GENERAL MEETING

Will be held on:
Thursday, May 10, 1990.
AT: 7:30 P.M.

Location:

Santiago Elementary School
2212 N. Baker St.
Santa Ana, CA

Feature Event:

Following the General Meeting business, slides and experiences will be shared. Featured as car of the month, the McKinney's '31 Slant Windshield Town Sedan. Larry will have an interesting story to tell about his and Gerry's "A" experiences. Jim Marsh will be showing slides of the club's activities in the early days. Any members having slides of Model A events are encouraged to bring them. Dennis Griffin has promised more mint restored original parts for the raffle. It should be a great meeting, don't miss it!

After Meeting Location:

We will meet at the Me 'n Ed's Pizza Parlor for good conversation and eats.
12731 Garden Grove Blvd.
Garden Grove, CA.
Between Haster and Harbor.

IMPORTANT REMINDER

By Martha White
Editor

A reminder to all of you that we have promised to assist with the National Convention Registration.

We have included in this issue a copy of the Registration Worker Sign-up sheet. The best time to have sent this form in was prior to our publication date, so please fill out the form and mail it yesterday!! They really need the information right away! Please help out with this in any way you can.

I am including the phone numbers of the ladies in charge in case you need them.

Lois Smith (213) 425-5231. Convention Registration and pre-convention envelope stuffing.

Martha Trousil (213) 861-7469 Information into the computers, some knowledge of typing is all that is required.

Please do what you can to help out, your help, no matter how small, is needed.

HARD LUCK TROPHY

Congratulations!! to Jim Marsh who was the happy recipient of the Hard Luck Trophy for the entire month of April. Better Luck next month Jim!!

PAGE 1

CONGRADULATIONS!

Richard and Jeanne Parish on the birth of their first grandchild!
It's a GIRL!!!

Congratulations to you both, and to her new parents. Born April 12.

TWO SPECIAL THANK YOUS

To Bob and Karyn Sitter for their donations to the club. A badge maker and a waxer, both these items will save the club a great deal of money each year. I am especially grateful for the waxer as it will cut down production time of our newsletter! Thank you Bob and Karyn!!

A SPECIAL THANK YOU

To Piet Dwinger for donating a copying machine to the club. We will get a great deal of use out of this! Thank you Piet!!

SOMETHING SPECIAL

By Joe Wavra
co-Special Events

Buena Park Mall Show is confirmed for June 15, 16, and 17th. 30 CARS ARE NEEDED. Call me as soon as possible, we need to fulfill this contract, we must have 30 cars.

The City Mall show is still pending. It is expected to be held sometime in June, although it has not been confirmed. I will let you know as soon as I have something definite.

MOOSE'S MESSAGE

By Jim Marsh
President

I would like to thank all who attended the April Meeting and voted for me to receive the Hard Luck trophy, I don't think I should have been the recipient. I think that Doc Ingerson or Larry McKinney should have had it. But, we are a democratic organization so I will display the trophy with pride, even though I think I was railroaded.

I would also like to thank Bob and Karyn Sitter for their donation of a "Hot Wax Machine", (used in pasting up art work for our newsletter) and the Button Machine, (used to make buttons for the Model A Fun Day). This will save the club money because we would have purchased a Button Machine just for the Fun Day Buttons. I think that we will get a lot of use out of these two items. Thanks much, Bob and Karyn!

I Also want to thank Piet Dwinger for his donation of a Photo Copying Machine. I feel we will find a lot of uses for this machine. Thank you Piet!

Thanks, in advance to all stalwart members who showed up early to host the Regional Fun Day.

Don't forget the 1990 MAFCA National in San Diego July 8-14, 1990 this is the BIG ONE! Get those cars shined up and join the celebration!!

THE  END

LETTER FROM THE EDITOR

By Martha White
Editor

We are still accepting Model A related Business Ads. If you know of a business that might like to advertise in our newsletter, we'd like to know. The ads help to defray the cost of mailing and printing. Business card ads only, at this time.

A reminder to those of you running a personal advertisement, don't forget to call us to cancel your old ads. We will automatically assume you haven't sold or found your item, unless you call us. Thank you in advance for your help on this.

