NEWEST LIFE MEMBERS

Bob and Patty Ferazzi were presented the Orange County Life Member Award at our Club's Annual Christmas Party.

They were awarded the Life Member Award for their continuous contributions to our Club.

A very special and fond Congradulations to Bob and Patty. Keep up the good work!

Photo By Paul Steed
Bob and Patty receiving their Life Member Award.

DISNEYLAND TOUR

We will have a special tour to Disneyland on February 17th for those of you who would like to join us. Tickets are being purchased in advance and at a special price of \$18 for both children & adults, all tickets are the same price.

We tried to obtain preferred parking, but Disneyland does not provide this service. We will have to park in general parking, although we will be able to park together "as long as we enter the gate together". We will have your tickets and be collecting the parking fee of \$4. at the Mall, please have exact change. We will depart the Orange Mall at 7:30am. Disneyland will be open until midnight. To order your tickets please contact Les or Martha White (714) 870-6417.

WORRY STONE PRESENTED

At the last General Meeting in January, Past President, Jim Marsh presented our new President, Paul Steed with the "President's Worry Stone". The "President's Worry Stone" has been passed on from President to President since 1966 when Andy Bandino first presented it, to then President Larry Boef. Andy purchased this worry stone at the 1966 National Model A Convention and rubbed a deep well into it while waiting for the judges results at that same Convention. Ever since it has been the official "President's Worry Stone" for our Orange County Chapter's Presidents.

LOST AND FOUND

Found, after the Family Christmas Party at the school, 1 Pink child's jacket. We will hold the jacket for one month then it will be turned into the school's lost & found department. If your child or a guest's child lost this coat, please contact Ed Cote immediately at: (714) 542-6161.

LETTER FROM THE EDITOR

By Les & Martha White
Editors

The Roster should be out sometime in the first half of February. Thank you to all of you who got your dues sent in early.

If you know of a business who does work of any kind on Model A's be it, plating, sandblasting, ect. or who sell Model A related parts. Please let us know. We are compiling a list, as well as, looking for potential advertisers. This could lead to a great deal of extra income for the club so please help us out in gathering this list. Call: Les or Martha White (714) 870-6417.

"TIGER TAILS"

By Paul Steed
President

I'd like to thank Tom Ellison for allowing us to have our January meeting at his shop in Huntington Beach. The February Meeting will be back at Santiago Elementary School on Baker St. in Santa Ana.

We are quickly approaching March 10th. Remember? That's right the Pancake Breakfast. The club needs your help in procuring raffle prizes for men, women, children, and oh yah, Model A's. Don't forget the Breakfast has always been our club's major source of revenue. So pitch in and help out.

The horn seminar at Al Zannino's was well attended. I only hope Al's neighbors are still on good terms. We did have a lot of honkies there.

Pieter Dwinger will be showing a video from the Great Race West at the February General Meeting. Remember Pieter will be competing in the Great Race this summer. Sounds like fun to me.

Don't be too late, participate.

SPECIAL ACTIVITIES

By Joe Wavra
Special Events Chairman

Our first car show is now on the books. We need 6 cars for February 5th, 6th, & 7th at the Anaheim Convention Center. Time and details to be advised later. Those interested in participating call Joe Wavra at (714) 549-2881.

QUEEN MARY CLUB YEARLY MEETING

By Don Tune

The Queen Mary Model A Club held it's yearly meeting at the Town and Country Hotel in San Diego on January 12. This meeting had two main purposes. One was the election of officers for 1991 (the old board was reelected). The other was to recognize members of other clubs who helped at the National Convention.

Sixteen members of the Orange County Model A Club received invitations from Commodore Jack Simmons to accept awards for their Convention activities. Linda, Tina, and I were the only club members to

QUEEN MARY CLUB YEARLY MEETING

(CONTINUED)

attend. I accepted the awards on behalf of the other members. I must admit that I was more than a little embarrassed that the others did not attend.

The awards will be presented at our next General Meeting. Those to receive awards for "Outstanding Service" are: Chuck Bloom, Piet Dwinger, Tom Endy, Bob Ferazzi, Dennis Griffin, Vince Mariola, Jim and Bev Marsh, Merle McCellan, Larry McKinney, Gene Meregilano, Joe Recker, Steve Schley, Don Tune, Joe Wavra, and Al Zannino.

Jack Simmons told me that he has received many letters following the Convention. They included thanks and some constructive criticisms but nearly all were positive. He said that nearly all letters included praise specifically for the Repair Tent. When Doc Ingerson said that he would be recovered from this Convention by the year 2004 and ready for another, I volunteered the crew for the repair tent. So, let's get ready guys.

MODEL "A" WORKBENCH

By Al Zannino
Technical Advisor

Our first Technical Seminar for 1991 was on "Ahooga" Horns. Over 30-"horny" club members came; -- some with "sick" horns and some just to "bench race". My personal thanks is extended to Dennis Griffin and Bob Ferazzi for their expert technical support. Also, I wish to thank Tom Endy for supplying his portable power source.

