## "30 YEARS AGO"

By Martha White  
Editor

In a conversation with Charter Member, Bill Vaughn I learned a great deal of some of the events that occurred during the forming of our club. I found out that the original Model A's were a wild bunch. I hope you enjoy some of the antics, as well as, how we were formed as a group.

The following as told by Bill Vaughn.

A couple of us, Joe Eatherton & Bill Vaughn happened to have Model "A's" and we saw a couple of nice Model "A's" driving around, so we just got together and started talking Model A's and tire kicking.

We found out that there were a couple of Model A Clubs around and were told we had to have 25 members to get a Charter. That was in 1959

that we started to look for members. We later found out after a year and a half of trying to get members that we only had to have 5 members to form the Charter. Which we finally did get on August 11, 1961, with 25 members.

We started meeting at each others houses, Jack Fisher Park, at the Snack Shop at 17th & Flower, & at Copper Penny in Santa Ana, we just met wherever we could find a large room.

Finally the Club really started growing, at that time you might say, it was strictly just a man's club, to start off with. Later on then the women got active and had cake bakes, cookie bakes, swap meets, and events to raise money for the club. We just kept growing and growing

## "TIGER TAILS"

By Paul Steed  
President

Greetings,

I sincerely hope all of you are planning on attending the club's 30th Anniversary/ Reunion at Mile Square Park. I don't think I have to tell you there will be food, games, prizes, memorabilia, old friends, new friends, great old cars, ect., ect. See you there!

The Poker Run was well attended and using photographs instead of written instructions proved to be fun for all. I mean fun for most. Melinda Marsh placed first with 4 aces, Al Zannino placed second & Jim Marsh placed third.

We have a Mail Show and an exhibition coming up soon. Please show your support for your club and display your "A". Contact Joe Wavra and let him know you will be there. We need your support.

If you missed the summer campout at Lake Perris, you may never get the chance to learn about Linda & Don Tune's interesting relatives, or the armless man. It was HOT! We still had a great time.

There are many club sponsored activities coming up. Hope to see ya dare. Paul

### LETTER FROM THE EDITOR

By Les & Martha White  
Editors

"Happy Anniversary" to everyone! My Goodness, our Chapter is 30 years old this month, can you believe it?

Our Anniversary Celebration is being held on the 11th of August, which incidently is our actual Anniversary date. It was nice of it to fall on a Sunday. The theme for the picnic will be Country Western. So bring out your cowboy duds.

We hope to see everyone at Mile Square Park for the big event. Bev & Linda have been working very hard planning a great celebration for us and it promises to be lots of FUN.

We hope all of you enjoy this Anniversary Issue of "The Distributor".

Again "Happy Anniversary".

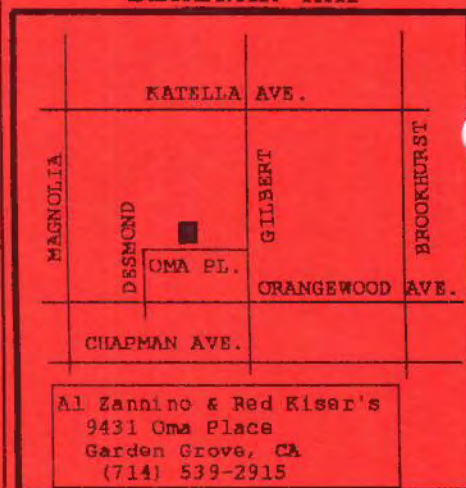

## MODEL "A" WORKBENCH

By Al Zannino  
Technical Advisor

Recently, I had a Club Member request assistance with installing his overdrive in the rear axle for his '29 Sport Coupe. Afterwards, I felt this would make an excellent Seminar project. We have had "rear-end" Seminars in the past. But there are a few Club Members who still don't feel comfortable with it. I hardly recommend you keep attending Seminars to gain more confidence in restoration.