BOARD MEETING

By Terry Lucas
Secretary

The meeting was called to order at 7:45 PM. In attendance were Jim and Bev Marsh, Joe and Marior Wavra, Paul Steed, Don Tune and Terry Lucas. The secretary's report was approved as read. There was no Treasurer's report because Wade Roberts was recovering from surgery. Joe and Paul reported on upcoming events including: Kite Flying Tour and Antique National Drags on April 22nd and Whittier Narrows Fun Day on May 6. Since we are the sponsoring club, Jim requested that volunteer members show up to the event at 8:30 AM to help register cars. The Poker Run will be June 10. The Buena Park Mall Show contract was received and confirmed for June 15-16-17th (Father's Day weekend), we will need 30 cars for this big fund raising event. The Beach Party reservation was received for Capistrano Beach on August 19. The Progressive Dinner will be on the evening of September
(CONTINUED PAGE 3)

BOARD MEETING (CONTINUED)

29. If you would consider opening your home for this event please contact Joe or Paul.

Paul mentioned that he needed more milage patches. He was advised to find a supplier and have them made. Terry made a motion to give a \$25.00 gift certificate to the Whittier Narrows event for a door prize. Joe 2nd and it passed unanimously. Paul volunteered to contact local vendors for donations for the event. A button machine, a hot waxer and several goodies for the Fun Day goodie bags were donated by Bob and Karyn Sitter. Thank you! Pieter Dwinger donated a used Xerox machine to the club. Thank you!

Don reported that the upcoming technical seminar will be on carburetors. It will be held at the Ferazzi's home. At the May board meeting the board will allocate money for pancake droppers and a coffee pot. If any member has a used one that they would sell or donated, please contact a board member. Paul will have a club shirt made and have some for display and sale at the May general Meeting. The meeting was adjourned at 10:10 PM. The next general meeting will be held at the Marsh's home at 7:30 PM, May 17th.

Respectfully Submitted.

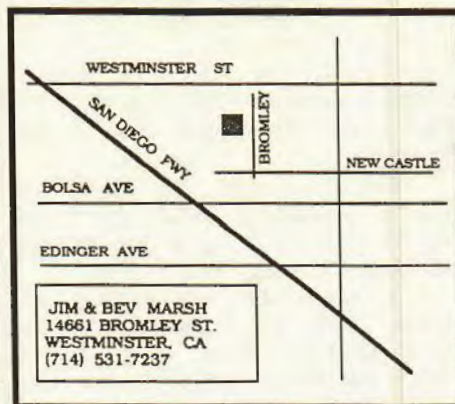

Editor's Note:

Paul has informed us that the Beach Party on August 19 will be held at Doheny State Beach, not Capistrano Beach as stated in Secretary's report.

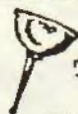

Additional Note:

We appologize that there was no Editor's report due to prior personal family commitments.

BOARD MEETING MAP

TECHNICALLY SPEAKING

By Don Tune
Technical Advisor

The April seminar on transmissions was excellent. Thanks to Jon Reiland for a very informative presentation and thanks to Bob and Patty Ferazzi for being our hosts.

The May seminar will be on carburetors. We will begin with a display and historical presentation covering Model A and B carburetors, including after-market carburetors and intake manifolds. This is an invitation to all to bring interesting and informative things. We will then move on to rebuilding carburetors.

Carburetor air leaks can cause some perplexing problems, particularly at idle speeds. If you find that your idle air adjustment has little or no effect and that your engine stalls when you come to a stop, it may be an air leak. A common place for a leak is around the throttle shaft at the lever end. I have a fixture to align and drill out worn A and B carburetor bearings. We can then insert bushings to seal the leaks.

If you're aware of the misalignment between the choke rod and adjustment needle driver. Some people enlarge or elongate the carburetor mounting holes

TECHNICALLY SPEAKING (CONTINUED)

on the intake manifold to allow the carburetor to rotate into position. If you don't want to do this, the mounting bolts can be modified to correct the problem. Come see how this is done.

The carburetor seminar will be held at the Ferazzi's. See you there at 7:30, Friday, May 11.

