BOARD OF DIRECTORS

President Jim Marsh (714) 531-7237	Secretary Terry Lucas (714) 633-0390	Treasurer Bob Kelley (714) 642-4367
Activities Joe Wavra (714) 549-2881	Activities Paul Steed (714) 998-0394	Technical Advisor Lou Spielberger (714) 650-0974
Special Events Les White (714) 870-6417	Editor Jim Khalaf (714) 731-8064	Publishers Bob and Karen Sitter (714) 777-2486

EDITOR'S NOTE:

I would like to apologize to Jim Marsh and Les White for misspelling their names. My Spelling checker was not introduced to the new board. I can't guarantee that there will not be any more spelling errors, but I will not misspell Jim's name.

## FINAL REMINDER

For those of you who haven't paid your dues, this may be your last DISTRIBUTOR, and you will not be listed in the Orange County M.A.F.C.A. Roster. The board has set February 9, 1989 as the cut-off date for payment of dues.

We would like to keep all of our fine members, and we would like to keep them posted on what's happening. We have a total of 154 members, but we have not heard from 36 of you.

Don't delay... mail it in today.

### MARSH'S MESSAGE

Jim Marsh

I hope that everyone has their Model A all tuned up for our first tour of 1989. It will be a Poker Run on February 12. Poker Runs are a lot of fun, so if you have never been on one, you should try it. Also in February, there will be regional Model A club meeting to plan a calendar of activities for the Southern California Model A Clubs. I

plan to attend this meeting along with anyone else that is interested in it.

I would like to remind all of you that if you hear of any of our members, or family members who are sick, hospitalized, or a death in the family, please notify Bev Marsh and she will take the appropriate action.

Our social hour after the January meeting at Roundtable Pizza was a good success. About 20 members adjourned to the pizza parlor for tire kicking, car pushing (we had to push Glen and Sharon's station wagon), and general chit chat.

The February meeting should be a most enjoyable one. We will have two of the best Model A guys in California, if not the USA, to speak to us. Glen Johnson will tell us about one of his many cars (as Terry Lucas did so well at the January meeting) and Dennis Griffin will show and tell of his many Model A accessories. So mark your calendar for February 9 (General Meeting) and don't miss it.

THE END

## SOMETHING SPECIAL

Les White

The Fullerton Founders' Day Parade and Street fair is set for May 13th. I have received the paperwork and applications from the city. We will be participating in the parade and we will have a food booth. We will need some cars to participate in the parade and some volunteers for the food both. This will help the club out, so please put this on your calendar if you can help.

There are other activities that are being planned. A couple of car shows are in process and several Mall shows. The letters to the Malls are out and I expect to get great response. I am looking for alternate ideas for an event to replace the roundup. If anyone has any ideas or suggestions, please let me know. We hope to make this a yearly event.

I will keep you posted on the events when they firm up. That's all for now.

## ON THE ROAD AGAIN

Paul Steed & Joe Wavra

We are starting the year off with two great events in February, a Poker Run and a

tour to the Date Festival in Indio. The Poker Run starts from the Orange Mall. The Poker Run will be followed by lunch at one of the local Pizza Parlor. I haven't been on a Poker Run in 20 years and I am really up for this one. On February 19th, we have a tour to the Indio Date Festival. There are lots of things to see and do at the Date Festival. Everyone I know who has gone in years past has had a great time.

The Yuma tour is scheduled for April 6th, 7th, and 8th. No registration is required for the tour. There will be no judging on this tour. If you wish to go, you will need to make your own reservation at the Stardust Hotel in Yuma.

It is time to start considering the summer tour. We would like to arrange a meeting to discuss the summer tour to get your ideas.

I am looking for some help for the pancake breakfast. If any of you could find the time to help procure raffle prizes for the pancake breakfast in March, please drop me a line.

Soooo Let's get the cob webs out of the dash and we'll see you at the Poker Run.

## LET'S GET TECHNICAL

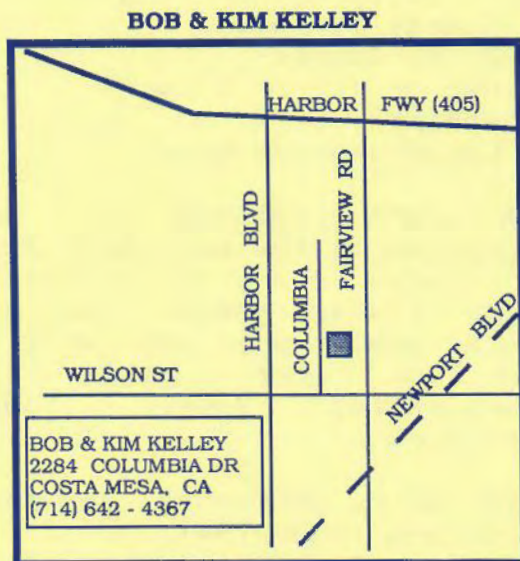

Lou Spielberger

Our January seminar at Bob Ferrazi's house and garage was a big success. About 25 people attended and had a great time.

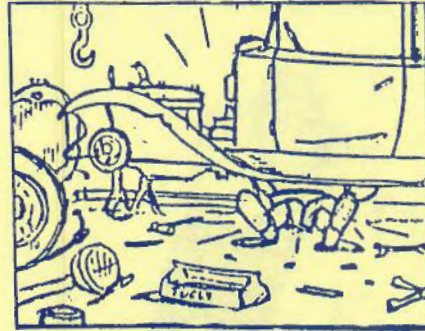

The next seminar should be very interesting. Jack White, of Five-Points Classic Auto Shocks, will give a demonstration on rebuilding and reproduction of shocks. The seminar will be held at Bob Kelley's garage located at:

2284 Columbia  
Costa Mesa, Ca  
(714) 642-4367

See map below for directions to Bob's house.