The next Technical Seminar was supposed to be on Stanchions. However, before I can plan that seminar, I need to know how many members want to build them so I can purchase the material. The material cost will be minimal as I plan to purchase it in a large quantity through the Club. A Sign-up sheet will be passed around at the next General Meeting for those interested. If you ever display your car in Mall Shows (or other displays), you will need a set for your car. If you are not planning to attend the next General Meeting and want to

(CONTINUED NEXT COLUMN)

MODEL "A" WORKBENCH (CONTINUED)

build a set of Stanchions, please call me at (714) 539-2915. I urgently need this information as soon as possible for planning purposes.

Our next Technical Seminar should be of interest to most "Model A-ers". We are fortunate in having access to a '29 Model A Roadster Pickup to help provide the finishing touches to its final restoration. Ed Cote' has graciously consented to let us help him complete his car. Most of the restoration has been completed; however, various "ends" need to be "tied- together" for its final restoration. It will be a hands-on workshop for Model A "experts" to display their personal talents in Model A restoration. There will be something in which all attendees can participate. It will be an excellent opportunity for the "beginner" to learn a wide variety of things. So plan now to attend. It will be held at Pat & Ed Cote's home on Friday night at 7:30 p.m., February 15th, 1991. LET'S GET ED ON THE ROAD AGAIN.

(CONTINUED NEXT PAGE)

1991 INCOMING BOARD

Pictured left to right: Les White, 1990 Election Chairman and co-Editor; Joe Wavra, Special Events; Paul Steed, President; Red Kiser, Secretary; Jim Spaeth, Activities; Al Zannino, Technical Advisor; Linda Tune, Treasurer; Martha White, returning Editor and winner of the 1990 Jack Peyton Memorial Member of the Year Award.

MODEL "A" WORKBENCH (CONTINUED)

This Month's Tip

I'm sure we are all familiar with WD 40 and it's many uses. But here is one use you may not have heard of --- as a **starting fluid**. Not that our Model A's would ever need any (BUT THE MODERN'S MIGHT!).

SEMINAR MAP

BOARD MEETING

By F. D. Kiser
Secretary

The meeting was called to order by the President, Paul Steed, at 7:35 p.m. in the Wavra's residence, Costa Mesa, CA. All Board members were present.

1. Secretary - The previous Board minutes, prepared by former Secretary Terry Lucas, were read, amended; then accepted by the Board.

2. Treasurer - The Treasurer indicated the Club's accounting records for FY 1989/90 are ready for audit. An Audit Committee was formed to review the records on February 9th, 1991. The Treasurer and Editor have been in close communication regarding collecting Club dues. Several methods of encouraging members to pay their dues on time were discussed. It was agreed that the Distributor would be "flagged" on the outside cover with a boldly printed
(CONTINUED NEXT COLUMN)

BOARD MEETING (CONTINUED)

notice that Club Dues were due. These reminders would start appearing on earlier issues of the Distributor, i.e., August or September. If paid by these dates, members would not miss any issues of the Restorer.

3. Activities - Numerous club-sponsored activities and trips were discussed for FY 1991. Some schedules are already established and some are still in the planning stages. Details of all established Club activities will be published monthly in the Distributor. A Summer-tour Planning Group will meet Wednesday, January 30th at the Wavra's residence to further plan and establish details for summer tours.

It was decided that Buttons would again be made for the annual Pancake Breakfast. Approximately 600 buttons will be made. Jim Marsh and Don Tune will design and prepare the artwork for the buttons and Red Kiser will be responsible for assembling them. The materials will be provided as soon as possible so that this long and tedious task can be completed prior to the March 10th deadline.

Joe Wavra indicated he had 6 people signed up to use their cars for the upcoming Pacific Auto Parts Show to be held in the Anaheim Convention Center, February 5th, 6th, and 7th.

4. Editor - Martha stated that the next issue of the Distributor was progressing satisfactorily. It was noted that several members did not receive their copy of the Distributor until as late as January 16th (postmarked January 8th.) there was an apparent "foul-up" by the Post Office in delivering them. To help prevent this from recurring, several suggestions were discussed. The President stated that to assist the Editor to get the Distributor published earlier each month, all articles written by the Board members and also members of the Club must be
(CONTINUED NEXT COLUMN)

BOARD MEETING (CONTINUED)

in the Editor's hands by Saturday, following the Board meetings. (The Board meets on the 3rd. Thursday of each month). This is a mandatory requirement. Articles arriving after the Saturday deadline will not be published in that current issue. The Board unanimously agreed.