TECHNICAL SEMINAR MAP

ONE FOR THE ROAD

By Paul Steed
co-Activities Chairman

The Progressive Dinner has been scheduled for September 29th. We have plenty of openings, if you would be interested in hosting and would be willing to open your home for the Dinner, Please contact Paul or Joe.

The tour to Laughlin Nevada, March 23, 24, 25, departed from the Mall of Orange, we had a few cars from other clubs touring with us. We had a Roadside Seminar on filling our gas tanks with gas and a few seminars on fuel system problems. We also had a mini contest on oil usage. All in all we arrived in Laughlin around 2 PM without any major mishaps. The temperature was 106 degrees.

The Phoenix Model A Club furnished Goodie Bags, participation placks, a

(CONTINUED PAGE 4)

ONE FOR THE ROAD

(CONTINUED)

hospitality room, Saturday afternoon box lunch, People's Choice Awards for the best cars (Jim Spaeth took third place honors, way to go Jim)

Saturday night the members of the Orange County Club all went out to dinner together. Following dinner we dispersed to the gaming tables and slot machines.

Sunday morning we packed up the cars, the Marsh's "Harriett" in tow behind Mike Kelley's Toyota. Harriett had developed quite a thirst for oil. On our tour home we had several seminars on fuel systems with Richard Parrish.

All in all everyone had a fun filled weekend. Hope to see you on next year's Laughlin Tour.

White Water Fishing Tour, April 8, we had about 20 fisherpersons attend the tour. The A's ran well but we left one modern iron behind, but not deserted, with transmission problems. A good time was had by all.

Kite Flying Tour, April 22. It was a great day for lunch in the park, flying kites and climbing trees (to recover kites).

Editor note:

Everyone had a great time!! Believe it or not, Les flew his first Kite and loved it!

Drag Races, April 22, the Parrish's and Riha's departed out on their own, to find a fair size of our group already at the races. Some of them had gone down early and some had been there overnight. All told there were 6 or 7 Model A's there. Richard Parrish broke his rear axel. He had to leave his car there while he went to pick up the club trailer to tow it back. We hope you have better luck next time, Richard.

Upcoming Events:

May 6th, Whittier Narrows Fun Day, our club

ONE FOR THE ROAD

(CONTINUED)

is hosting this event. Departure time from the Mall of Orange is 8 AM SHARP.

May 18, 19, 20 tour to Santa Barbara departs from South Coast Plaza in front of May Co. at 9 AM SHARP.

A tentative date of June 10th is scheduled for the Poker Run. We will confirm this date with you as soon as possible.

We will be reviewing more future events in more detail later in the year. Check the Calendar page for advance information.

FASHION REPORT

In the March issue we reported on the Fashion Seminar at Fern Davis' home. In our report we reported: Model A era shoes had a higher vamp, toes were slightly squared or had a rounded toe, NO pointed toes.

Fern corrected me on this, toes were pointed, but slightly rounded, not a sharp point.

Sorry for the error.

L'ÉCHO DE PARIS

Paris Approves Youthful Flares and Dignified Draperies

IN the new evening gowns just arriving from Paris, dignity and formality are often expressed by slender silhouettes and clever draperies, while youth and motion are interpreted in various versions of the flare. An evening gown that will be one of the successes of the season has a flaring skirt; also a separate flaring jacket that makes it serve the purpose of two evening frocks, a formal one and an informal one, according to whether the jacket is left off or worn.

No. 5453. Side panels, cut to give a slender effect, at the hips and to flare at the hem, are attached in a pointed line. Size 16 requires 3¼ yards of 40-inch material.

No. 5461. A slender frock with a flaring dipping hemline is accompanied by a flaring short sleeved jacket. Size 36 requires 5 yards of 36-inch lace, contrasting, ½ yard of 40-inch material.

No. 5458. A bouffant skirt that dips in long points is combined with a fitted bodice finished with a handkerchief collar. Size 16 requires 3½ yards of 36-inch material; collar, ⅞ yard of 40-inch.

No. 5474. A side drapery falling in a long point below the hem is a new fashion feature of a formal evening gown. Size 36 requires 3 yards of 36-inch or 40-inch material.
