LETTER FROM THE EDITOR

By Les & Martha White
Editors

1991 is nearly gone & soon a will be ringing in the New Year. 1992 should be an interesting year for the Orange County Model A Club.

I was very happy & honored to find out from the National that we have won one of the National Newsletter Awards for "The Distributor". Only three awards are given each year throughout all of the National Chapters. We don't know what place we have won, as of yet, but will keep you posted. Thank you National.

It is my understanding that you will have a new Editor for 1992.

Les & I have enjoyed being your Editors & wish the new Editor much luck in the upcoming year.

Les & I wish everyone a very Merry Christmas & the happiest New Year.

MODEL "A" WORKBENCH

By Al Zannino
Technical Advisor

First, I would like to thank Russ Harbeck, owner of Hoffmann's Paint Store in Santa Ana, for putting on a very informative and interesting Seminar. There was a mix-up with Meguire's Inc. who was scheduled to support the seminar and they did not attend. However, Russ did an excellent job. Twenty (20) Club Members attended this last seminar of the year. With December being such a busy month, there will not be a seminar for that month.

Russ told us that after April 15th, 1992, he will have "FREE" Thursday classes at 6:00p.m. The classes will cover all aspects of bodywork: i.e., welding, preping, painting, and finishing.

I would like to thank all the members who contributed to the Seminars and participated, this last year.

It has been fun being your Technical Advisor the past year. I wish everyone a Happy Holiday Season.

BOARD MEETING

By F. D. Kiser
Secretary

The meeting began at 7:45 p.m. in Marion & Joe Wavra's residence, Costa Mesa, CA. All Board Members were present or were represented. Club member, Roger Aday, also attended.

The Secretary, F.D. Kiser, indicated there had been no secretarial activity performed since the last meeting. The Treasurer, Linda Tune, presented her report & a written copy was provided to both the President & the Secretary.

The Activities Director, Lou Spielberger, discussed the recent & future tours which are planned for the Club. The detailed schedule for these tours are published in "The Distributor". Final details for the upcoming Christmas Banquet Party were discussed. The Board agreed to contact each member by telephone to determine if they are planning to attend the party. Final reservations have to be turned in to the Claim Jumper Restaurant by November 24th, 1991.

The Distributor Editor, Martha White, indicated everything is going well with the paper.

The Technical Director, Al Zannino reported on the results of the Seminar at Hoffman's Paint Store in Santa Ana, CA. Refer to the article "Model A Workbench" in the current issue of "The Distributor" for details. There will not be a Seminar in December because of heavy social activities in that month.

Joe Wavra reported that the Downey Antique Mall Show was a great success. He had asked for 8 cars & 13 showed up. Everyone attending enjoyed it very much.

Bev Marsh indicated she

BOARD MEETING (CONTINUED)

had hired a clown for the "Family Christmas Party".

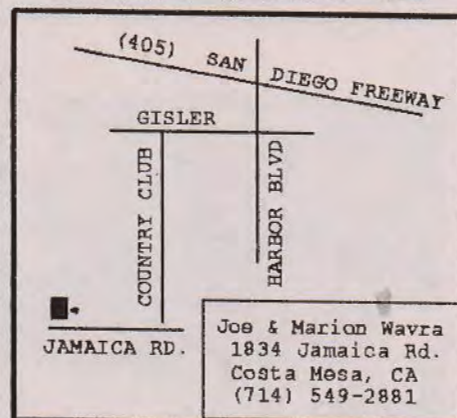

Old Business - Al Zannino inquired about storing some chairs that have been donated to the Club. Paul indicated he would try to provide storage room for them. Al also asked about the new Badges. It was agreed that the article prepared for the October issue of "The Distributor" which discussed the badges in detail, be included in the next issue (December).

Family Christmas Party - It was agreed that the parents of the children attending the Family Christmas Party should supply a gift for each child of an approximate value of \$10.00.

The meeting adjourned at 9:00 p.m. The next Board meeting will be held at the Wavra's residence, Costa Mesa, CA, on Thursday, December 19th, 1991. All incoming and outgoing Board Members are requested to attend.

Respectfully Submitted

A Lines

No. 5473. Straight slender lines are softened by a flare that dips to a point at the side, and a side sash that indicates the waistline. Size 36, $3\frac{1}{2}$ yards 40-inch material; jabot, $\frac{3}{8}$ yard 10-inch.

No. 5475. The very wide swathed girdle that wraps around the figure gives a slender hipline between a bloused bodice and a two-tiered flaring skirt. Size 36 requires $6\frac{3}{4}$ yards 32-inch or 5 yards of 40-inch.

No. 5481. Short jacket lines are suggested in the cut of a one-piece frock, shirred in the front to indicate the position of the waist at the normal line. Size 36 requires $3\frac{1}{4}$ yards of 36-inch material.

No. 5489. A flaring wrap-around skirt with a dipping panel at the side is joined to the frock in an irregular line, raised to a higher waistline in front. Size 36 requires $4\frac{3}{4}$ yards of 40-inch velvet.

The Position of Waistlines Remains A Smart Problem

THERE is no answer to the question, "Where does Paris place waistlines?"

In some frocks the waist is high, in others medium; in others low; in some it is hard to locate the waist at all. In each model the problem is solved individually, nearly always in a way that keeps the hips slender and flat. Wide swathed girdles, jacket effects, irregular waistline or slender straight frocks with a sash suggest the waistline position.

ORANGE COUNTY "A'S" STILL ON THE ROAD

The following article is a reprint from the Evergreen Echoes Newsletter, Vol 30 Issue 8, dated August 1990.

FATE

Pictured are two Model A's that toured together for many years. The 1931 Victoria was owned and driven by Mr. & Mrs. Bill Vaughn. The 1930 Roadster was owned by Mr. & Mrs. Jim Douglas. They were both members of the Orange County A Club in Southern California. As the story goes both the "Vicky" and the Roadster were a common sight driving to club functions and affairs. Both of these cars were restored in the 60's and both are pictured in Henry's Lady published in 1972. In fact the pictures for the book were taken at a Orange County Club gathering. The Victoria is used as the example of the 190-A on page 227; and the Roadster is pictured on page 118 as an example of a 40-B - 1930 Standard Roadster. When Jim Douglas' wife passed away he lost interest in driving the Roadster and with the passing of time he became less active in the club.

Now the rest of a story.....

Bill and Patsy Heller purchased the Victoria and moved it to Seattle in the early eighties.

The Roadster was purchased from Jim Douglas and driven from Orange County to Seattle by Sharon and Joe Biller last year. Once again the cars belong to an active club, both cars have been seen together on parades and tours....."just like the old days" said Patsy on a recent Parade in Oak Harbor.

Look for both of these cars to turn up in Bend later this summer. The more things change the more they stay the same. It must be fate.
