A car show is set for Saturday Feb 13th and Sunday Feb 14th at the Orange Circle making this a full week. The general meeting is February 8th, the Technical Seminar the 12th and then the car show the 13th and 14th. I will re-contact all involved before the general meeting. If you have any questions please call me at (714) 870-6417.

The Pancake Breakfast is scheduled for March 20th. As reported last time we will have it at William Peck Park (Due to construction at Hart Park. See attached Flyer). We are hoping for a great turnout for this event and we will send around a sign-up list for helpers at the general meeting. So please sign up and join us at the breakfast.

I have tentative plans for a car show in April, but more on that later as it is still in the planning stages.

Plans for the Fullerton Street Fair on May 7th have already started and we will soon be registering officially for the Street Fair and the Parade. Anyone who is interested in competing in the parade for a trophy should let Martha know as soon as possible as the City is requesting this info. now.

ON THE ROAD AGAIN

By: Larry & Gerry McKinney

Our first tour of the year, a weekend to San Diego was well attended by some of the Club's "Freeway Flyers", the Wavra's,

Mariola's, Ferazzi's, Riha's and the McKinney's in A's, with the Marsh's and Hiatt's in moderns.

After spending the day in San Diego visiting their Antique Ford Store and enjoying their beautiful warm weather we all had dinner together at Kelly's Steak House and called it a day.

Sunday Morning after a great brunch we drove to Balboa Park, we all went to see their great Airplane Museum, everyone rally enjoyed the day.

At 2:00 PM we headed home, the trip was quick and easy with all of the cars running perfectly.

Our next planned tour will be on Valentines Day, Feb 14,. We will be leaving "THE BEACHCOMBERS" parking lot (Brookhurst and Atlanta) Huntington Beach at 9:00 AM. We have reservations at 10:00 AM for brunch. RSVP, ASAP 963-2724 McKinney's or 960-7456 - Simmons'. After brunch we'll travel Pacific Coast Hwy. to the Old Town Movie Theater in El Segundo to see "ROBERTA".

We would really like to see our tourists dressed in their era clothing, if you don't have any era duds wear any kind of clothes, just join us on the tour, it's gonna be a great day.

We'd like to see a lot of Model A's, if you don't have one running, then drive a modern.

We have some other tours in the works, a trip to Santa Paula, Palm Springs to ride the Tram, Universal Studios, no dates yet, and to Carlsbad for the Antique Drags on April 17th.

WE'RE GETTING READY TO TOUR !!!

By: Dan Simmons

It's really great to see so many people turning out for events. The January Seminar was well attended by both men and women. The women learned a lot about era clothing and the men were able to get some fine sounding horns together.

This Valentines Day will be the first one day tour of the year. Let's all get our A's on the road and if the mood hits you, wear era clothing or look era or even come in modern clothes you'll have fun no matter what you wear. Don't be the one that misses out on this event!! Let's see how many A's we can put on the road.

There were about 80 people at the January meeting, that should probably represent about 40 cars, wouldn't it be great if we could have a tour with at least half that amount of cars. You know we can. LET'S BE DRIVERS NOT CURATORS!!

DON'T DEPRIVE IT.....DRIVE IT

LADIES EASTER PROJECT

By: Valerie Simmons

Sorry The Distributor didn't make it to you in time for the Fashion Seminar. We still had a good turn out and it was very informative, thanks for the participation, we'll have another one later this year.

In February's Seminar we are doing a group project for Easter to give to the Orangewood Childrens Home. Please come and take part in the fun. You'll get to know more of us and you'll be doing something nice for the not so fortunate.

See you soon.