The August Seminar will be on setting-up a rear-end with an overdrive. It will be held at Red & Al's residence, at 9431 Oma Place, Garden Grove on Saturday, August 10th, at 8:00 a.m.

### SEMINAR MAP

### HARD LUCK TROPHY

Congratulations to Bob Ferazzi who was the proud winner of this month's Hard Luck Trophy. His clutch operating cross shaft support pin went out. The arm was held on with a cotter pin & sheared. While in Lompoc they had to pull his rear end, differential, transmission, & bell housing.

I hope I got all that correct, Bob, it is to the best of my knowledge.

Our condolences to you Bob better luck next month.

(CONTINUED)

and growing.

The first president was Erve Korn in 1961. The next President only lasted a few months then Bill Vaughn took over as President in 1962. In 1963 Joe Eatherton was President. In 1964 Bill Vaughn was President.

We use to meet at each other houses back then at the time we only had 8 or 10 members then so it wasn't too big of a crowd. The wives would take care of the refreshments, we would have our meeting & try to make out some kind of program as far as events & things & then we started electing officers.

Finally we move to Izaak Walton Clubhouse, in Santa Ana, we were there 13 or 14 years. Then when it got to small for us, we moved into Yorba Jr. High School and we held our meetings there.

The Orange County Follies were choreographed by Sandy Annatochi and were presented at many Model A events. The men were dressed as women, the women were dressed in era clothing & we would mime songs & dance to the old 1930 tunes. Most of what went on in the O.C. Follies are not printable.

What was the first dash plaque that was awarded by the Orange County Chapter? It was a ribbon and there aren't too many of them around.

We use to have orange fender flags, which read Orange County Model A Ford Club, which were clipped to the fender with a bracket. We would put them on the cars everytime we went to a parade or gynkhana.

We use to invite all the Chapters to each other's main events. That's one way the Roundup got started too. In the late 60's when we all got together the Presidents & Activities Chairman of each Chapter we chose our event date & month so we wouldn't be interfering with each other's events. The Roundup was always the 3rd Saturday in October. None of the other Chapters would have anything else going that day because they wanted to participate in our event. It worked out real well for a long long time. Each club really stuck to the

(CONTINUED NEXT COLUMN)

date that they chose so that the other chapters wouldn't draw participants from the event they had chosen that month. We did the same thing with the events of the other clubs and everybody participated.

One year at the Roundup at Knotts it rained & we had over 100 people lined up to register. We had to close down while it rained hard, everyone sat waiting in their cars, only one person left.

We use to have a parade through Knotts and there was a time when the Roundup was actually inside Knotts. The judges were not to open doors or raise hoods, it was just on the appearance of cars & the costume. It was then later changed to include the inside of the cars.

In the earlier days when the club went to Yuma, Bakersfield, Lake Cachuma and all the different places we use to go, we would play practical jokes.

Down in Yuma, it was not the policy, but it always happened each year, the President got thrown in the pool clothes and all.

The campout at Lake Cachuma put on by the La Questa Chapter, one time when we met out there, there were 47 of us, including the kids, & 9 dogs all total. At this campout we managed to consume 11 gallons of vodka & orange juice around the campfire.

They had Gynkhanas and awards, little prizes & trophies for the events. It was just a good weekend tour & everyone had a good time as we did on all our campouts.

A little later on, maybe 2 or 3 years down the road, Orange County was really known as about the most active in Southern California and a lot of the chapters thought, well, that's that roudy bunch from Orange County.

Within our own chapter in Bakersfield we took one of the guys pickups & moved it down by the Marsh's room. The guy had the Sheriff & the helicopter up looking for that pickup and all we did was push it down & park along side by Jim & Bev Marsh's room. As it was being pushed

(CONTINUED NEXT COLUMN)

down by where it was parked a lady walked by & said, "my that's the quietest running Model A I ever heard". We didn't have a key for it, we just put it in neutral & away we went.

