Hiatt, her son, and other members of the family. Several members attended the memorial service that Saturday. Earlene will be missed by all.

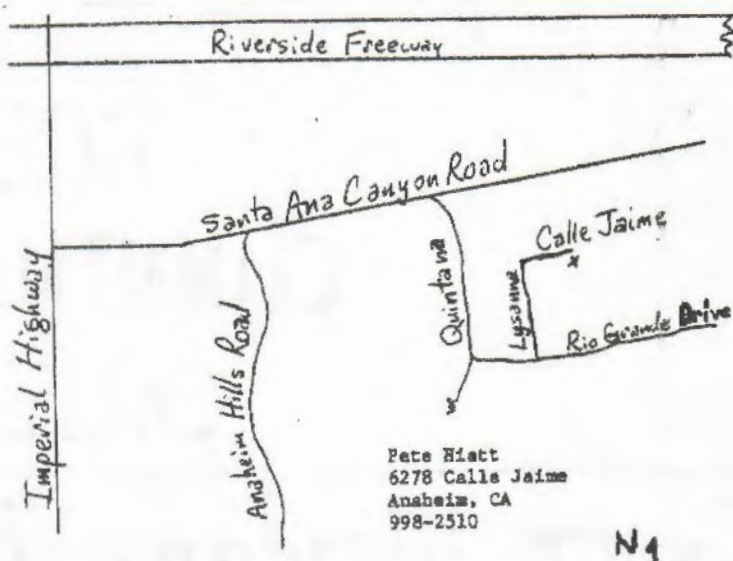

Correspondence

A card of thanks was received from Pete Hiatt for the flowers and thoughts regarding the recent passing of his Mother.

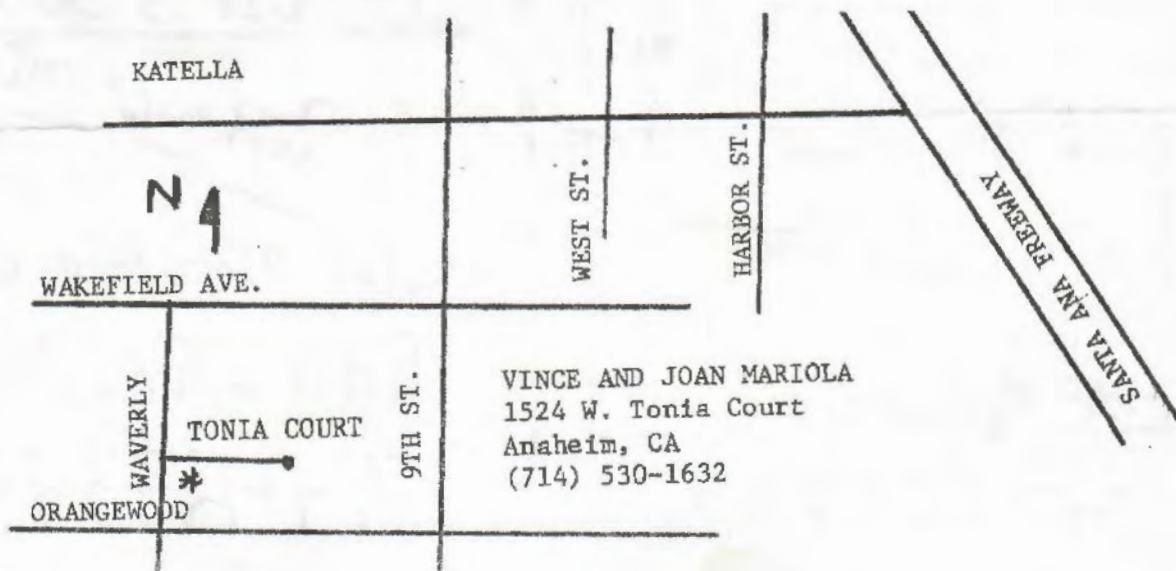

Editors' Note

September will be a very active Model A month. There will be three (3) mileage tours this month, so take that cover off and go through your fall maintenance list!

The fall of the year is also the time when club members will think in terms of who will be the club officers for next year. Along with the election of new officers will be the appointment of a new The Distributor editor(s) as Bob and I come to the end of our two year term. The new editor will have the opportunity of publishing The Distributor during the silver anniversary of the club.
