EDITORS' NOTE

Enclosed in this month's **THE DISTRIBUTOR** is the ballot for the 1988-89 Board of Directors and Member of the Year. Vote for the candidates of your choice and member who has contributed the most to the club this year, and either bring your ballot to the club, or mail it to the club p.o. box number. The **MEMBERSHIP RENEWAL FORM** has also been included in this mailing. Please fill it out completely and bring it to the meeting or mail it with your check or money order to the club p.o. box number. If any of your address information has changed, be sure to mark the change box.

The position of editor is available next year. This is a one year position, and the responsibilities include the following: Type the copy for the monthly **THE DISTRIBUTOR** and type the club roster. Because Bob and Karyn have been gracious in volunteering their time in printing and mailing the newsletter, the editor's job is not as involved as it was in past years. This is the third year Bob and I have been editor (not consecutively, however), so it is time for someone else to have the opportunity to serve in this position.

DON'T WAIT....DRIVE IT IN '88

Dan Simmons

This will be my last article before our Christmas Party, December 3. I'm looking forward to seeing all of you at the El Torito Grill, in Costa Mesa, for the party. I'm sure everyone knows we introduce the new board at the Christmas Party. Let's start the new board with a great turn out to welcome them!

The club owes thanks to Piet Dwinger for taking care of the paperwork necessary to keep our club incorporated and as a nonprofit inc. Piet saved the club over two hundred dollars. Thanks to piet for taking care of business.

One more pitch for the Christmas Party. It will be nice to see a lot of you members who haven't been around lately.

SOMETHING SPECIAL

Les White

As reported at the last meeting, the two shows on October 1 and 2, went very well. Thanks to all who helped on the last show at the Discovery Museum. Special thanks goes to Joe Wavra and Will Gerston for watching the cars and helping in the booth. Also, we don't want to forget Paul Steed for his now famous cotton candy skills and those who gave us relief help in the booth. The day was very much a fun day and successful for the club. All for now. Have fun and be seeing you at the next meeting.

ALL FORD PICNIC

ON THE ROAD AGAIN

The McKinneys

By the time this issue is in the mail, our tour to Vista and the Threshing Bee will be over. One thing I know for sure: Everyone that attended the tour had a great time, and they were all glad that they went. Another thing for sure: All of the A's ran perfectly, thanks to those owner-mechanics that take care of them with such TLC.

On November 13, we'll be going to San Diego for the day and joining the San Diego "A" Club who will show us around their beautiful city.

We will schedule a tour for December, before the holiday season. We'll plan it before the November meeting and announce the time, date, and destination.