When we went to Apple Valley one time, we took Ray & Jean Griffin's car, they had a car cover for their Roadster & we took their car cover & put it on Jim's Douglass's Roadster which was painted pretty much the same color. Griffin's car had a trunk on the back, oh we went up in the rocks & picked up some sticks & made the back of Jim's car look like it had a trunk on it. We covered his car & took Griffins's car & pushed it down around the corner of the motel area & jacked up the right rear wheel to where it was just barely up off the ground. The next morning when we got up to go to breakfast Ray & Jean said well here's our car. Ray got in to start it & when he let out the clutch his mouth dropped about a foot, because he didn't go anywhere. Jean happened to be on the right hand side of the car & asked Ray, Honey how come the rear wheel is turning? Well then he found out what it was.

In Yuma one time Jim & I had rooms down there. His daughter was to come down & she didn't make it. She had a refrigerator in her room so Jim & I just picked it up moved that apartment sized refrigerator down into our room where the party was.

In 1974 we were aboard the Queen Mary. Al Pepperton of Bakersfield was down & he was a real good friend of ours. We were trying to take the louvers off the outside door so we could get into their room. John Hyland was standing watch for us & we found out we couldn't get inside. We could hear Al's wife just laughing like mad. So we were putting the louvers back on & John took off, here one of the roving guards caught Jim Douglas & I and asked what we were doing. We told him we were just putting the screws back on the louver. When he turned his back Jim & I took off, he

(CONTINUED NEXT PAGE)

## CONDOLANCES

Our condolences to Diane Steed on the loss of her Father.

## BOARD MEETING

By F. D. Kiser  
Secretary

The meeting was called to order by the President at 7:50 p.m. in Diane & Paul Steed's residence, Orange, CA. All Board Members present except the Editor, Martha White. Club Member Roger Aday, also attended the meeting.

The Secretary reported the 3-new applications for club membership were mailed out and preparation of the "30th Anniversary" badges was in process.

The Treasurer presented her monthly financial report which was accepted as presented.

Additional details of current and future Club Tours were discussed. Final details will be presented in the next issue of "The Distributor".

The Technical Advisor indicated the next Workshop will be on "Frame Straightening". The August Workshop will be held at the Kiser residence in Garden Grove. Installation of an overdrive is planned for that event. A Mall Show has been scheduled for Saturday, August 15th, in Laguna Niguel Shopping Center. 15-cars are needed for the show.

A current status report was given on the "30th Anniversary" Celebration by Bev Marsh & Linda Tune. All is progressing satisfactorily.

The President expressed his thanks both at the meeting and in a personal note for attending the Lake Perris Campout. The Board agreed that a major effort will be made immediately to locate all of the Club's tools and equipment. Announcements in "The Distributor" have not been

(CONTINUED NEXT COLUMN)

## BOARD MEETING

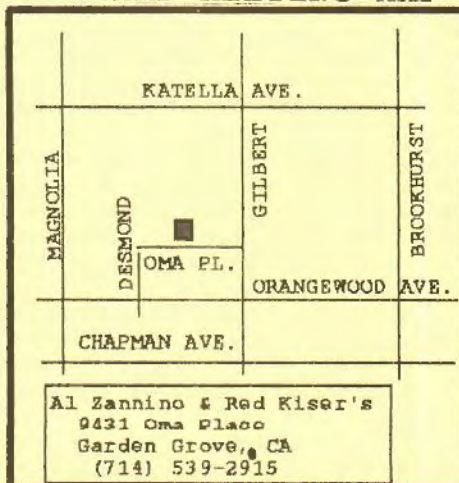

(CONTINUED)

effective. The Secretary will be calling those who are currently shown on the Club's records as having them checked out. A more stringent control will be put into effect to help alleviate this problem.

The meeting adjourned at 9:30 p.m. The next Board Meeting will be held at the Kiser residence, 9431 Oma Place, Garden Grove, CA on August 16, 1991.

Respectfully Submitted

## BOARD MEETING MAP

## 30 YEARS AGO

(CONTINUED)

didn't see hide nor hair of us after that.