## A TIP FROM LOU

When installing a new top on your Model A, it is a good idea to put an antenna for an A.M. radio in at this time. Put a piece of copper window screen (approximately 30 inches) between the padding and top material. Keep it about 3 inches from the metal body. Put masking tape on the edge to keep the raw edge from coming through the material. Solder a #18 gauge wire to the same and push down the corner pillar.

## CALL FOR TOOLS

We are trying to locate the club tools so that we can tell the club members what tools are available and where they can be located. If you know the whereabouts of any of the club tools, please bring them to the next General Meeting or call Lou Spielberger at 650-0974.

## LADIES AUXILIARY

Gerry McKinney

For the February Ladies Auxiliary seminar, we will decorate a sweat shirt with NO\_SEW applique.

Materials needed are:

1. Sweat shirt (pre-washed)
2. 1/2 yd fabric (pre-washed)
3. 1/2 yd wonder under
4. Puff paint

(This can be purchased at H&H, Michael's, Craftmart, Piecemaker, or the swap meet).

5. 4 snap clothes pins
6. 14x14 piece of cardboard

This project goes quickly and you can make more than one. The will make a great Valentine gift.

I have also included below the Ladies Auxiliary Seminar for March in case you want to get the materials at the same time. This is also a NO\_\_SEW project.

For March, we will make a rag basket. This can be a small or large basket. The baskets can be used as a magazine holder, Easter basket, sewing basket, you name it, its up to you.

The materials needed are:

### Small\_Basket

1. 6 yds Craft Coiling (smallest diameter)
2. 1 yd fabric
3. Rip or cut in 2" wide strips
4. Large crochet hook

### Large\_Basket

1. 12 yds Craft Coiling (large diameter)
2. 2 yds fabric
3. Rip or cut in 2" wide strips
4. Large crochet hook

The craft coiling can be purchased at the swap meet and at Penneys or any of the craft shops listed above. You can use scraps or buy new fabric. Four or more kinds of coordinating fabric look terrific.

Call Gerry McKinney for any questions (963-2724).

## C.P.R.

Are you interested in learning CPR in 4 short hours? It could save the life of someone you know. The Red Cross offers a certificated course for \$20 per person (10 people minimum). We are planning to have the course available during the time the technical seminars are being held in April. It will be held at a place nearby. Please let Bev March know if you are interested. Also, if you know of someone who would be interested in conducting the class, let Bev know.

Call 531-7237

## BOARD OF DIRECTORS MEETING

Terry Lucas

The meeting was called to order at 7:45 PM by Jim Marsh. Treasures and secretary's reports were read and approved. Bob Kelley reported that he will meet with the IRS to resolve their inquiry. Jim Khalaf reported that 55 members had not sent in their dues even though 2nd notices were sent out. Members who have not paid their dues by February General Meeting will be dropped from the Roster and Distributor Mailing list. A suggestion to print the names of the members with delinquent dues was declined.

Activities reported the Poker Run will be on February 12th. There is a possible camp-out for an upcoming event. The summer tour was discussed. Joe Wavra suggested a tour to Colorado to include the Mile High Car Show in June.

The next technical seminar will be held on rebuilding shock absorbers. It will be held at the home of Bob and Kim Kelley.

The February General Meeting will have Glen Johnson telling about and displaying on of his beautiful Model A's. The program will be a presentation by Dennis Griffin on era accessories to include a large display of his collection.

The hard luck trophy is still missing. Will the member who has it please return it or contact a board member so it can be returned. An enjoyable part of our meeting has been deleted because this trophy has not been returned to the club. Also missing are all the Club tools including the tour repair kit. Will the members who have these bring them to the General Meeting or call Lou Speilberger, so that they can be made available to all club members.

The next board meeting will be held at the home of Joe and Marion Wavra. The meeting was adjourned at 10:05 PM.

SPOT LIGHT

ON Jim Marsh

JIM (left) ON TOUR

Jim Marsh, currently serving as president, joined the Orange County M.A.F.C.A in 1962. This was only one year after the club was founded. At the same time, he and Richard Parrish, another club member, attended the meetings at the Isaac Walton Clubhouse, in Santa Ana together.

Jim's first Model A was a 1929 Roadster pick-up. It was a "basket case" which he fully restored. As his family grew, the cab of his truck became smaller and smaller.

In 1967, he found "Harriatt", a 1928 Phaeton. She was in the beginning stages of restoration. Jim restored her and she has been on the road since 1970. Touring with the club has always been a favorite activity for Jim, his wife and children.

Jim also has interests in other old cars. He belongs to the Orange County Mustang Club. Among his cars, is a nicely restored '65 yellow Mustang convertible. He is

currently restoring a 1955 Thunderbird.

Jim and his wife, Bev, live in Westminster. The Marshes' have five children; Tom, 26, lives in Garden Grove; Doug, 24, lives in Monterey; Malinda, 22, lives at home and is studying Computer Science at Golden West College; and Donald, 21, attends San Diego State University as a Marine Biology Major. They have two grand-daughters Kris and Kim.

We are fortunate to have Jim as president of the club this year.