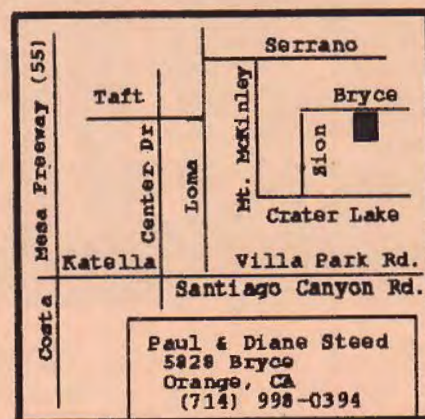

5. Technical Advisor - Al Zannino stated that over 30 Club members attended the past Technical Seminar and most felt it was a great success. The subject of the next seminar has been changed from "Stanchions" to assisting Ed Cote put the finishing touches on his '29 Roadster pickup. Al and Jim Spaeth will be contracting all Club members to determine if they plan to build a set of Stanchions for their car. After specific requirements have been determined, "Stanchions" will be scheduled as the next Technical Seminar.

7. Miscellaneous - Don Tune attended the yearly Queen Mary Chapter meeting with their elected officers. He was given several items of Award to be given to our Club members that worked in the Repair Tent at the National Convention in San Diego. These awards will be presented at the next General Meeting, February 14, 1991.

The next Board Meeting will be held Thursday, February 21, 1991 at Paul Steed's residence, Orange, CA. The meeting adjourned at 10:36p.m.

Respectfully Submitted

BOARD MEETING MAP

"OUT AND ABOUT"

By Jim Spaeth
Activities Director

The new year is here and now is the time we need to dedicate ourselves to (Having Fun). The way we can be sure we accomplish this is to participate in our Club's Activities, the key word is participate. You can't enjoy or have fun in anything if you don't take part in the event or hobby. So let's make up our minds to have fun, enjoy ourselves and the other members of our Club this year. By participating in the Tours and other Events we all will have a terrific year. You don't need to have a Model A to join in, so grab your car keys and lets go!

Our first tour is our Valentine's Tour on Sunday, February 10th to the Old Music Hall. If you haven't been there, this is a very special trip with music from an old Wurlitzer Organ and the old movies. If you have been there I know you'll want to go again. We will leave South Coast Plaza, May Co. at 11 am sharp and tour to El Torito in Long Beach for lunch and then on to the Old Music Hall for a Comedy Festival Movies in El Segundo. The lunch will cost \$11 each for adults and \$5 each for children, tips and taxes included, but NOT the DRINKS. The movie will be \$4.50 each. Please bring the correct CASH!!!!!!

On February 16th and 17th is the San Diego Swap Meet at Jack Murphy Stadium.

On February 17th is a Disneyland Tour. Les & Martha White are leading this tour and have special discount tickets, so please contact Martha or Les for information at (714) 870-6417.

On the 24th of February we have a tour to Flabo Airport for Open House in Riverside lead by Paul

"OUT AND ABOUT" (CONTINUED)

Steed. A restaurant is on the grounds or you can bring a picnic lunch. They will be showing beautifully homebuilt and antique planes. Should be a really relaxing fun day. You can brouse as long as you like.

There will be a group departing for Flabo a day earlier and spending the night in the area. For those of you who are interested in joining the earlier group, please contact Don & Linda Tune at (714) 832-8239.

March the 10th will be our fabulous Pancake Breakfast at Hart Park. Lots of help is needed. So sign up now with Paul Steed.

On March 22nd, 23rd, & 24th is our Annual Tour to Laughlin. Our host Clubs have planned 3 days of fun filled events including a 25 mile Night Run, Dress-up Party, judging and many other fun events. More information forthcoming.

No. 5479. Pointed flaring panels give a smart uneven hemline, and the hip-line is made slender below a bloused bodice by means of a deep pointed yoke. Size 36, $3\frac{3}{4}$ yards 40-inch material or $2\frac{3}{4}$ yards 54-inch.

Winter Afternoon Fashions Become More Formal

THE fashions of the past few months have seemed formal and elaborate partly because they contrasted to the simpler styles that preceded them. But the new gowns are going to seem more formal still, because Paris is taking several further steps in that direction. The latest showings make a feature of afternoon frocks revealing the maximum amount of daytime elaboration, soft flattering lines interpreted in the new fabrics.

No. 5471. A circular flounce mounts in the front to the waistline, finished with an appliqué design of the material and a bow. Size 36, waist, $2\frac{1}{4}$ yards of 40-inch material; contrasting, $1\frac{1}{8}$ yards of 40-inch.

No. 5488. The flaring flounce that lengthens a one-piece frock wraps over upper part to form a one-sided pepum effect. Size 36, $2\frac{1}{4}$ yards 36-inch material; flounce, cuffs and bands, $2\frac{3}{8}$ yards 36-inch.

No. 5486. Interesting new lines appear in a frock that is bloused in the back, straight on one side and on the other has a flaring two-tiered effect. Size 36, 4 yards 36-inch or $2\frac{1}{4}$ yards 54-inch.