At the Rim of the World our chapter changed the marquee to read "Welcome Orange County Model A Ford Club".

The Bakersfield Chapter always tried to steal our banner, but we never took our banner to their function. One day Pam Hyland got ahold of their banner, she had on a long coat tucked it underneath and just walked away with it. We did mail it back to them later though.

Al Pemberton, who was from Bakersfield, which later became the Golden Empire, was known as the Green Phantom. Al would send a letter & had made up a little banner that said the Green Phantom has struck again. They tied this banner to the front of my car.

At the Shell campground, in Bakersfield, where we would have a dance, picnic, & BBQ, Rick Crist shimmyed up the pole to steal their banner & we brought it back with us. They never did get ours though.

Praytell, does all this FUN give anyone any ideas?

## ACTIVITIES BY LOU

By Lou Speilberger  
Activities Director

Here we are in July. This year is 1/2 gone & to this date we have made 13 milage tours, for a total of 2395 miles.

The 4th of July party at Joe Wavra's house was one big house full. Thanks Joe and Marion.

Our Poker Run & Pizza Party went great, we had a big turnout. Over all the Poker Run I have been on, this one was the best. Every person made it to the finish, the run was done by pictures. Thanks Paul. Winners of the Poker Run were: Melinda Marsh in 1st place won \$60; Al Zannino in 2nd place won \$30; Jim Marsh in 3rd place won a deck of cards. Prizes were given for best poker hand of those that completed the 55 tour miles. Good Run.

Camping out at Perris Lake was something, a little hot. We had 3 motor homes & 1 5th, wheel, plus 4 tents. The fishing and boating was the best.

We have a Car Show & Mileage Tour scheduled on Saturday, August 4th to Heritage Hill Historical Park. Antique quilts will be on display. This is a new historical park and sounds very interesting. Tour will depart South Coast Plaza, May Co. at 8:30 am.

Sunday, August 11th is our Chapter's "30th Anniversary and Reunion" Party which will be held at Mile Square Park. Loads of fun have been planned, lots of old friends as well as new ones so come join us on this very special Anniversary Celebration. (See Flyer this issue for more details).

For those of you who enjoy the ponies. Sunday, August 25th is our Tour to the Del Mar Races. Post Time is 2:00 pm. We will leave Coco's at El Toro 10:00 AM. and will have a picnic lunch on the way. So bring your picnic lunch and come join us for a day at the races.

September General Meeting, we will be back at Santiago Elementary School.

## SPECIAL ACTIVITIES

By Joe Wavra  
Special Events Chairman

We have a Car Show & Mileage Tour scheduled on Saturday, August 4th to Heritage Hill Historical Park. Tour will depart South Coast Plaza, May Co. at 8:30 am

We also have a Mall Show coming up on Saturday August 17th, from 10:00 am til 3:00 pm., at Laguna Niguel's newest shopping center in Laguna Hills. On the corner of Golden Lantern & Marina Hills in Laguna Niguel. We need 15 to 20 cars. Please contact me immediately if you can be there. Joe (714) 549-2881. We will tour from South Coast Plaza, May Co. at 8:30 am.

## SUMMER TOUR

By Paul Steed  
President

The Club's Summer Tour incorporated the Regional Tour to Lompoc. Bob & Patty Ferazzi, Dennis & Judy Griffin, Joe & Marion Wavra, Bill & Eleanor Shaner, Paul, Diane, & Allison Steed all attended. Les & Martha White attended the Regional portion of the Tour.

We had a few mechanical mis-haps with the "A's" but none we couldn't handle.

The mission & flower fields of Lompoc were very beautiful. From Lompoc, we toured north to Morro Bay. Morro Bay is a quaint harbor town with many good restaurants and antique stores.

Monterey was our next stop. We visited the Monterey Aquarium where we ran into fellow Club Members Jim & Diane Khalif. From Monterey we toured north to Santa Cruz.

Santa Cruz is famous for its Boardwalk and it's Redwoods. Of course, we saw them both. From there we returned for another day in  
(CONTINUED NEXT COLUMN)

## SUMMER TOUR

(CONTINUED)

Monterey, then on to Carpinteria, & then home.

I left out most of the details of the trip because you would have to have been there to understand who the bullet was, why the man in the center lost his pants, why Dennis and Paul were oiled, what two people drove the same car at the same time, what its like to drive an open Model A in the rain, how some walks seemed more like a ten mile hike, and what its like to spend a week with some really great friends. Excellent time.

## RECIPE CORNER

Bev Marsh graciously gave us her recipe for Broccoli Salad which we all enjoyed at the 4th of July party at the Wavra's. This salad was a big hit! Enjoy!

### BROCCOLI SALAD

1 1/2 to 2 lbs broccoli flowerettes  
1/2 c. chopped onions  
1/2 c. or 6 slices cooked bacon (crumbled)  
1/2 c. pine nuts (pignolias)\*  
1 c. raisins

\* because of their expense, I use only one small package.

### Dressing:

3/4 c. mayonnaise  
1/3 c. sugar  
1 1/2 Tbls vinegar

Don't cook, just add & refrigerate. (If salad seems dry, just add more dressing.

Summer Tour - Photo By: Patty Ferazzi

## PARIS FASHIONS FOR MIDSUMMER WEAR

AFTERNOON

Miss Ellen Barr —  
5345

Comtesse  
d' —  
5346

EVENING

Madame André —  
5369

Miss Edwina —  
5368

... But a few short weeks remain for this hectic whirl of living twenty-four hours a day along this coast, at Cap d'Antibes, before we need to consider returning to Paris and the formal activities of social life there. Though the pace is apt to be a bit wearing, it is grand for the morale and highly diverting. The smart woman finds this picturesque life in fisherman's jeans and Basque costumes absolutely right for daytime, but you need only one glimpse of the imposing garden parties held high up on the verdant hills to realize how quickly the athletic young fisherman is transformed into a picturesque edition of feminine elegance, just as the couturiers intended them to be. Organdie frocks are high fashion now, with sashes, appliqué of new embroidery

and much beruffled chic that proclaim their Parisian origin.

The beautifully landscaped gardens of Madame de C.'s château have established that hostess an enviable reputation for delightful and original entertainments on a grand scale. At the soirée given in honor of Count R—, the entire garden was turned into a veritable fairyland for Mademoiselle A— in a modern revue that afforded striking contrast to the old world garden. Dark-toned evening gowns in net, lace, marquise and chiffon were a new note and contrasted with the numerous light taffetas and crêpes. Grecian types were outstanding, while the all-white gown of stiffened net created a new note of formal elegance.

Colette Cartier

5345—This late afternoon frock, with its deep cape outlining a V décolletage, was chosen by Miss Ellen Barr —, the lovely American débutante who is spending the Summer at Cap d'Antibes. Designed for sizes 14 to 42. Size 16 requires 5½ yards 39-inch fabric. Width 1½ yard.

5346—For tea Comtesse d' —, whose famous château is the scene of many brilliant gatherings, wears this gracious frock with its long skirt and flared sleeves. Designed for sizes 16 to 44. Size 16 requires 5½ yards 39-inch print, ¾ yard plain. Width about 3¼ yards.

5345

5346

5369

5368

5369—One of the most striking gowns seen at the Casino at Le Touquet is this one, worn by Madame André —, with its slightly draped corsage and its series of skirt flounces. Designed for sizes 14 to 42. Size 16 requires 5½ yards 39-inch material. Width about 1½ yard.

5368—This gown was selected for its flattering wing-like draperies and peplum flare by Miss Edwina —, a popular member of the younger set that dances nightly at Antibes. Designed for sizes 14 to 42. Size 16 requires 5½ yards 39-inch fabric. Width about 2¼ yds.
